NATIONAL CONFERENCE ON ENTREPRENEURIAL RESURGENCE AND INNOVATIONS (NCERI '16)

19th AUGUST 2016

Venue : L.CT.PL. Auditorium, Alagappa University

Alagappa University

Alagappa University re-accredited with 'A' Grade by NAAC, has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist Dr. RM. Alagappa Chettiar, with the motto "Excellence in Action". The University brought into existence by a Special Act of the Govt. of Tamil Nadu in May 1985 and recognized by the University Grants Commission (UGC), has 15 Schools of Learning comprising, 29 Departments, 2 Constituent Colleges and 16 Centres of Development Studies offering over 60 Programs to foster research, development and dissemination of knowledge in various branches of learning. The University, as a member of the Association of Indian Universities (AIU) and the Association of Common Wealth Universities (ACU) has rewarding relations with other academic institutions, research laboratories and industrial establishments and formed International Collaborations with Universities / Institutions of Higher Learning in countries like China, Malaysia, West Indies, U.S.A. and South Korea, to offer innovative and exchange programmes. The University, with the support of Tamilnadu government has established an Entrepreneurship & Skill Development Centre, to train and develop graduates in specialised skills for self-employment and to organize such programmes for the assistance and growth of potential entrepreneurs and small-scale industry.

The National Conference - NCERI '16

Challenging and being prominent, Entrepreneurship stands ahead for the development in any country around the globe. Entrepreneurship contributes significantly to the uplifting of surging economies in many countries and today, it is considered more privileged to start an enterprise than to work under a master. The entrepreneurial environment which encompasses the entrepreneur's motivation, guidance, & assistance, is believed to have changed drastically over the past few years, due to the wide-spread dissonance in the economic environment. In light of liberalization & increasing integration with the world economy, entrepreneurship especially helps in creating awareness among the business community and policymakers, towards economic growth and value creation, through innovations. Thus the conference would focus on the Resurgence in Entrepreneurship and Innovation strategies to be conquered for the upsurge of global competition.

Objectives

The conference is organized with the objectives

- To present the emerging trends in entrepreneurial opportunities & prospects,
- To highlight the aligning elements of existing & upcoming entrepreneurs in different fields,
- To discuss ways to take entrepreneurship towards cultural dispersion, balanced economic growth, regional development and societal upliftment, and
- To profile the technology and innovations strategies that would support entrepreneurship.
- To present the upcoming challenges and threats in the environment for different fields of entrepreneurship.

Target Participants

- Final year Students, Scholars, Academicians, Entrepreneurs, Corporate personnel
