ABOUT THE DEPARTMENT

The Department of Microbiology focuses on emerging challenges in the field of Bioenergy, Biopolymers, Bioremediation, Plant microbe interaction, Molecular biology, Medical microbiology etc. M.Sc. and M.Phil programmes leading to Ph.D (Full Time and Part Time) were being offered in the Department. The Department is comprised of well experienced faculty members with research interest and expertise in thrust areas of Microbiology.

ABOUT THE CONFERENCE

The objective of the conference is to create a forum for scientists, researchers and academicians to exchange their research findings, views and ideas on recent trends in bioplastics.

Bioplastic research has recently attracted scientists all over the world to discover biodegradable products as an alternative resource for the next generation. It is a fascinating and promising science of biology with the scope in every livelihood of our planet. The conference will bridge the scientist, academia, and research scholars to talk about, circulate, bring up-to-date and improve their awareness in the latest bioplastic research. This event will also help in evolving new projects or areas can be utilized for the development of new technologies which will be useful in overcoming the problems of environment issues.

THRUST AREAS :

- Production of Bioplastics
- Environmental and Management Aspects of Bioplastics
- Bioplastic Industrial Applications
- Recovery and Reuse of Bioplastics
- Bioplastics Productions Utilizing Wastes / Polluted Wastes
- Bioplastics and Energy
- Bioplastics in the Medical and Pharmaceutical Sectors
- Other Emerging Research areas in Bioplastics

Sub Titles can be viewed at : www.rtb2019.com

PUBLICATION

Selected Papers will be published in Scopus journals, preferably in Elsevier or Springer Publication.

The selected papers of our previous event "RTM-2019" were published in Special issue (Burgeoning trends in Microbiology and Agriculture Sciences) of Biocatalysis and Agricultural Biotechnology, Elsevier Publication (Journal Metrics - Cite Score:: 2.26; SNIP: 0.862; SJR: 0.497).

PARTICIPANTS

Students, Research Scholars, Scientists and Faculty Members from the Colleges, Universities, Institutes and Industries.
