There are many national issues which have to be pursued by parliament beyond party ideologies. These included matter towards becoming a developed nation, providing safe water, uninterrupted electricity, health care and shelter to every citizen of the country, the plans for communication and computer penetration, and national security. The consensus arrived at through discussion and debate towards these goals through the parliamentary process will certainly lead India towards the path of reaching developed status quickly. Hence, parliament has to spend its energy in a health competitive spirit to help more the nation ahead. The Parliamentarian's role, therefore, assumes tremendous significance and it is essential that each MP lives up to the aspirations and ideals for which he or she has been elected.
