DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, DECEMBER 2014.

First Semester

MANAGEMENT CONCEPTS

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define management. Also explain the nature of management.

2. "Planning is the essence of management" – Elucidate.

3. Explain the principles of organisation.

4. What is span of control? What are the factors determining the span of management?

5. Explain the needs theory of motivation.

6. Discuss the various types of leadership styles.

7. What is co-ordination? Why it is necessary for an organisation?

8. Explain the terms : BPR, TQM and Bench Marking.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the functions of management.

10. What is Planning? Explain the components of planning.

11. Discuss the various kinds of organisation.

12. Explain the steps involved in the selection process.

13. What are the barriers to effective communication? How to overcome it?

14. "Planning is looking ahead, controlling is looking back" – Explain.

15. Discuss the recent trends and new perspectives in management.

M.B.A. (PM) DEGREE EXAMINATION, DECEMBER 2014.

First Semester

ORGANISATIONAL BEHAVIOUR

(Upto 2012-13 Academic Year and 2013 Calender Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define OB. Discuss the importance of OB.

2. Explain the various factors that affect perception.

3. How personality relate to organisational behaviour?

4. "A leader is developed and not born" – Explain this statement.

5. What is job stress? What are its consequences?

6. Explain the process of communication.

7. Discuss the functions performed by organisational culture.

8. What is OD? How is it undertaken by organisations?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the various models of OB.

10. What is an attitude? Do you think it is possible to change attitudes? If yes, how can attitudes be changed?

11. Explain the barriers to effective communication.

12. What are the symbols of power and symptoms of powerlessness?

13. Discuss the qualities of a good leader.

14. How is organizational culture created and sustained?

15. Discuss in detail the reasons for resistance to change.

First Semester

MANAGERIAL ECONOMICS

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define Managerial Economics. Discuss its scope.

2. What are the factors that determine the demand for a commodity?

3. Define cost. What are the cost concepts?

4. Discuss the short run cost – output relationship.

5. Explain the features and disadvantages of monopoly.

6. Explain the concept of BEP with a Break Even Chart.

7. Discuss the disastrous consequences of inflation on the economic system.

8. "Profit maximisation is the role objective of a business" – Explain.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the functions of Managerial Economist.

10. Discuss the types of economies of scale.

11. What is cost control? Explain the various tools of cost control.

12. What are the features of perfect competition? How price is determined under perfect competition?

13. Explain the theories of profit.

14. Discuss the various methods of measuring National Income.

15. Define inflation. What are the types of inflation? Also explain the ways to control inflation.

DE–567 **14**

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, DECEMBER 2014.

First Semester

QUANTITATIVE METHODS

(Upto 2012 – 2013 Academic year and 2012 Calendar year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Write a note on Marginal cost in decision making.

2. What is meant by trade-off? How is it used in decision making?

3. Discuss about the concept of Duality and its uses.

4. Explain optimization. How is it applied in business?

5. List the types of linear programming and their applications.

6. Find the initial basic feasible solution for the following transportation problem by Vogel's approximation method.

		Sales Depot (Distance)			
		P	Q	R	Capacity
Plant	A	8	5	6	120
	B	15	10	12	80
	C	3	9	10	80
Demand		150	70	60	

7. A bag contains 15 red colored balls numbered 1 to 15 and 15 yellow colored balls numbered 1 to 15. Two balls are drawn at random. Find the probability that the total of the numbers printed on the ball will be a multiple of

   (a) 3 or 5

   (b) 2 or 7.

8. Solve the problem of assigning five jobs to five persons. The assignment costs are given as follows :

	Jobs				
Person	Q	R	S	T	Y
A	8	4	2	6	1
B	0	9	5	5	4
C	3	8	9	2	6
D	4	3	1	0	3
E	9	5	8	9	5

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What do you mean by Break-even analysis? Discuss the importance of break-even analysis for decision making.

10. The manager of a chemical plant must decide on the optimum mix of 2 possible blending processes of which the inputs and outputs production run are as follows :

	Input		Output	
Process	Chemical A	Chemical B	Solvent X	Solvent Y
1	6	4	6	9
2	5	6	5	5

The maximum amounts available of chemical A and B are 250 and 200 units respectively. Market demand shows that atleast 150 units of solvent X and 130 units of solvent Y must be produced. The profits per production run from process 1 and 2 are Rs. 4 and Rs. 5 respectively. Formulate the problem for maximising the profit.

11. Find the optimum solution to the linear programming problem using graphical method.

Maximize $z = x_1 - 2x_2$

Subject to the constraints

$$4x_1 + 2x_2 \leq 15$$
$$x_1, x_2 \geq 0 \quad \text{and are integers.}$$

12. Consider the following linear programming problem and solve using simplex method to maximize $z = 3x_1 - x_2$

Subject to the constraints
$$2x_1 + x_2 \geq 2,$$
$$x_1 + 3x_2 \leq 2,$$
$$x_2 \leq 4,$$
$$x_1 \text{ and } x_2 \geq 0.$$

13. Using Vogel's approximation method, obtain an initial basic feasible solution of the following transportation problem :

	D	E	F	G	Available
A	11	13	17	14	250
B	16	18	14	10	300
C	21	24	13	10	400
Demand	200	225	275	250	

14. (a) What are pay-off and loss tables? Explain the concepts of expected value from pay-off and perfect formation and how these concepts can be used for decision making.

(b) Explain Mini-max, Maxi-max, Minimising Maximal Regret criteria and their applications.

15. Write the dual problem for

Maximize $z = 2x_1 + 2x_2$

Subject to
$$\begin{aligned} 2x_1 + 4x_2 &\geq 1 \\ x_1 + 2x_2 &\geq 1 \\ 2x_1 + x_2 &\geq 1 \\ x_1 &\geq 0 \\ x_2 &\geq 0 \end{aligned}$$

Explain how duality principle is useful in reality.

DECEMBER 2014.

First Semester

BUSINESS LAWS

(Upto 2012-13 academic year and 2013 calendar year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the different types of contract.

2. Discuss the legal rules relating to acceptance.

3. What are the duties of bailor and bailee?

4. Define the term contract of sale. State the essentials of a valid contract of sale.

5. Explain the difference between a contract of sale and an agreement to sell.

6. What is Material alteration? Give examples and what are its effects?

7. Define contract of life insurance. State the important types of life insurance policies.

8. Explain the essentials of a valid meeting.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. "All contracts are agreements but all agreements are not contracts" – Comment.

10. Discuss the various modes by which a contract may be discharged.

11. Define the term condition. Explain and illustrate the implied conditions in a contract of sale. Also explain the difference between a condition and warranty.

12. Discuss the different modes of dissolution of a firm.

13. Define negotiable instrument. What are the differences between a cheque and bill of exchange?

14. What are the essentials of a valid marine policy? Also explain the types of marine policies.

15. Define Company. Discuss the different kinds of Companies.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(Upto 2012-13 Academic Year and 2013 Calender Year)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What do you mean by accounting? Explain the principles of accounting.

2. Explain the international accounting standards.

3. What are the types of subsidiary books?

4. Distinguish between journal and ledger. What are all the methods of writing an account?

5. What do you mean by trend analysis? Explain the merits and demerits of trend analysis.

6. Explain the factors affecting efficiency of ratios.

7. What are the limitations of fund flow statement?

8. What is the term budgeting? Mention the types of budgets.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What do you mean by ratio analysis? Explain its merits and demerits.

10. What do you mean by errors? Explain the types of errors. Explain the rectification of errors.

11. From the following Balance sheets of XYZ Co Ltd, you are required to prepare fund flow statement including a schedule of changes in working capital for the year ended 31.12.2002.

Liabilities	31.12.01	31.12.02	Assets	31.12.01	31.12.02
Share capital	70,000	74,000	Cash	9,000	7,800
Debentures	12,000	6,000	Debtors	14,900	17,700
Reserve for			Stock	49,200	42,700
doubtful debts	700	800	Land	20,000	30,000
Trade creditors	10,360	11,840	Goodwill	10,000	5,000
P & L a/c	10,040	10,560			
	1,03,100	1,03,200		1,03,100	1,03,200

(a) Dividend paid Rs. 3,500

(b) During the year land was purchased for Rs. 10,000.

12. Explain the methods of analysing the financial statements.

13. A company proposes to replace its old and obsolete machine two models of machines are available as under.

(a) Automatic machine involving an initial capital out lay of Rs. 5,00,000. The annual operating cost of this model is Rs. 1,50,000. Salvage value at the end of its life of 5 years is Rs. 20,000.

(b) Semi-automatic machine involving capital cost of Rs. 3,00,000. The annual operating cost is Rs. 2,10,000 salvage value at the end of its life of 5 years is Rs. 10,000.

The company's cost of capital is 14% which alternative is to be preferred? Ignore tax.

14. Below in the trial balance as at December 31, 2004.

Debit balances	Rs.	Credit balance	Rs.
Arumugam current a/c	1,500	Capital account	50,000
Adjusted purchases	6,99,200	Loan from K @ 9%	
Salaries	4,200	(taken on 1.1.04)	20,000
Carriage on purchases	400	Sales	7,20,000
Carriage on sale	500	Discount	500
Lighting	300	Sundry creditors	20,000
Rates and insurance	400		
Building	27,000		
Furniture	6,000		
Sundry debtors	8,000		
Cash on hand	250		
Cash at bank	1,500		
Stock (31.12.04)	61,250		
	8,10,500		8,10,500

Prepare Trading P & L a/c and B/S as on 31.12.04.

Adjustments :

(a) Rates have been prepaid to the extent of Rs. 175.

(b) Bad debts totalling to Rs. 500 have to be written off.

(c) A provision for doubtful debts @ 5% on debtors is necessary.

(d) Building have to be depreciated at 2% and furniture at 10%.

The manager is entitled to a commission of 5% of net profit before charging such commission.

15. What do you mean by cash budget explain the merits and demerits of preparing cash budget?

BUSINESS ENVIRONMENT

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the importance of scanning the environment.

2. What is economic environment? What are the elements of economic environment?

3. Discuss the role of PSU's in India.

4. State the various types of unemployment.

5. Explain the need for foreign capital.

6. What is PDS? What are the problems of PDS?

7. Discuss the functions of commercial banks.

8. List out the objectives of Five Year Plans in India.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is Business Environment? What are the constituents of business environment?

10. Discuss the various causes of inflation.

11. Discuss the salient features of the New Industrial Policy.

12. Explain in detail the functions of Central Bank of our country.

13. Describe the role of SSI in India.

14. What are the objectives of fiscal policy? Also explain the role of fiscal policy in a developing economy.

15. What is Globalisation? Discuss its impact on business.

ENTREPRENEURSHIP DEVELOPMENT

(Upto 2012-13 Academic year and 2013 Calendar year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Who is an entrepreneur? What are the functions of an entrepreneur?

2. Discuss the sources of generating new ideas.

3. State the different phases in the development of entrepreneurship.

4. "Entrepreneurship is a process of giving birth to an enterprise"– discuss.

5. Define EDP. What are the needs of conducting EDP?

6. Explain the socio-cultural factors influencing the entrepreneurial environment.

7. What are the differences between entrepreneurship and intrapreneurship?

8. Discuss about IRDP.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. "Entrepreneurs are made, not born" – Comment.

10. Discuss the factors influencing the development of entrepreneurship.

11. Explain the different types of training for entrepreneurship development.

12. Discuss the problems faced by entrepreneurs during various stages of the venture.

13. Explain the status of women entrepreneurs in India and also the problems faced by them.

14. Narrate the history of any one successful entrepreneur in India.

15. Explain the role of NGO's in developing rural entrepreneurship.

PROJECT FORMULATION AND APPRAISAL

(Upto 2012-13 Academic Year and 2013 Calender Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Describe the objectives of a project.
2. Discuss on uses of projects in social welfare sector.
3. What is a BOO type of project?
4. How is the concept of Sensitivity analysis used in project appraisal?
5. What are the important points to be kept in mind while selecting the project?
6. What do you mean by social cost?
7. Explain the concept of social cost benefit analysis.
8. What is project report?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the various components of project management.
10. Enumerate the stages involved in project formulation.
11. Describe the break even point analysis.

12. Discuss the role of project management in nation building with examples.

13. Discuss the methods of project evaluation for the small scale industries.

14. How are projects classified? Discuss.

15. What are the key elements of a project report? Explain the elements and their importance.

PROJECT SUPPORT SYSTEM

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is the role of district industries centres for the growth and development of small scale units?

2. How does the marketing intelligence support the projects of the manufacturing concern?

3. Explain the functions of commodity Boards.

4. What is process designing?

5. How does the IFC help business entities?

6. Explain the features of venture capital.

7. Write a note on the need for management training for projects.

8. Explain the functions of India Investment Centre.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the chief components of project support facilities.

10. Elaborate on the Institutional support for small business in Tamilnadu.

11. Explain the need and methods of entrepreneurial training.

12. Explain the working of State Finance Corporation relating to Project Finance.

13. What are the financial requirements of small enterprises?

14. Elaborate about the role of Science and Technology Entrepreneurship Parks in our country.

15. Substantiate the importance of Entrepreneurship Development Institute in assisting projects.

PROJECT PLANNING AND EXECUTION

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define Project Planning.
2. Describe the project management objectives.
3. Describe the systems approach to project management.
4. Explain value engineering.
5. Explain the need for time monitoring.
6. Explain the matrix structure of project organisation.
7. Explain the importance of project cash flow.
8. What is the need for project financial review?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the importance of planning of the project parameters such as quality, time and cost.
10. Describe the functional organization and its merits and demerits.

11. Describe the project implementation activities relating to plant design and layout and process design.

12. Explain the different factors influencing the time and cost of projects.

13. Give short note on :

    (a) Work break down structure

    (b) Project dairy.

14. Discuss the various performance indicators of a project.

15. Explain the various components of project reviews.

PROJECT RISK MANAGEMENT

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Differentiate risk and uncertainity.

2. How do you estimate cost of risk?

3. Explain the need for 'event analysis'.

4. Describe the significance of contracts to manage risk.

5. What are the civil liabilities of Business Houses?

6. What is bankruptcy?

7. Describe the need for risk retention.

8. Discuss significance of risk adjusted capital budgeting.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the contributions of risk management to business, society and family.

10. "Every business has its own size of risk" – Discuss.

11. Elucidate the classification of risk.

12. Explain the various methods of Project risk transfer and their uses.

13. Elaborate on :

    (a) Liability loss

    (b) Potential loss.

14. How will you go about measuring risk?

15. Explain the following :

    (a) Worry method

    (b) Expected loss method.

PROJECT FINANCE

(Upto 2012-13 Academic Year & 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. State the objectives of Financial Institutions.

2. What do you mean by capital gearing?

3. Explain the significance of Venture capital.

4. Discuss the objectives of financial statement analysis.

5. What is debt service coverage ratio? How is it important for project financing?

6. Describe the merits and demerits of leasing?

7. Write a note on — (a) Economies of scale, (b) ROI.

8. Explain steps to improve the recovery of sick units.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is IDBI? Explain its project Financing Scheme.

10. How will you evaluate the appropriateness of technology before sanctioning project finance?

11. Explain the various means of project financing.

12. How will you make an appraisal of managerial aspects?

13. Elaborate on :

    (a) Public issues

    (b) Debentures

    (c) GDRs.

14. What are the innovative financial instruments in capital market?

15. List out and explain the steps to improve recovery of project finance.

PROJECT CONTRACTING AND CLEARANCES

(Upto 2012–13 Academic year and 2013 calender year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What should be the contents of a project contract?

2. State the principles of project contracting process

3. State the parameters of effective negotiation.

4. What are the delivery terms of contracts?

5. State the importance of Letter of indent.

6. Describe the merits and demerits of CAR policy.

7. Write a note on – (a) Competition Act, (b) Forex Act.

8. Explain steps to improve the safety aspects of contract labour.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the principles of project contracts with appropriate examples.

10. Outline briefly the legal aspects of project management

11. What is bidding? Discuss the stages of bid-evaluation process.

12. "Knowledge of Legalities–A must in project management" –Analyse.

13. Discuss about the pre-negotiation home work strategy and tactics.

14. Explain the process of arbitration.

15. Write short notes on :

    (a) Letter of Indent.

    (b) Industrial license.

    (c) Foreign exchange clearance.

    (d) Electricity clearance

    (e) Railway clearance.

E-COMMERCE APPLICATION IN PROJECT MANAGEMENT

(Upto 2012-13 Academic Year and 2013 Calendar Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the concept of convergence with respect to e-commerce.

2. Describe briefly the Consumer perspective Mercantile process models.

3. What are the security issues in e-payment systems?

4. State the benefits of internet based EDI

5. What are the advantages of E-Advertising?

6. Point out legal security and privacy issues in EDI applications.

7. Write a note on use of MIME network for e-commerce.

8. Explain “Consumer-data interface”.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Briefly discuss the framework of electronic commerce.

10. Explain the need for Multimedia content for E-commerce applications.

11. Explain the different mercantile process model from the view point of Merchants and the required transactions.

12. What is EDI? How does it build up relationship between organisations?

13. "The advantages of e-commerce out weigh the risks involved" – Discuss.

14. Explain information based marketing.

15. Describe about Information filtering.

PROJECT EXPORTS

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the scope and significance of project exports.
2. Bring out the problems faced by project exports in the global environment.
3. What are Turnkey projects? Explain.
4. Explain the role of EXIM bank for project exports.
5. Bring out the details of background of consultancy contract in India.
6. Explain the export promotional measures and their objectives.
7. Explain the significance of pricing for projects.
8. Explain the salient features of project appraisal for exports.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Examine the economic environment of business between nations and their implications.
10. Explain the determinants of market selection for projects.

11. Explain the analysis of project exports based on the Activity – Wise and exporter – Wise analysis.

12. Explain the role and functions of ECGC for project exports.

13. Discuss the Institutional support provided for project exports in India.

14. Bring out the details of promotional activities for exporting projects.

15. Describe the various incentives and subsidies available to project exporters in India.

DISASTER MANAGEMENT

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define disaster. State the need of disaster management.
2. Distinguish between natural and manmade disaster.
3. What is poisoning? Explain the different types of poisoning.
4. What are the disaster preparedness needed in events Management.
5. Write a note on: (a) Plague, (b) Jaundice.
6. Discuss the role of health sector in Disaster Management.
7. Discuss the role of NGOs in disaster preparedness.
8. What is addiction? List the agencies who can help for this purpose.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is Disaster Management? Describe its types.
10. Describe various types of hazards and impacts associated with earthquakes end highlight the lessons learnt in our country.

11. Summarise the causes and effects of fire accidents.

12. Explain the need of organising medical camps and prepare for any disaster when camp is in progress.

13. Explain the role of Internet and Satellite communication system in Disaster Management.

14. Explain about the guidelines for construction of Shelters for protection from Natural Disasters.

15. Discuss the role of community and government agencies in disaster management.
