ABOUT THE CONFERENCE

Advancements in research activities on Textile and Electrochemical sciences attain greater momentum and reached hallmark in the area of scientific developments. Textile industries are doing well and their export is in second position next to the IT field. Electrochemistry is a challenging as well as fascinating branch of Chemistry which is finding applications in almost all areas of Science and Technology. It is important for the researchers, educators and developers from academic institution and industries to know the research and recent developments that have been made on various aspects of Textile and Electrochemical Sciences.

The Department of Industrial Chemistry, Alagappa University, Karaikudi is organizing a National conference on **Recent Advances in Textile and Electrochemical Sciences-2012 (RATES-2012)** to bring together. National experts from various academics, research institutions and industries on a common platform. The technical sessions of the conference consists of invited lectures by eminent speakers and oral presentation by researchers.

ABOUT THE UNIVERSITY

Alagappa University has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist **Dr. RM. Alagappa Chettiar**. This university is reaccredited by **NAAC with "A" Grade**. The 440 acre green and lush campus with all academic activities is having international collaborations. The post-graduate Departments and Centers in Science and Humanities in the University and other collaborative agencies offer quality education through regular and distance modes catering to the needs of around one lakh students. The Universitiy's motto is **"Excellence in Action"** and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENT

The Department of Industrial Chemistry was established in 1985. It is offering M.Sc Chemistry (specialization in Textile Chemistry and Electrochemistry), M.Sc Chemistry, M.Phil and Ph.D in Chemistry. Research activities are in the fields of Electrochemistry, Materials Chemistry, Polymer Chemistry, Textile Chemistry, Supramolecular Chemistry, Green Chemistry and Solar cell applications. This Department has received funds to a tune of Rs. 7.31 crores for research projects from UGC, ICAR, AICTE, DST, CSIR, DRDO, DRDL, TNSCST & DCI, etc. This Department has also been recognized by UGC for Special Assistance Program (SAP) and by DST for FIST program. More than 1360 research papers have been published in International/National journals and presented in various conferences. The Department has more than 16 patents to its credit. The Department has conducted many refresher courses, two UGC innovative courses and National level conferences/workshops etc. The Department has undertaken many consultancy services to various industries.

SPECIAL THEME OF WORLD WATER DAY-2012

The World is exposed to a progressive and critical increase in water scarcity including climate change impacts. The seminar provided key messages and promising solutions to form the basis of the campaign for the World Water Day 2012, intended to draw the international attention on the relationships between water & food security.

THRUST AREAS OF THE CONFERENCE

Contributory papers in the following areas are invited:

- Electrochemistry
- Textile Chemistry
- Water Chemistry
- Solar Cell Applications
- Polymer Chemistry
- Photo Chemistry
- Computational Chemistry
- Supramolecular Chemistry
- Materials Chemistry
- Green Chemistry
- Catalysis
- Nano Chemistry
- Environmental Chemistry

CALL FOR ABSTRACTS

Original research papers on the above areas are invited for presentation in the Conference. Contributors are requested to submit two copies of the abstract not exceeding 300 words typed on A4 size paper with two line spacing and 12-font size in Times New Roman. It should contain the title, name and address of the authors with email id (author presenting the paper to be underlined). The abstract may also be sent to the convener as MS word 2003 (.doc) file by e-mail/CD with a hard copy by post.

REGISTRATION

The participants are requested to send the filled in registration form to the convener along with Registration fee by DD drawn (any nationalised bank) in favour of **"The Convener RATES-2012"** payable at Karaikudi. Spot registration will not be entertained. The registration fee for various categories is given below:

Delegates from Industry	: Rs.750
Delegates from R&D and Academic Institutions	: Rs.500
Research Scholars / Student Delegates	: Rs.300

Fee includes admission to all the technical sessions, conference lunches and the conference kit.

VENUE

Seminar Hall, Department of Industrial Chemistry,
Alagappa University, Karaikudi-3.

ACCOMMODATION

Accommodation will be provided for the registered participants in University hostel on request with payment basis.

DEADLINES

Submission of Abstract	: March, 12, 2012
Intimation of Acceptance	: March, 14, 2012
Registration Fee	: March, 17, 2012
