ALAGAPPA UNIVERSITY
(Reaccredited with 'A' Grade by NAAC)
KARAIKUDI – 630 003

Date : 05-12-2016

National Institute of Pharmaceutical Education and Research (NIPER), Kolkata, signed a Memorandum of Understanding (MoU) with Alagappa University, Karaikudi, in the presence of Prof. S. Subbiah, Vice-Chancellor, Alagappa University and Dr. V. Ravichandran, Director, NIPER-Kolkatta.

The main objective of this MoU is to establish collaboration for research and academic exchange in "Global Healthcare Research". The collaboration between the Department of Biotechnology, Alagappa University and NIPER Kolkata will initially concentrate on research activities in the area of active principle testing using model system, C. elegans available at this Department. NIPER, an autonomous body set up under the aegis of Department of Pharmaceuticals, Government of India, is known for promoting academic excellence and research in the areas of pharmaceuticals and consumer healthcare products for the past few years. In order to meet out the future expectations of Biotech based pharmaceutical industries, this MoU will provide a platform for getting collaborative research projects from the funding agencies.

This agreement is expected to promote joint research activities within the fields of interest, like testing of novel active pharmaceutical ingredient in animal models and pharmaceutical studies in microplatforms, concept for Bio mimetic assay development and characterization. Through this agreement, both the institutions can host students and staff of the other institutions as part of jointly laid out academic and / or research collaboration which could

lead to joint publications in leading International Journals. This association with NIPER will ensure Alagappa University reaching its goal of achieving excellence in the modern and emerging fields such as personalized medicine.

Prof. V. Balachandran, Registrar i/c. and Professors from the Department of Biotechnology, Dr. S. Karutha Pandian and Dr. Balamurugan were also present when the MoU was singed.
