ALAGAPPA UNIVERSITY

(Accredited with A+ Grade by NAAC (CGPA: 3.64) in the Third Cycle)
&
Graded as Category-I University by MHRD-UGC)
Karaikudi

Date: .28.06.2018

A Japanese delegation consisting of Dr. ChisatoUshida, Dr. Kimitoshi Sakamoto and Dr Takahiro Sato from Faculty of Agriculture & Life Science of Hirosaki University, Japan visited Alagappa University, Karaikudi on 27th June 2018 for initiating scientific collaborations and exchanges.

The delegation had intense discussion with the Vice Chancellor of Alagappa University Prof. N. Rajendran and the Faculty Members from the Faculties of Science & Arts. The meeting culminated in the signing of MoUs between Alagappa University Faculties of Science & Arts and Hirosaki University's Faculty of Agriculture & Life Science. The MoUs which will be effective for three years will pave the way for undertaking collaborative research projects and applying for Indo-Japanese joint

research grants from JSPS in Japan and DST/DBT from India in addition to the exchange of teachers and students between Alagappa University and Hirosaki University. Further, the Faculty Members from the Department of Biotechnology have been invited by the Japanese delegation for a Workshop to be held at Hirosaki in the first week of August 2018. Alagappa University's Registrar Prof. H. GurumalleshPrabu, Science Dean Prof. G. ParuthimalKalaignan, Special Officer Prof. V. Balachandran, Director of the Centre for International Relations Prof. C. Sekar, Prof. K. Balamurugan and Prof. S. KaruthaPandian from the Department of Biotechnology and Syndicate Member Prof. A. Narayanamoorthy were also present during the discussions. The delegation will be visiting various Departments and Centres at Alagappa University during their stay here.
