INVITATION

Greetings from Alagappa Universitiy. We have great pleasure to inform that the Department of Mathematics and Ramanujan Centre for Higher Mathematics (RCHM), Alagappa University, Karaikudi is organizing a two-day National Conference on "Pure and Applied Mathematics" to be held during 30th and 31st March 2016.

We cordially invite the faculty members and research scholars of your esteemed institution to participate in this National Conference.

ABOUT THE UNIVERSITY

Alagappa University was brought into existence by a Special Act in May, 1985 by Government of Tamil Nadu with the objective of fostering research and dissemination of knowledge in various branches of learning. The University has emerged from the galaxy of institutions initially founded at Karaikudi by the munificent and multifaceted personality(late) Padhmabhushan Dr. RM. Alagappa Chettiar. It has a vast campus of over 430 acres. It is recognized by the University Grants Commission under section 2(f) and 12 B of UGC Act. It is a member of Association of Indian Universities as well as a member of the Association of Commonwealth Universities. It has as its motto "Excellence in Action" and keeps before it the vision of excellence in all spheres of education. The NAAC has re-accredited the University with 'A' Grade in 2011. Based on the scientific research publications (h index 45 rank at All India Level.) Alagappa University has been recognized by DST, Government of India, for promotion of University Research for Scientific Excellence (PURSE). Alagappa University University has 10 schools comprising 28 Departments, **6** Centres and 2 Constituent Colleges. It has 35 Affiliated Colleges and 1 Autonomous College situated in the districts of Sivaganga and Ramanathapuram. Alagappa University College of Arts and Science is also functioning at Paramakudi as a Constituent College.

ABOUT THE DEPARMENT

The Department of Mathematics is one of the departments functioning from the inception of Alagappa University. The Department offers programmes of study and research leading to M.Sc., M.Phil. and Ph.D. degrees. Recently, the department has received the Special Assistance Programme (SAP) status from UGC for its contribution in research. The department conducts various research activities in the areas of *Algebra, Analysis, Topology, Lattice Theory, Differential Equations, Stochastic Process, Neural Networks, Graph Theory, Fuzzy Mathematics and its Applications*.

ABOUT THE RCHM

The Ramanujan Centre for Higher Mathematics has been established in 2006. The centre is organizing seminars, ATMS and workshops regularly.

OBJECTIVE OF THE CONFERENCE

The main aim of the conference is to provide an interactive forum to discuss the major developments in Pure and Applied Mathematics. It focuses on current and emerging trends and practices in the field of pure and applied mathematics and bridges the gap between theoretical and practical implementation.

Invited Speakers

Dr. G.Suresh Singh, University of Kerala, Kerala.
Dr. R. Udhayakumar, GRI, Gandhigram.
Dr. G. Ganesan, Adikavi Nannaya University, Andrapradesh.
Dr.D. Arivudainambi, Anna University, Chennai.

CALL FOR PAPERS

Original and unpublished works on all areas of pure and applied mathematics are invited for presentation in the conference. The full paper should reach the Organizing Secretary on or before 18.03.2016, through e-mail : vimaljncpam2016@gmail.com. Selected papers will be published in the **Journal of Applied Mathematical Sciences (JAMS).**
