DISTANCE EDUCATION

M.B.A.(PM) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGEMENT CONCEPTS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the concept of scientific management developed by FW. Taylor.

2. Discuss the process followed for formulating a policy.

3. What factors should be considered for successfully implementing strategies.

4. Describe the objectives and steps in organization.

5. Explain the concept of staffing and describe the systems approach to it.

6. Describe the principal leadership styles usually adopted in management of business.

7. Explain various steps required in controlling process.

8. Write a detailed note on strategic alliances.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Management process is considered to consist of certain functions. Explain the various functions in a logical order.

10. Why planning is essential in business? How can it be made effective?

11. What is meant by Management by Objectives? Discuss the features and process of MBO.

12. Discuss various types of delegation of authority. What are the prerequisites for delegation?

13. What is motivation? Describe the nature and types of motivation.

14. How can coordination be used as an instrument of effective management? Discuss various techniques for achieving effective coordination.

15. Discuss recent trends and new perspectives in management.

DE–6262 **12**

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

First Semester

ORGANISATIONAL BEHAVIOUR

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define OB. What are the contributing disciplines to OB?

2. What are the foundation factors that determine human behaviour in an organisation?

3. Discuss the various factors that affect perception.

4. What is meant by incentives? Explain the types of financial and non–financial incentives.

5. What are the elements of communication process? Also explain the importance of communication.

6. How are managers different from leaders? Do you think good leaders should be good mangers, too?

7. What is the meaning of organisational culture? Why culture is important?

8. What is ODI? Discuss any three methods of ODI.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the various models of OB.

10. What is personality? Explain the various factors which affect personality development of an individual.

11. State the qualities of a good leader.

12. What is Job stress? How to manage or cope with stress?

13. What do you mean by organisational politics? What are the measures to avoid organisational politics?

14. Why change is necessary? What techniques would you use in over coming the resistance to change?

15. Define communication. What are the problems in communication?

First Semester

MANAGERIAL ECONOMICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is Managerial Economics? Explain its significance in business decision making.

2. Discuss the factors that determine the demand for a commodity.

3. Explain the pros and cons of large scale production.

4. What is meant by price discrimination? What are its objectives?

5. Explain the concept of CVP analysis.

6. What is profit forecasting? What are the different approaches to profit forecasting?

7. What is National Income? Discuss the methods of measuring National Income.

8. Define Inflation. What are the disastrous consequences of it on the economic system?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the functions of Managerial Economist.

10. What is Law of Demand? Why demand curve slope downwards?

11. Define cost. What are the cost concepts?

12. Explain the short run cost-output relationship.

13. "Profit maximisation is the sole objective of a business firm" – Elucidate.

14. What are the difficulties in calculating National Income?

15. What is Business Cycle? What are its different phases?

DE–6264 **14**

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

First Semester

QUANTITATIVE METHODS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define model. Discuss the steps of modelling.

2. What is Operation Research? Discuss its application in decision making.

3. Explain the concept of Break-Even analysis and its uses.

4. Find the initial basic feasible solution of the following transportation problem by VAM.

		Warehouses				
		W_1	W_2	W_3	W_4	Capacity
	F_1	10	30	50	10	7
Factory	F_2	70	30	40	60	9
	F_3	40	8	70	20	18
Requirement		5	8	7	14	34

5. From a bag containing 10 black and 20 white balls, a ball is drawn at a random. What is the probability that it is the black ball?

6. What is conditional probability? Explain with proof.

7. From the following data, calculate contribution, profit, P/V ratio and BEP :

   Total fixed cost Rs. 18,000, Total variable cost Rs. 30,000, Total sales Rs. 60,000.

8. What is a decision tree? Illustrate with an example.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the different types of functions. Illustrate with graphs.

10. Solve the following Linear Programming Problem using Graphical method :

    Maximize $Z = 6X_1 + 8X_2$

    Subject to : $5X_1 + 10X_2 \leq 60$

    $4X_1 + 4X_2 \leq 40$

    X_1 and $X_2 \geq 0$.

11. Solve the following Linear Programming Problem using Simplex method :

    Maximize $Z = 3X_1 + 2X_2 + 5X_3$

    Subject to : $X_1 + X_2 + X_3 \leq 9$

    $2X_1 + 3X_2 + 5X_3 \leq 30$

    $2X_1 - X_2 - X_3 \leq 8$

    X_1, X_2 and $X_3 \geq 0$.

12. Determine an initial basic feasible solution to the following transportation problem using North West Corner Rule method :

		To					
		1	2	3	4	5	Availability
	1	3	4	6	8	9	20
	2	2	10	1	5	8	30
From	3	7	11	20	40	3	15
	4	2	1	9	14	16	13
Demand		40	6	8	18	6	

13. Define simulation and its types. Also discuss the steps of stimulation.

14. Find the optimal solution for the assignment problem with the following cost matrix :

		Area			
		P	*Q*	*R*	*S*
	A	11	17	8	16
Salesman	*B*	9	7	12	6
	C	13	16	15	12
	D	14	10	12	11

15. The following table shows potential profits and losses expected to arise from launching various products in three market conditions :

	Market condition		
Product	Boom condition	Steady condition	Recession
A	16	2	–20
B	–4	12	24
C	16	0	–26

Find the best decision rule under :

(a) Maximax criterion.

(b) Maximin criterion.

(c) Minimax criterion.

(d) Laplace criterion.

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

First Semester

BUSINESS LAWS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are the essentials of a Valid Contract?

2. Explain the legal rules relating to offer.

3. What is meant by discharge of contract? What are the different methods of discharging contract?

4. Discuss the duties of bailor and bailee.

5. What are the differences between a sale and an agreement to sell?

6. What is a complaint? How to file a complaint under the Consumer Protection Act?

7. Explain the principles of Contract of Insurance.

8. What is a Company? Discuss the essential characteristics of a Company.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the different types of Contract.

10. What are the rights of an unpaid seller?

11. What are the circumstances under which a cheque may be dishonoured?

12. Discuss the rights and duties of a partner.

13. What are the contents of a marine insurance policy? Also discuss the kinds of marine policies.

14. What is meant by incorporation of a Company? Explain the procedure for registration.

15. What are the essentials of a valid meeting?

DE–6266 **21**

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(2005 Onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)
Answer any FIVE questions.

1. Define Accounting. State the objectives of Accounting.

2. How do you classify Accounting Concepts?

3. Explain the different types of Financial Analysis.

4. Enumerate the various Sources and Applications of Funds.

5. What is a Cash Flow Statement? What are its uses?

6. What is Pay back Period method? What are its Limitations?

7. State the importance of Capital Budgeting.

8. What are the essentials of a Good Budgetary System?

SECTION B — (4 × 15 = 60 marks)
Answer any FOUR questions.

9. Distinguish between Management Accounting and Financial Accounting.

10. Explain the important methods of Ranking Investment Proposals.

11. Distinguish between Fund Flow and Cash Flow Statements.

12.

Product	Sales (in units)	Stock (1.7.1989)	Stock 1.7.1990)
A	1,50,000	14,000	15,000
B	1,00,000	5,000	4,500
C	70,000	8,000	8,000
D	52,000	2,000	4,000
E	2,000	1,000	2,000

Prepare production budget.

13. Calculate Funds from Operations from the following:

Particulars	Rs.	Particulars	Rs.
To Administrative expenses	25,000	By Gross profit	2,15,000
To Selling expenses	16,000	By Interest on investments	5,000
To Depreciation	26,000	By Profit on sale of machinery	4,000
To Loss on sale of building	6,000		
To Goodwill written off	5,000		
To Preliminary Expenses	2,000		
To Net profit	1,44,000		
	2,24,000		2,24,000

14. Following is the Profit and Loss Account of a company for the year ending 31.12.1997.

Particulars	Rs.	Particulars	Rs.
To Opening Stock	1,00,000	By Sales	5,60,000
To Purchases	3,50,000	By Closing Stock	1,00,000
To Wages	9,000		
To Gross Profit c/d	2,01,000		
Total	6,60,000	Total	6,60,000
To Administrative Expenses	20,000	By Gross Profit b/d	2,01,000
To Selling & Distribution Expenses	89,000	By Interest from outside business	10,000
To Non-operating Expenses	30,000	By Profit on sale of Investments	8,000
To Net Profit	80,000		
Total	2,19,000	Total	2,19,000

Calculate:

(a) Gross Profit Ratio

(b) Net Profit Ratio

(c) Operating Ratio.

15. Prepare a Trial Balance from the following as on 31st March 2005.

Particulars	Rs	Particulars	Rs
Capital	52,000	Printing & Stationery	240
Sales	1,01,200	Sundry Debtors	31,000
Purchases Return	1,900	Purchases	72,000
Opening Stock	22,000	Rent	560
Furniture & Fittings	5,500	Carriage Inwards	390
Sundry Creditors	6,000	Bad Debts	160
Investments	16,700	Postage & Telegram	210
Salaries	1,800	Travelling Expenses	770
Wages	1,300	Cash at Bank	3,270
Sales return	5,200

BUSINESS ENVIRONMENT

(2005 Onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define the concept of Business Environment.

2. What is Economic Environment of Business?

3. What are the elements of Culture?

4. Discuss the role of Political Economy in our Country.

5. What are the objectives of New Industrial Policy 1991?

6. What facilities are available for the promotion of SSI?

7. What do you mean by Technology Transfer? State its Limitations.

8. How do social and cultural factors impact business?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What do you mean by Environmental Scanning? Explain its approaches.

10. Discuss the main features of Industrial Policy Resolution 1956.

11. Describe the reforms of Industrial Policy, 1991.

12. Explain the role of Money Market and the Capital Market in India.

13. Explain the impact of LPG on Indian business.

14. Explain the objectives of Industrial Licensing Policy.

15. India's Five year Plan helps us to improve each and every activities -Discuss.

ENTREPRENEURSHIP DEVELOPMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the importance of entrepreneurial environment.
2. What are the sources of innovation?
3. Explain the different phases in the development of entrepreneurship.
4. Discuss the types of entrepreneurial development training.
5. What is meant by intrapreneur? How is an intrapreneur different from an entrepreneur?
6. Discuss the salient features of successful entrepreneurs.
7. Discuss about a successful women entrepreneur.
8. Discuss the role of NGO's in developing rural entrepreneurship.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Who is an entrepreneur? Discuss the various types of entrepreneurs.
10. Discuss the impact of economic and cultural factors on entrepreneurial development.

11. What are the functions performed by entrepreneurs?

12. What is seed capital assistance? What are the other subsidies available to entrepreneurs in SSI sector?

13. Discuss the various tax benefits available to small-scale enterprises in our country.

14. What are the special programmes for promotion of MSE's in India?

15. What is meant by women entrepreneur? What are the problems faced by women entrepreneurs?

PROJECT FORMULATION AND APPRAISAL

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. State the need in the globalization era.

2. Define the term Turkey project and its significance.

3. What do you understand by project identification?

4. How is a project formulated? Give an overview.

5. Explain Technical and Organizational aspects.

6. What do you understand by the term Market appraisal?

7. Define the term SCBA. Explain its importance.

8. What is the need for feasibility?

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Define the term project. Explain the various sectoral developments.

10. What are the approaches of privatization projects?

11. Explain the project identification for an existing company.

12. Enumerate the steps in project report preparation.

13. State the purpose and advantages of Political Stability.

14. Discuss the role and importance of the managerial aspects.

15. Briefly explain the contents of ideal project report.

PROJECT SUPPORT SYSTEM

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is the need for incentives in projects?

2. What is market "intelligence"?

3. Explain the term "Appropriate technology".

4. What is a leasing company?

5. What is environmental advisory support?

6. What is an NGO and how it helps Social Projects?

7. Explain Market Positioning.

8. Discuss the need for licensing and registration in projects.

PART B — (4× 15 = 60 marks)

Answer any FOUR questions.

9. Differentiate the role of State and Central government agencies in project completion.

10. What is the role of IDBI in projects?

11. Elaborate on the role of CSIR in the industrial project.

12. Describe the importance and functions of project and equipment corporation of India.

13. Elaborate on the steps in Setting Quality Standards in projects.

14. Describe the scope and importance of entrepreneurs development organisation in promoting projects.

15. Describe the role of SISI in projects.

PROJECT PLANNING AND EXECUTION

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the importance of Project policies.
2. What is a Project system?
3. What is a projectised organisation?
4. Explain cash flow.
5. Discuss factory design and Layout.
6. Discuss on project procedure Manual.
7. What is a project Time over run? Explain its impact.
8. Discuss project financial overview.

PART B — (4 × 15= 60 marks)

Answer any FOUR questions.

9. Elaborate on the major steps in project planning.
10. Differentiate functional and matrix organisation.
11. Elucidate on factors affecting project cost.
12. Elaborate on the project execution plan.

13. Discuss methods to control project over runs.

14. Elaborate on performance management in projects.

15. Discuss the scope and objective of project Audit.

DE–6272 **32**

DISTANCE EDUCATION

Third Semester

PROJECT CONTROL SYSTEM

(2005 Onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the significance of project decision making.

2. State the features of goal programming model.

3. Explain the uses of queuing models in decision making.

4. What do you mean by simulation analysis? Explain its significance.

5. How will you measure rights?

6. What are the merits and demerits of PERT?

7. What is breakeven chart? How is it prepared?

8. What are different uses of information in decision-making?

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss the different approaches of decision making.

10. Discuss the different methods of ranking multiple projects.

11. Explain how decision tree analysis is applied in project decision making.

12. Discuss the utility of capital asset pricing model

13. Examine critically the sensitivity analysis and simulation analysis.

14. Explain the uses of Network Analysis in decision making.

15. Discuss the significance of computers towards resource monitoring and control.

PROJECT RISK MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define Risk and uncertainty with illustrations.

2. Differentiate pure and speculative risks.

3. What is the scope of risk manager's duties?

4. How risks are measured using frequency and severity measures?

5. Explain the types of property loss exposures.

6. Explain the difference between loss control and loss transfer in Risk Retention.

7. Explain the importance of critical probability method as a risk management tool.

8. Enumerate the contributions Risk Management to business.

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Elaborate the Risk Management Process.

10. Enunciate different methods of eliminating the cost of risk.

11. Elaborate how different types of business are exposed to risks differently.

12. Elaborate any three methods of Risk identification in projects.

13. Explain in detail regarding civil liabilities of business houses.

14. What are the methods used risk retention – Elaborate?

15. Elaborate various Risk Management techniques to reduce risk exposures.

DE–6274 **34**

DISTANCE EDUCATION

Third Semester

PROJECT FINANCE

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40marks)

Answer any FIVE questions.

1. Explain the role of financial institutions in India.

2. Explain how capital gearing for project finance is done.

3. Explain the salient features of the following :

   (a) Commercial paper (CP)

   (b) Global Depository Receipts (GDR).

4. Explain how pre-sanction approval is done on managerial aspects of projects.

5. Compare and contrast equity shares and debentures as source of Project Finance.

6. Bring out the warning signals and causes of industrial sickness.

7. What is the importance of effluent disposal / treatment?

8. Bring out the factors determining the working capital requirement for projects.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the financial assistance given for projects by various financial institutions in India.

10. Elaborate various sources of project finance.

11. Elaborate on the pre-sanctions appraisal on the commercial aspects of projects.

12. Explain project appraisal in terms of economic analysis.

13. Discuss the various innovative financial instruments of capital market.

14. Discuss the importance and steps involved in project monitoring.

15. What is meant by Industrial sickness? Discuss the steps taken to recover from sickness.

Third Semester

PROJECT CONTRACTING AND CLEARANCES

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain offer and acceptance.
2. Briefly explain the 3R's of contracting.
3. Describe the objectives of negotiation.
4. Outline the contents of contract.
5. What are INCO terms? Explain.
6. Explain the term power of Attorney.
7. What is the purpose of taking insurance?
8. What is Letter of Indent? Explain.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the contracting process.

10. Explain delivery terms with examples.

11. Discuss the practical aspects of contract.

12. Elucidate on the principles of project contract.

13. Discuss the various approaches to set up export oriented units.

14. Differentiate EAR insurance and CAR policies.

15. Explain the process of global tendering and negotiation.

Third Semester

E-COMMERCE APPLICATION IN PROJECT MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Describe the types of media convergence.

2. Explain the importance of Mercantile Process model.

3. Discuss about Digital token based electronic payment system.

4. Explain the Designing process in Electronic Payment system.

5. Discuss about EDI and Electronic Commerce.

6. Describe the factors of Internet based EDI.

7. Explain how marketing Research is done on the internet.

8. Write a note on consumer data interface.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Describe the Electronic commerce in organization application.

10. Explain the consumer oriented applications in electronic commerce.

11. Discuss about smart cards and electronic payment system.

12. Explain about EDI Envelop for message transport.

13. Discuss in detail about marketing research.

14. Explain the factors of Resource Discovery.

15. Discuss the On-line marketing process.

PROJECT EXPORTS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Examine the significance of environment for project exports.

2. What is ECGC? Explain its functions.

3. Explain the importance of turnkey projects.

4. What are the features of project finance?

5. Explain the types of guarantees in project exports.

6. Explain activity-wise analysis and region-wise analysis in project exports.

7. What are the functions of EXIM bank?

8. Analyse the problems experienced in construction projects.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the nature and scope of project reports.

10. Explain the various methods of contracting.

11. Describe the criteria employed for appraisal of export projects.

12. Explain the problems involved in marketing project exports.

13. Discuss the strengths and weaknesses of Indian consulting industry.

14. Explain the institutional support extended for financing project exports.

15. Explain the promotional measures undertaken for project exports.

DE–6278 **42**

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

Fourth Semester

PROJECT MANAGEMENT SOFTWARE

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)
Answer any FIVE questions.

1. What is the need for project management software?

2. What is meant by project organisation? Explain.

3. How do you manage stage boundaries?

4. Describe the directing procedures of project.

5. Explain the supporting techniques of BS 6079.

6. How acquisition planning is done? Explain.

7. What are the aims of euro method model?

8. Discuss the PM body of knowledge.

PART B — (4 × 15 = 60 marks)
Answer any FOUR questions.

9. Elaborate on the components of PRINCE.

10. Discuss the scope and importance of project planning process.

11. Explain the acquisition process using ISO 12207.

12. Explain the approach to euro method model for projects.

13. Explain the environmental approaches to adaptation planning and method bridging.

14. Explain the project selection methods for software projects.

15. Explain the functions of associations in project management.

DE–6279 **43**

DISTANCE EDUCATION

M.B.A. (PM) DEGREE EXAMINATION, MAY 2013.

Fourth Semester

DISASTER MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the types of disasters.

2. Bring out the effects of disasters.

3. Discuss the role of De-Addiction centres.

4. Write a note on :
   (a) Cholera
   (b) Jaundice.

5. Discuss the implications of mass food poisoning.

6. Discuss the risks associated with organising races.

7. Discuss the precautionary measures for train accidents.

8. Discuss the role of hospitals in disaster management.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. How do you forecast the risks and elaborate on the impact of disasters?

10. Discuss the different natural disasters and their management.

11. Discuss the role of tele communication advances in managing disasters.

12. Describe the different disaster potential for road transport and their mitigation.
