Name Designation Mailing Address	**Dr. B.Vaseeharan** Professor & Head Department of Animal Health & Management Science Campus (4th floor) Alagappa University Karaikudi – 630003 Tamil Nadu, INDIA
Academic Qualifications	**M.Sc., M.Phil., Ph.D**
Employee Number	36201
Contact Phone - Office Contact Phone - Personal Contact e-mail(s)	(+91) 04565 225682 (+91) 9894720893 vaseeharanb@gmail.com vaseeharanb@alagappauniversity.ac.in

Teaching Experience: 12 Years
Research Experience: 14 Years
Research Area / Specialization(s): Aquaculture Biotechnology, Crustaceans Molecular Biology and Genomics, Biomaterial from marine environments, Biodiversity, Nanobiotechnology and Nanotoxicology.

Guidance / Supervision

Program of Study		Completed	Ongoing
Research	Ph.D.	5	6
	M.Phil.	6	2
Project	PG	50	-

Research Papers

Published in International Journals	Published in National Journals	Presented in International Conferences	Presented in National Conferences
67	7	30	43

Funded Research Projects (Completed)

	Agency	Period		Project Title	Budget (Rs.lakhs)
		From	To		
1	DBT	2009	2012	Genome characterization and mRNA transcript analysis of novel immune related genes α 2 macroglobulin and serine proteinase from *Fenneropenaeus indicus*	22.85
2	DST-Fast track	2009	2012	Molecular cloning and characterization of novel gene lipopolysaccharide- and β-1, 3-glucan binding protein (LGBP) from *Fenneropenaeus indicus* and its mRNA transcript analysis when animals are treated with immunostimulants	15.75
3	UGC	2009	2012	Molecular characterization of Indigenous and	9.5

				exotic probiotic strains and its effective treatment on Bacterial diseases in aquaculture	
4	UGC-Kothari	2009	2012	Exploration of new Antioxidative molecules from *Artemia parthenogenetica* against cellular oxidative damage.	12.00
5	UGC **-Co PI**	2009	2012	Intensive survey and inventorisation of sea grasses biodiversity in palk bay Bay of Bengal	4.36
6	DST (India) & NSC (Taiwan)	2010	2012	Antimicrobial activity of silver nanoparticles (Ag-Nps) against pathogenic *Vibrio* spp. isolated from aquaculture environments"	9.00
7	Indo-UK (Queen University of Belfast)	2010	2012	Silencing key virulence proteins in the liver fluke, *Fasciola hepatica*: development of a novel control strategy	6.00
8	Indo-UK (Queen Univ. of Belfast)	2010	2012	Ultrastructural histochemical and epidemiological studies on amphistomes in India and Northern Ireland, United Kingdom.	6.00
9	DST-India & Ireland	2011	2013	Silencing key virulence proteins in the liver fluke, *Fasciola gigantica*: development of a novel control strategy.	6.40
10	UGC **Co-PI**	2012	2014	Isolation and characterization of potential probiotic strains for successful treatment of bacterial disease in *Cyprinus carpio, Osteogiossum bichirrossum* and *cichlasoma spp.*	8.78 Lakhs
11	CSIR	2012	2015	cDNA cloning mRNA transcript and functional analysis of novel immune related genes prophenoxidase and peroxinectin from indian white shrimp *Fenneropeneaus indicus.*	22.00 Lakhs

Funded Research Projects (Ongoing)

	Agency	Period		Project Title	Budget (Rs.lakhs)
		From	To		
1	DBT	2015	2018	Purification, characterization, functional analysis and structural elucidation of pattern recognition molecule β-1, 3-glucan binding protein and antimicrobial peptides from crustaceans	57.989

Number of Seminars / Conferences / Workshops / Events attended : 70
Number of Seminars / Conferences / Workshops / Events organized : 5
Number of Invited / Special Lectures delivered : 8
Number of Books / Chapters / Monographs / Manuals written : 2

Achievements / Awards / Honours

1. 2009, Young Scientist Award-SERC-FAST TRACK, Department of Science and Technology, New Delhi, India.
2. 2003-07, Postdoctoral fellow award by National Science Council- Taiwan.
3. 2001-03, Post doctoral award by National Agriculture Technology Project (NATP), Indian Council of Agricultural Research (ICAR), New Delhi, India.
4. 1994, University 2nd rank in M. Phil. Degree in Zoology

Membership in Professional / National / International Bodies

1. Life member – The Indian Science Congress Association
2. International society for salt lake research (ISSLR)

3. Network of Aquaculture Centres in Asia –Pacific (NAGA)
4. Fish Health Section of Asian Fisheries Society.
5. American Nano Society (Membership #: 117122)
6. Aquaculture Foundation of India.
7. Association of Microbiologists of India (AMI)
8. Member, the Science Advisory Board.
9. Asian Fisheries society

Additional Responsibilities

1. 2011-2013, Coordinator- DDE M.Sc Zoology- PCP programme, Alagappa University, Karaikudi.
2. 2015- till date -Coordinator -University Business Collaboration Centre (Govt. of TN Scheme), Alagappa University, Karaikudi.

Countries Visited

1. Place: Mahidol University, Bangkok, Thailand
   Purpose of Visit: Research collaboration visit
   Duration: 20th May -15th June 2014
2. Place: Queens University of Belfast, Belfast, Northern Ireland, UK
   Purpose of Visit: Indo Ireland scientific cooperation programme- QUB, Belfast.
   Duration: 5th – 20th of June 2012
3. Place: Switzerland
   Purpose of Visit: 4thEuropean Microbiological Association Conference (FEMS)
   Duration: June 26th- 30th 2011.
4. Place: National Taiwan Ocean University, Keelung, Taiwan.
   Purpose of Visit: Indo-Taiwan Scientific Collaboration, DST project
   Duration: Nov 15th 2009 to Nov 30th 2009,
   June 26th 2009 to July 07th 2009,
   June 06th 2010 to July 10th 2010
5. Place: National Tsing Hua University, National Taiwan Ocean University, Taiwan. Funded by National Science Council, Taiwan.
   Purpose of Visit: Post Doctoral fellow
   Duration: Oct 2003 to July 2007

Others

1. "Training course on shrimp farming" conducted by The Marine Products Export Development Authority (MPEDA), Cochin during 02.05.1995 to 31.05.1995.
2. "Training Orientation Programme" for faculty improvement conducted by Academic Staff College, VIT University, Vellore, August 2007.
3. "Real Time PCR training course" conducted by Lab India Research Development Laboratory, Gurgaon during 15.12.2010 to 17.12.2010.
4. "Office Assistant Course" conducted by Bhavan Gandhi Institute of Computer Education and Information Technology, during May-July, 1999.

List of Publications

PUBLICATIONS - 74 (Total impact = 136.44)

1. P. Velusamy, J. Das, R. Pachaiappan, Vaseeharan B, K. Pandian. Greener approach for synthesis of antibacterial silver nanoparticles using aqueous solution of neem gum (*Azadirachta indica* L.). Industrial Crops and Products 66, 2015, 103-109. (Impact Factor: 3.02).
2. S.Vijayakumar, G.Vinoj, B. Malaikozhundan, S. Shanthi and Vaseeharan B*. *Plectranthus amboinicus* leaf extract mediated synthesis of zinc oxide nanoparticles and its control of methicillin resistant *Staphylococcus aureus* biofilm and blood sucking mosquito larvae. Spectrochimica Acta Part A: Molecular and Biomolecular Spectroscopy 137, 2015, 886-891 (Impact Factor: 2.129).
