DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

First Semester

MANAGEMENT CONCEPTS

(Upto 2012-2013)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Distinguish between administration and management.
2. Explain the outcome of Hawthorne experiments.
3. Discuss the nature and scope of planning.
4. What are the factors that determine the span of control?
5. Write a note on 'time and staff organisation'.
6. Define co-ordination and explain the objectives of co-ordination.
7. Explain the principles of direction.
8. What are the essential requisites of an effective control system?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the Fayol's principles of management.
10. Discuss briefly the various types of plans which a manager must devise to accomplish the objectives of his organisation.

11. Distinguish between delegation and decentralisation of authority. Discuss the factors that determine the extent of decentralisation.

12. Define selection of personnel. State the steps involved in selection.

13. Write short notes on :

    (a) PERT

    (b) Levels of management

    (c) Committees.

14. (a) What do you understand by Bench marking? State the steps involved in the benchmarking process.

    (b) What do you understand by the concept of re-engineering? Explain with examples.

15. Briefly explain the various tools of control.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

First Semester

MANAGERIAL ECONOMICS

(Upto 2012-13)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the scope of managerial economics.
2. Explain the applications of managerial economics in business decisions.
3. Define cost. Explain the need for cost control.
4. What you mean by investment analysis?
5. Briefly explain the economies of scale of production.
6. Define profit. How will you measure the profit?
7. Explain the concept of balance of payments.
8. What are the differences between inflation and deflation?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. How does the study of managerial economics help a business manager in decision making?
10. Discuss various types of demand. What are the factors that determine demand?

11. State and illustrate the Cobb-Douglas production function.

12. Explain and illustrate the law of variable proportions.

13. Discuss the uses and limitations of break even analysis.

14. Discuss various methods of profit planning and forecasting.

15. Define balance of payments. Explain its implications in managerial decision.

First Semester

INTERNATIONAL BUSINESS

(Upto 2012–2013)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the nature of International Marketing Environment.

2. Discuss the functions and role of WTO.

3. Explain the meaning and importance of international business.

4. What is NAFTA? What are its objectives?

5. Explain anti-dumping duties and how it differs from countervailing duties.

6. Explain the objectives of UNCTAD.

7. What is political environment?

8. Describe in detail 'Drafting of Arbitration Agreements.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Examine the objectives, Progress and Problems of SAARC.

10. Describe the strength and regulations of MNC's.

11. What are the dangers and limitations of FDI?

12. Write a brief note on trade related aspects of Intellectual Property Rights.

13. Explain the procedures of International Commercial Arbitration.

14. Examine the effects of recent global financial crises and its impact on India.

15. Explain the impact of Economic Integration and Trading Blocks on the trading activities of member countries.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

First Semester

INTERNATIONAL BUSINESS ENVIRONMENT

(Upto 2012 – 13)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the nature and significance of business environment.

2. What are the micro environmental factors that affect business?

3. Explain the importance of ethics in business.

4. Define political system and state how the political system influences international business?

5. Write a brief note on

   (a) Bilateral agreement

   (b) Multilateral agreement

   (c) Regional agreements.

6. What are the functions and objectives of WTO?

7. What are emerging markets? What makes them different?

8. Define ecology. Explain various ecological issues in different stages of business.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Define international business environment. What are its major components? How does the home country environment affect the international business operations of a firm?

10. Define Socio-Cultural environment? What factors constitute Socio-Cultural environment? Explain each of them?

11. Explain the role of UNO in World affairs.

12. Define the terms globalisation and liberalisation. "By dismissing LPG we deny jobs for people and we say no to economic development - Do you agree?

13. What are the characteristics of emerging markets?

14. Economic development can restore lost biodiversity - Discuss.

15. Write an essay on western culture effect in India.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

First Semester

QUANTITATIVE METHODS

(Upto 2012 – 13)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the assumptions set out in the linear programming problems.

2. Define the following:

   (a) Alternate optimum solution

   (b) Unbounded solution

   (c) Slack variable

   (d) Criterion value

3. Write about simplex method algorithm.

4. Briefly explain the different decision rules usually adopted in context of decision–making under condition of uncertainty.

5. Define simulation and state its advantages. Also, discuss various application areas of simulation.

6. State the importance of relevant costs for decision making.

7. What do you mean by break–even analysis? Bring out its uses in the business.

8. Solve the following LPP under graphical method

Maximise $z = 5x_1 + 12x_2$

Subject to $x_1 + 2x_2 \leq 15$

$2x_1 + x_2 \leq 12$

$x_1, x_2 \geq 0$.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Solve the transportation problem:

	D_1	D_2	D_3	D_4	Available
Q_1	1	2	1	4	30
Q_2	3	3	2	1	50
Q_3	4	2	5	9	20
Required	20	40	30	10	100 Total

10. Find an economic solution for the following transportation problem.

	W_1	W_2	W_3	W_4	W_5	Available
S_1	6	4	4	7	5	100
Shop S_2	5	6	7	4	8	125
S_3	3	4	6	3	4	175
Required	60	80	85	105	70	

11. How would you use functional relationship study and understand elasticity of demand of goods?

12. State and explain the steps involved in the monte–carlo simulation technique.

13. Write a detailed note on applications of simulation in inventory problem.

14. A company has to choose any one of the following as developed by marketing dept. The amount of estimated sales and the estimated revenue there from are given below.

Scheme	Revenue Estimate amount of sales (Rs. In crores)		
	200	100	50
Lux–star	60	25	45
Lux–super star	80	60	35
Lux–supreme star	75	50	45

Suggest the type of product to be adopted using:

(a) maximin criterion

(b) minimax criterion

(c) maximax criterion and laplace criterion.

15. Obtain an optimal solution to the following transportation problem.

Factory	Warehouse W_1	W_2	W_3	W_4	Factory capacity
F_1	19	30	50	10	7
F_2	70	30	40	60	9
F_3	40	8	70	20	18
Ware house Requirement	5	8	7	14	34

DE–8249 **21**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(Upto 2012-13)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Who are the users of accounting statements? What are their needs?

2. Differentiate financial accounting from management accounting.

3. Write the procedure for analyzing financial statements.

4. Write the objectives of ratio analysis.

5. What are the differences between cash flow analysis and fund flow analysis?

6. From the following information, prepare a balance sheet.

Current ratio	2.5
Liquid ratio	1.5
Fixed assets/Proprietary funds	0.75
Working capital	Rs. 60,000
Reserves and Surplus	Rs. 40,000
Bank Overdraft	Rs. 10,000

There is no long term loan or fictitious assets.

7. From the following balance sheet, prepare a schedule of changes in working capital.

Liabilities	2009	2010	Assets	2009	2010
	₹	₹		₹	₹
Share			Cash	60,000	94,000
capital	80,000	90,000	Debtors	2,40,000	2,30,000
Creditors	20,000	46,000	Stock	1,60,000	1,80,000
Profit and			Land	1,00,000	1,32,000
Loss a/c	4,60,000	5,00,000			
	5,60,000	6,36,000		5,60,000	6,36,000

8. A choice is made between two competing projects which require an equal investment of Rs. 50,000 and are expected to generate cash flows as under :

Years	X	Y
End of Year 1	25,000	10,000
End of Year 2	15,000	12,000
End of Year 3	10,000	18,000
End of Year 4	NIL	25,000
End of Year 5	12,000	8,000
End of Year 6	6,000	4,000

The cost of capital of the company is 10%.

Which project proposal should be chosen and why? Evaluate the project proposals under Discounted Pay Back Period Method.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss the basic accounting concepts and conventions.

10. Explain the differences between single entry system and double entry system.

11. Explain the nature and limitations of financial statement analysis.

12. What is capital budgeting? Write the various factors affecting capital budgeting decisions.

13. From the following balance sheets, prepare cash flow statement.

Liabilities	2009	2010	Assets	2009	2010
	₹	₹		₹	₹
Share capital	4,50,000	5,00,000	Goodwill	1,15,000	90,000
			Buildings	2,00,000	1,70,000
General reserve	40,000	70,000	Plant	80,000	2,00,000
			Debtors	1,60,000	2,00,000
P and L account	30,000	48,000	Stock	77,000	1,09,000
			Cash	45,000	48,000
Creditors	97,000	1,33,000			
Bills payable	60,000	66,000			
	6,77,000	8,17,000		6,77,000	8,17,000

Additional Information :

(a) Depreciation of ₹ 10,000 and ₹ 20,000 have been charged on Plant and Buildings respectively in 2010

(b) Interim dividends paid ₹ 20,000

14. Prepare a flexible budget for overheads on the basis of following data. Ascertain overhead rates at 50%, 60% and 70% capacity.

	At 60% capacity ₹
Variable overheads :	
Indirect materials	6,000
Indirect labour	18,000

	At 60% capacity ₹
Semi-variable overheads :	
Electricity (40% fixed, 60% variable)	30,000
Repairs (80% fixed, 20% variable)	3,000
Fixed overheads :	
Depreciation	16,500
Insurance	4,500
Salaries	15,000
Total overheads	93,000
Estimated direct labour hours	1,86,000

15. A company has an investment opportunity costing Rs. 40,000 with the following expected net cash flow (i.e. after tax and before depreciation)

Year :	1	2	3	4	5
Net Cash Inflow :	7,000	7,000	7,000	7,000	7,000
Year :	6	7	8	9	10
Net Cash Inflow :	8,000	10,000	15,000	10,000	4,000

Using 10% as the cost of capital, determine the profitability of the proposal under Profitability Index Method.

Second Semester

INTERNATIONAL ECONOMICS

(upto 2012-13)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Spell out the basic concepts of International Economics.

2. Explain Ohlin theory of International trade.

3. Point out the salient features of free trade policy.

4. Explain the theory of Immiserising growth.

5. Discuss the significance of 'NAFTA'.

6. Discuss about various international debt problems.

7. Write a note on International Labour migration.

8. How international monetary fund causes International Liquidity?

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. "Under the modern set-up International Trade is vital". Do you agree? Why?

10. Differentiate modern theories of International trade from classical theory of International trade.

11. Discuss the various barriers of International trade.

12. Explain the scope of purchase power parity theory in deciding exchange rate.

13. What are the causes for disequilibrium in BOP? How the disequilibrium can be corrected?

14. Bring out the functions of World Bank.

15. Explain the role of IMF in enhancing liquidity in International economy.

Second Semester

ORGANISATIONAL BEHAVIOUR

(Upto 2012-13)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the need for studying organisational behaviour.

2. Herzberg's Two - factor Theory', has made significant contribution to understanding of work motivation. Discuss.

3. How does group norms and status influence an individual's behaviour?

4. How can organizations select and develop effective leaders?

5. What is stress, and what are the possible sources of stress?

6. Explain the effectiveness of organisational dynamics on organisational behaviour.

7. Describe a positive organizational culture.

8. How can managers create a culture for change?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the different approaches of organisational behaviour.

10. Explain 'Cognitive' and 'Affective' components of an attitude. Substantiate with examples.

11. What are the advantages and limitations of cohesive groups?

12. What are some common barriers to effective communication? Explain methods to reduce barriers.

13. What are the individual and organizational approaches to managing stress?

14. How would you define power? What are the different types of power?

15. Write notes on

    (a) Organisational Change

    (b) Organisational Development.

    (c) OD interventions.

INTERNATIONAL MARKETING

(Upto 2012-13)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is meant by Ethnocentricity? How it differs from Polycentricity and Geocentricity?
2. Define international marketing and analyze its framework.
3. What are the process a consumer go through when making a purchase?
4. What is market segmentation? Why use segmentation?
5. Define product and explain the concept of a product mix.
6. Write a note on :
   (a) Dumping
   (b) Transfer Pricing
   (c) Counter trade
   (d) Price quotation.
7. How does personal selling support the promotional objectives of international entrepreneur?
8. What are the factors influencing international channel selection.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. "Operating in international markets is much more complex than marketing domestically" – Critically evaluate the statement.

10. Describe different types of socio cultural factors that influence consumer buying behavior.

11. List the phases of the international Product Life Cycle.

12. What factors affect the pricing decisions in international market? Discuss.

13. Describe the components of international advertising strategy.

14. What is the rationale of using sales promotion in international context?

15. Explain the need for international marketing research.

Third Semester

EXPORT MANAGEMENT AND DOCUMENTATION

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the mechanism of a Letter of Credit.

2. Describe the scope and services covered by multi model transport operators.

3. What are the documents required for processing of shipping bill?

4. Write a brief note on Export Promotion Capital Goods Scheme (EPCG).

5. Explain the procedure for Central Excise Clearance under Claim of Rebate.

6. Give the special features of Marine Insurance.

7. Write a note on:
   (a) Marine Perils
   (b) Insured Perils
   (c) Uninsured Perils.

8. Write a note on:
   (a) Special Economic Zones
   (b) Free Trade Zones
   (c) 100% EOU's.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the salient features and purpose served by important Commercial Documents in foreign trade.

10. What is bill of lading? What are its types?

11. Explain the steps that have been taken by the Indian Government to assist the exporters in their marketing effort.

12. Explain different documents to be submitted for Marine Cargo Claims.

13. Examine the salient features of the standard policies issued by ECGC to exporters in India.

14. Explain in detail about export Customs formalities.

15. Explain the role of IIFT in the promotion of export from India.

INTERNATIONAL MARKETING LOGISTICS

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the various elements of logistics system.

2. Write notes on Supply chain management.

3. Explain the basic features of liner operations.

4. What are the factors influencing fixation of freight?

5. What are the various functions of warehouse?

6. Explain the features of time and voyage chartering.

7. What are the advantages and constraints of containerization?

8. Explain the various types of air freight rates.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the current key issues in supply chain management.

10. Explain the characteristics of operating systems.

11. Enumerate the role of intermediaries in logistics operations.

12. Discuss the problems and prospects in ocean transportation.

13. Explain in detail the role and functions of Inland Container Depot(ICD).

14. Discuss the structural and cargo handling facilities in Indian major ports.

15. Enumerate the origin, structure and services of IATA.

INTERNATIONAL BUSINESS RESEARCH AND INFORMATION SYSTEM

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is the need and objective of International Business Research?

2. Give your understanding of a good research design. Is single research design suitable in all research studies?

3. Examine the sources of secondary data.

4. Write a note on Likert scaling technique.

5. Discuss the chief characteristics of a standard research report.

6. Write a critical note on the Pilot study.

7. What are the uses of computers and Internet in research?

8. Explain the significance of Global Technology.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the steps involved in the process of research design.

10. Discuss in detail the financial market research.

11. Evaluate the various scaling techniques used in research.

12. Explain the various sampling techniques.

13. Discuss the steps in planning and designing business information system.

14. Explain the need for International Business Information system and its implementation.

15. Discuss the various factors to be considered by an MNC which plans to shift its production to a developing country.

FOREIGN EXCHANGE MANAGEMENT

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define foreign exchange and explain its importance.

2. Explain the various players of Foreign Exchange Market.

3. Explain the concept of Nominal Effective Exchange Rate.

4. Explain the various features of Forward Exchange Contract.

5. Describe the mechanism of Option Contract.

6. Describe the purchasing power parity theory.

7. Explain the merits of Swap deals.

8. Portray the impact of Monetary and Fiscal policy on exchange rate.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the methods of calculation of exchange rate for direct and indirect quotations.

10. Explain the strategies of inter-bank deals.

11. Explain the different methods of forecasting exchange rates.

12. Explain the choices in extension and cancellation of Forward Contract.

13. Explain the various techniques of Exposure management.

14. Explain the mechanism of fixed and flexible exchange rates.

15. Explain the various aspects of managing foreign exchange rates.

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

Third Semester

MANAGEMENT STRATEGIES OF MNCs

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Write about the process of internationalization.

2. Discuss the impact of MNC's on Indian business.

3. Describe the different components of a strategy.

4. Explain the factors to be considered while entering international joint venture.

5. Discuss the concept of 'core competence'.

6. Explain the need for strategic planning in MNC's.

7. Explain the concept of 'SBU'.

8. Discuss the areas of corporate social responsibility.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the special problems encountered by MNC's.

10. Explain SWOT analysis.

11. Analyse the different levels of strategies with appropriate examples.

12. Explain the reasons behind the preference of 'mergers'.

13. Discuss about the planning for competitive advantage and market leadership.

14. Explain the various organisational theories applicable to MNC's.

15. Analyse the ethical problems in a multi national corporation.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

Third Semester

WORLD RESOURCES

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the usefulness of the study of resources.

2. Explain the scale of human-environment relationships.

3. Explain the characteristics of Mediterranean type of climate.

4. Describe the factors affecting agriculture.

5. Explain the economic contribution of animal resources.

6. Write a note on petroleum fields in India.

7. "Iron-ore is the single most important mineral"- Comment.

8. Examine the bases of the world industrial location.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the contribution of world resources to the trade.

10. Discuss the factors responsible for the high density of population in the monsoon lands.

11. Explain the various types of natural regions.

12. Explain the various benefits of forests.

13. Discuss briefly the relationship between energy production and economic development.

14. Give a comprehensive report on Aluminum resources of the world.

15. Explain the structure of trade in Manufactured Goods in the Asian Region.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

Fourth Semester

WTO – CONSTITUTION AND OPERATIONS

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the principle of WTO trading system.

2. Write a note on Tariff binding and schedule of concession.

3. What are the minimum standards of TRIPS?

4. Discuss the articles of agreement on SCM.

5. Discuss the agreement on Rules of origin.

6. Explain the concept of technology transfer and trade.

7. Explain the concept of SCM.

8. Write a note on Trade facilitation.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the agreement on SPS and TBT.

10. Explain the basic principles of TRIPS.

11. Discuss the Dispute Settlement System (DSS).

12. Explain the agreement on preshipment inspection.

13. Discuss the agreement on trade related investment measures.

14. Explain the agreement on Import Licensing procedure.

15. Describe the emergining issues in trade and environment.

DE–8261 **42**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2014.

Fourth Semester

IMPORT MANAGEMENT

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Write the procedures in the various phases of import.

2. Write any five differences between FOB and CIF quotation.

3. Explain in brief the different types of shipping bill.

4. What new changes do you envisage in the new import policy?

5. Write a brief note on foreign currency accounts.

6. Explain the recent trends in India's import.

7. Explain the functions of DGFT.

8. Explain the different sources of payment in foreign trade.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.
