500 words, along with the registration form and registration fee, so as to reach the Organizing Secretary of FACTs- 2018. The extended abstract will be send the following conditions.

Font type	-	Times New Roman
Font size	-	Title (14), Bold, Name of the Author/s (12), Body text (12)
Line spacing	-	Single

REGISTRATION

The participants are requested to send the filled in registration form to the Organizing Secretary along with Registration fee by DD drawn in any Nationalized Bank and in favour of **"The Organizing Secretary, FACTs-2018"**, payable at A.C campus branch, Karaikudi. Spot registration will not be entertained.

The registration fee for various categories is given below:

Delegates from Industry	:	Rs.1500
Delegates from R & D and Academic Institutions	:	Rs. 1000
Research scholars	:	Rs. 500
Student delegates / Accompanying Spouse	:	Rs. 300

ACCOMMODATION

Accommodation can be arranged on priority basis in the University Hostel on payment basis. Accommodation can also be arranged in good hotels at Karaikudi at affordable costs on request on payment basis. However, the delegates are free to make their own arrangements for accommodation in Karaikudi.

IMPORTANT DATES

Deadline for submission of Registration fee and form along with Abstract	:	**28.02.2018**
Notification of Abstract Acceptance	:	**02.03.2018**
Accommodation request	:	**08.03.2018**

ORGANIZING COMMITTEE

Patron : **Prof. Dr. S.Subbiah**, Vice-Chancellor

Co-patron : **Dr. H. Gurumallesh Prabu**, Registrar

Convener : **Dr. G. Paruthimal Kalaignan**, Prof. & Head

Organizing Secretary : **Dr. M. Sundrarajan**, Assistant Professor
Cell No.: 94444 96151
E- mail:sundrarajan@yahoo.com

Joint Secretary : **Dr. T. Stalin**, Assistant Professor
Cell No.: 63810 44538
E- mail:drstalin76@gmail.com

ORGANIZING COMMITTEE MEMBERS

Dr. S. Thambidurai, Associate Professor
Dr. G.Gopu, Assistant Professor
Dr. S. Viswanathan, Assistant Professor
Dr. S. Umadevi, UGC-Assistant Professor
Dr. P. Muthu Mareeswaran, DST - INSPIRE Faculty
Dr. N. Sengottuvelan, Assistant Professor (DDE)

ADVISORY COMMITTEE MEMBERS

Prof. H. Surya Prakash Rao, Pondicherry University, Puducherry
Prof. S. Baskaran, IIT Madras, Chennai.
Dr. D. Velayutham, Chief Scientist, CSIR-CECRI, Karaikudi
Prof. S. Natarajan, Indian Institute of Science, Bangalore.
Prof. K. Palanivelu, Anna University, Chennai
Prof. E. Murugan, University of Madras, Chennai
Prof. A. Ramu, Madurai Kamaraj University, Madurai
Prof. V. Raj, Periyar University, Salem
Dr.M. Anbu Kulanthainathan, Principal Scientist, CSIR-CECRI, Karaikudi
Dr. L. Ammayappan, Principal Scientist, NIRJAFT, Kolkata.
Dr. K. Krishnamoorthy, Scientist, NCL, Pune.
Prof. A. Ilangovan, Bharathidasan University, Trichy.
Prof. P.S. Mohan, Bharathiar University, Coimbatore.
Prof. S. Kabilan, Annamalai University, Chidambaram
Prof. S. Syed Shafi, Thiruvalluvar University, Vellore.

Address for Communication

ALAGAPPA UNIVERSITY

{Accredited with A+ Grade by NAAC (CGPA: 3.64) in the Third cycle}

KARAIKUDI – 630 003, Tamilnadu, India.

National Seminar
on

Frontier Areas in Chemical Technologies (FACTs -2018)

22 & 23 March 2018

Organized by

DEPARTMENT OF INDUSTRIAL CHEMISTRY
(DST-FIST, DST-PURSE and UGC-SAP Sponsored Department)
SCHOOL OF CHEMICAL SCIENCES
ALAGAPPA UNIVERSITY
[Accredited with A+ Grade by NAAC (CGPA: 3.64) in the Third Cycle]
Karaikudi - 630 003
TAMILNADU, INDIA.

ABOUT THE UNIVERSITY

Alagappa University has emerged from the Galaxy of institutions initially founded by great philanthropist and educationist Dr. RM. Alagappa Chettiar. This University has got A+ grade with 3.64 CGPA in the third cycle NAAC accreditation. The 440 acres green and lush campus with all academic activities is having International collaborations with Universities / Institutions of Higher Learning in countries like USA, China, Malaysia, West Indies and South Korea. New innovative programs are suitably designed and offered at the University for the Indian as well as Foreign students. Many exchange programs have attracted to the attention of the teachers and students from abroad. The postgraduate Departments and centers in Science and Humanities in the University and other collaborative agencies offer quality education through Regular, Week-End and Distance modes to the needs of more than a lakh of students. The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENT

The Department of Industrial Chemistry was established in 1985. It is offering PG programs in M.Sc. Chemistry (Regular), M.Sc. Chemistry (DDE), M.Phil. (Regular), M.Phil (Week-End) and Ph.D. (Full time and Part Time) in Chemistry. Research activities are in the fields of Organic Chemistry, Inorganic Chemistry, Physical Chemistry, Polymer Chemistry, Green Chemistry, Electrochemistry, Textile Chemistry, Environmental Chemistry, Supramolecular Chemistry, Photochemistry, Advanced materials and Nanomaterials. This Department has received funds to a tune of Rs.12 Crores for the research projects from UGC, ICAR, AICTE, DST, CSIR, DRDO, DRDL, TNRSP, TNSCS&T, Sethu Samuthram Ship Canal project and AURF. This Department has also been recognized by UGC-SAP, DST-FIST and DSI-PURSE programs. More than 1500 research papers have been published in International / National Journals. The Department has taken 21 patents to its credit. The Department has conducted a Refresher course, two UGC innovative courses and 25 National and International Seminars/Workshops. The Department has done consultancy services to various industries. The Department has produced around 180 Ph.D's. H-index of our Department is 42.

ABOUT THE SEMINAR (FACTs-2018)

The chemistry represent an unique position among the different discipline in science and technology. The goal of chemical technologies mainly deals with the creation of safer process, most efficient products, to synthesize the new products and reduce the formation of byproducts in all synthesis and technology. In the applications of chemical technology is becoming more widespread because of its diverse applications in almost all areas of science. It is essential for the researchers, educators and developers from academic institutions and industries to perceive recent trends and developments that have been made under various aspects of chemical synthesis. The Department of Industrial Chemistry, Alagappa University, Karaikudi is organizing a National level seminar on Frontier Areas in Chemical Technologies (FACTs -2018) to bring together renowned experts from academic and industry for a comprehensive and wide ranging program. This seminar will have technical sessions comprised of Plenary talks, Invited talks and oral/poster presentations.

THEME

The seminar will enlighten the various aspects of technological production, especially in organic chemistry, electrochemistry, textile chemistry, biochemistry, inorganic chemistry, analytical chemistry and nanoscience. This seminar is to offer a stage for the exploration of new scientific proportions and exchanging ideas with Researchers, Scientists, Academicians and Industrialist which is more important to a new era in University-Industry relation. The seminar is aimed to update the academicians, researchers, scientists and industrialists with the recent trends in the field and exposing the participants to innumerable applications. The seminar will provide glorious opportunities to get comprehensive view and meet the most recognized scientists of the domain. It is sure that, the discussions of this seminar will go a long way in promoting the research and development and rural area will send to a great deal benefit by their participation in the seminar.

AREAS OF FACTs-2018

- Organic Chemistry
- Inorganic Chemistry
- Physical Chemistry
- Electrochemistry
- Textile Chemistry
- Green Chemistry
- Polymer Chemistry
- Supramolecular Chemistry
- Environmental Chemistry
- Nanomaterials
- Natural Products
- Catalysts and Reagents
- Bio-Organic and Medicinal Compounds
- Renewable energies and Sensors applications

This Seminar is open to Faculties, Research Scholars and Students of Science and Engineering Institutions, Scientists from R&D and Industrial Establishments. The participants will be provided with lunch, Certificate of participation and Seminar kit. The participants have to make their own arrangements for travel and accommodation.

EXTENDED ABSTRACT SUBMISSION

Those who plan to present papers should send two hard copies and one soft copy (CD) of the extended abstract preferably is not exceeding

National Seminar
on

Frontier Areas in Chemical Technologies (FACTs -2018)

22 & 23 March 2018

REGISTRATION FORM

Name: .....

Gender: ☐ Male ☐ Female

Designation: .....

Address: .....

.....

.....

Mobile: .....

Email ID: .....

I intend to present a paper : Yes/No

I intend to participate in the seminar : Yes/No

I require accommodation : Yes/No

Title of the Paper : .....

.....

Registration Fee: .....

D.D. No. & Date: .....

Name of the Bank: .....

.....

Place:
Date: Signature

(Photostat copies of this form can also be used for registration)
