About the University

Alagappa University Accredited with 'A+' Grade with CGPA: 3.64 in the third cycle by National Assessment and Accreditation Council (NAAC) is located at Karaikudi in Tamil Nadu. The 440 acre green and lush campus houses all the academic activities. This University has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist Dr. RM. Alagappa Chettiar.

Alagappa University was brought into existence by a Special Act of the Government of Tamil Nadu in May 1985 with the objective of fostering research, development and dissemination of knowledge in various branches of learning. Alagappa University is recognized by the University Grants Commission (UGC) of India. The University has 34 Departments, 7 Centres and 2 Constituent Colleges on its campus. 40 Affiliated Colleges located in the districts of Sivaganga and Ramanathapuram are part of the University.

As a member of the Association of Indian Universities (AIU), as well as the member of the Association of Common Wealth Universities (ACU), it has rewarding relations with other academic institutions, research laboratories and industrial establishments that promise a spectacular future.

The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action.

Directorate of Distance Education

The Directorate of Distance Education was established in the University during the year 1992. The Directorate offers Under Graduate, Post Graduate, Diploma and Certificate Programmes in the disciplines of Arts, Science, Education and Management. The Directorate offers various innovative, job-oriented and socially relevant academic programmes in the field of Arts, Science, Education and Management. The most striking innovations in the field of Teaching and Learning process is the application and adaptation of Information & Communication Technology (ICT). The Directorate has adopted this newest technology by which the learning process is modernized.

Department of Education, DDE

The Department of Education, DDE was established in November 2017. It is offering B.Ed. two year Programme through distance mode. It aims at enhancing the Professional Competencies and Skills of the in-service teachers effectively, and also offers M.A. Education, and M.A. Child Care & Education. The Department offers Ph.D. Degree in Education through full-time & part-time mode. The Department comprises One Professor, Two Associate Professors, and Five Assistant Professors, and it has a good number of externally funded research projects granted by funding agencies viz. UGC, ICSSR, Univers Foundation-Japan, etc.

Theme of the Seminar

Education is the pond of knowledge and it makes people superior to other forms of living things. Its aim is to give everyone a chance to learn and benefit from basic education – not as an accident of circumstance, or as a privilege. The Education for All movement is a global commitment to provide quality basic education for all children, belonging to marginalized sectors.

Marginality is a living condition that affects millions of people throughout the world. People who are marginalized have relatively little control over their lives and the resources available to them. Marginalization is a process that denies opportunities and outcomes to those 'living on the margins' and there is a need to enhance the opportunities and outcomes for those who are Economically and Socially deprived, Physically challenged, Intellectually Disabled, Minorities, Rural and Slow learners. Quality Education is an important criteria of social control and social transformation. Therefore our country should take more efforts to ensure the targets of Quality Education for all students belonging to the Marginalized Sectors in India.

Sub Themes

- Quality Education for Slow Learners
- Quality Education for Rural Students
- Quality Education for Minority Students
- Quality Education for Economically and Socially deprived Students
- Quality Education for Physically Challenged Students
- Quality Education for Intellectually Disabled Students

Target Participants

Faculty Members, Research Scholars, and Students of Colleges and Universities, etc.
