DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2012.

First Semester

MANAGEMENT CONCEPTS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define management. Discuss the functions of management.

2. Explain briefly the process of management.

3. What do you understand by planning premises?

4. Define strategy and explain its importance as a component of plan.

5. State the obstacles in the process of delegation of authority.

6. Define leadership? List the qualities of a good leader.

7. Write short notes control techniques.

8. What do you mean by Core Competence?

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss the nature and scope of management. Is management a science or an art or both?

10. Describe the relevance of management to different types of organization.

11. "Planning is the essence of management". Elucidate.

12. What is communication? Explain the barriers to effective communication.

13. Elaborately examine the process of control.

14. Enumerate the various types of decisions an executive is expected to take while running a business unit. Explain the steps in decision making process.

15. What do you understand by business process reengineering? Explain its merits.

First Semester

MANAGERIAL ECONOMICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Explain the scope of managerial economics.

2. What are the exceptions to law of demand?

3. What do you mean by company demand and industry demand?

4. Differentiate between economic theory and managerial economics.

5. Differentiate between profit planning and profit forecasting.

6. Explain the importance of cost volume profit analysis.

7. Under what circumstances the government controls prices?

8. What are the components of balance of payment?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. What are the steps in decision making?

10. Why demand curve slopes downwards?

11. Discuss the tools of cost control.

12. How is profit measured?

13. What are the characteristics of business cycle?

14. Explain the implications of inflation and deflation in managerial decisions.

15. How is pricing done under competitive conditions.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2012.

First Semester

INTERNATIONAL BUSINESS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Give the meaning of economic environment? Bring out the interface between the economic environment and International Business.

2. Explain objectives and the functions of WTO.

3. Why is the dispuk settlements mechanism so important?

4. Analyse the international business environment in developing countries like India.

5. Explain the functions and basic principle of UNCTAD.

6. State the various objectives forming regional trade blocks

7. Give a brief account of the anti-dumping measures under WTO.

8. Differentiate joint venture and collaboration.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Identify the changes in the global economic environment after 1990.

10. Discuss the recent trend in foreign direct investment in the world.

11. Explain the components of external environment of international business.

12. Explain in detail about UN code of conduct of MNCs.

13. Explain the role of international institutions in settlement of international commercial disputes.

14. "Promoting foreign direct investment will wipe out small business in India" — Discuss.

15. Write short notes on :

    (a) Anti dumping duty

    (b) GATT

    (c) TRIPS

DISTANCE EDUCATION

M.B.A. (International Business) DEGREE EXAMINATION, MAY 2012.

First Semester

INTERNATIONAL BUSINESS ENVIRONMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Explain the importance of environmental factors in business.

2. What are the types of culture?

3. Explain the significance of business ethics.

4. What are the forms of political system?

5. What are the basic principles of multilateral trade negotiations?

6. What are the objectives of WTO?

7. Briefly explain the types of foreign investment.

8. What is Bio-diversity and Ecological Balance?

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Explain the impact of national culture on International Business.

10. How do business ethics influence the business?

11. Discuss the role of UNO in stabilising the political environment.

12. Explain the types of Agreements.

13. Explain the reasons for the growth of world market. How does global environment help them?

14. Explain the impact of liberalisation of Agricultural trade.

15. How does the economic development affect the environment?

DE-3853 **15**

DISTANCE EDUCATION

M.B.A. (I.B.) DEGREE EXAMINATION, MAY 2012.

First Semester

QUANTITATIVE METHODS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the nature of Operations Research.

2. Write a note on duality and sensitivity analysis.

3. What is balanced transportation problem? What are its applications?

4. What do you understand by conditional probability? State Bye's theorem and explain its role in management decision-making.

5. What are the elements of simulation model?

6. A manufacturer produces airmail envelopes whose weights have mean 1.50 gms and standard deviation 0.15 gm. The envelopes are sold in lots of 500. Assuming that weights are normally distributed, find how many envelopes in a lot will weigh

   (a) heavier than 1.85 gms

   (b) between 1.20 gms and 1.55 gms.

7. Write the dual for the following primal problems:

Minimize $z = 6x_1 + 3x_2$

Subject to

$$6x_1 - 3x_2 + x_3 \geq 2$$
$$3x_1 + 4x_2 + x_3 \geq 5$$
$$x_1, x_2, x_3 \geq 0.$$

8. What do you understand by Decision-tree analysis?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. (a) Explain the relationship between Costs and Profits.

(b) How can you measure the level of activity of a system in terms of volume? Explain.

10. At a telephone booth, suppose that the customers arrive with an average time of 1.2 time units between one arrival and the next. Service times are assumed to be 2.8 time units. Simulate the system for 12 time units by assuming that the system starts at $t = 0$. What is the average waiting time per customer?

11. Use Vogel's Approximation Method to obtain an initial basic feasible solution of the following transportation problem.

	D	E	F	G	Available
A	11	13	17	14	250
B	16	18	14	10	300
C	21	24	13	10	400
Demand	200	225	275	250	

12. Explain the steps involved in Monte-Carlo simulation.

13. Explain the maximin the minimax and the regret criteria in decision-making.

14. The following payoff table is given

Action	Event			
	E1	E2	E3	E4
A1	40	200	-200	100
A2	200	0	200	0
A3	0	100	0	150
A4	-50	400	100	0

(a) Calculate the opportunity loss table.

(b) Calculate the expected payoff and the expected loss of each action if the probabilities of the events of the table are

$P(E_1) = 0.20$, $P(E_2) = 0.15$, $P(E_3) = 0.40$, $P(E_4) = 0.25$.

15. Use simplex method to solve the following LPP:

Maximize $Z = 6x_1 + 8x_2$

Subject to

$$5x_1 + 10x_2 \le 60$$
$$4x_1 + 4x_2 \le 40$$
$$x_1, x_2 \ge 0.$$

DE–3854 **21**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2012.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE of the following.

1. Explain various accounting concepts.

2. Compare Single Entry with Double Entry system of Book-keeping.

3. What is meant by Ratio Analysis? Discuss its objectives and limitations.

4. What is a Fund Flow Statement? Examine its use and significance for management.

5. What is meant by Zero based budgeting? What are the different steps involved in it and how is it useful to the business?

6. The following information is given about M/s. S.P. Ltd. for the year ending Dec .31, 1995 :

   (a) Stock turnover ratio 6 times

   (b) Gross profit ratio 20% on sales

   (c) Sales for 1995 Rs. 3,00,000

   (d) Closing stock is Rs. 10,000 more than the opening stock

(e) Opening creditors Rs. 20,000

(f) Closing creditors Rs. 30,000

(g) Trade debtors at the end Rs. 60,000

(h) Net working capital Rs. 50,000

Find out :

(i) Average stock

(ii) Purchases

(iii) Creditors turnover ratio

(iv) Average payment period

(v) Average collection period

(vi) Working capital turnover ratio.

7. Find out the present value of cash flows of a firm during 5 years, the discount rate being 9%.

Year	Cash flow (Rs.)
1	12,000
2	10,000
3	5,000
4	9,000
5	8,000

8. From the following balance, you are required to calculate cash from operations :

	December 31	
	1994	1995
	Rs.	Rs.
Debtors	50,000	47,000
Bills receivable	10,000	12,500
Creditors	20,000	25,000

	December 31	
	1994	1995
	Rs.	Rs.
Bills payable	8,000	6,000
Outstanding expenses	1,000	1,200
Prepaid expenses	800	700
Accrued income	600	750
Income received in advance	300	250
Profit made during the year	–	1,30,000

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR of the following.

9. Differentiate between Financial Accounting and Management Accounting.

10. Given below is the Balance sheet of a Limited Company as on 31st March 1999.

Balance Sheet

Liabilities	Rs.	Assets	Rs.
3,000 Equity shares of Rs. 100 each fully paid	3,00,000	Goodwill	1,00,000
1,500, 6% Preference shares of Rs. 100 each fully paid	1,50,000	Land and Buildings	3,00,000
Reserve fund	1,50,000	Plant and Machinery	3,50,000
Dividend equalization fund	50,000	Stock on trade	2,00,000
5% Debentures	4,00,000	Sundry debtors	1,50,000
Current liabilities	1,00,000	Cash at Bank	35,000
		Accrued income	15,000
Total	11,50,000	Total	11,50,000

Find out :

(a) Debt-equity ratio.

(b) Proprietary ratio.

(c) Solvency ratio.

(d) Fixed assets to networth ratio.

(e) Current assets to networth ratio.

11. Differentiate between Cash Flow Statement and Fund Flow Statement.

12. Write short notes on :

(a) ARR method

(b) DCF method

(c) NPV method

(d) IRR method

13. Examine the relationship between Solvency, Liquidity and Profitability.

14. From the following Trial Balance prepare the Trading and Profit and Loss Account for the year ended December 31, 1970 and a Balance Sheet as at that date.

Trial Balance of C. Naicker as on December 31, 1970

	Dr. (Rs.)	Cr. (Rs.)
Capital		40,000
Sales		25,000
Purchases	15,000	
Salaries	2,000	

	Dr. (Rs.)	Cr. (Rs.)
Rent	1,500	
Insurance	300	
Drawings	5,000	
Machinery	28,000	
Bank	4,500	
Cash	2,000	
Stock	5,200	
Debtors	2,500	
Creditors		1,000
	66,000	66,000

Adjustment required :

(a) Stock on hand at December 31, 1970 Rs. 4,900.

(b) Salaries owing Rs. 300.

(c) Rent paid in advance Rs. 200.

(d) Insurance paid in advance Rs. 90.

(e) Depreciation on machinery by 10 per cent.

(f) During December Naicker took Rs. 100 in goods for its own.

Give in Journal form the necessary adjusting and closing entries.

15. From the following Balance sheets of the company for the ending 31st December 1993 and 31st December 1994, prepare schedule of changes in working capital and a statement showing sources and application of funds.

Liabilities	31st December 1993 (Rs.)	31st December 1994 (Rs.)	Assets	31st December 1993 (Rs.)	31st December 1994 (Rs.)
Share capital	3,00,000	4,00,000	Plant and machinery	50,000	60,000
Sundry creditors	1,00,000	70,000	Furniture and fittings	10,000	15,000
P/L a/c	15,000	30,000	Stock in trade	85,000	1,05,000
			Debtors	1,60,000	1,50,000
			Cash	1,10,000	1,70,000
	4,15,000	5,00,000		4,15,000	5,00,000

Second Semester

INTERNATIONAL ECONOMICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the scope of international economics.

2. Explain the relevance of samuelson model theory on international trade.

3. Explain the recent dimensions on global trade.

4. Do you advaocate protectionist policy today? Give reasons.

5. Explain the impact of disequilibrium in BOP.

6. Explain the influence of gold standard on exchange rate.

7. Explain the merits and demerits of FDI.

8. 'Technology transfer is the outcome of globalisation' Explain.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Explain the applicability of 'Comparative cost advantages Theory' in the present context.

10. Classical theories on international trade have become obsolete. Do you agree?

11. "Free Trade is an unmixed blessing". Do you agree?

12. 'Trade barriers still stand in the way of free trade explain.

13. Explain the significance of maintaining equilibrium in international trade.

14. Explain the various determinants of exchange rates. Discuss its impact on international trade.

15. Explain the role of IMF in supporting under developed and developing nations.

Second Semester

ORGANISATIONAL BEHAVIOUR

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. State the reasons to study Organisational Behaviour.

2. What are the sources of attitude?

3. What are the factors affecting the cohesiveness of a group?

4. Explain the importance of communication.

5. What are the Consequence of Stress?

6. What are the types of organisational culture?

7. Why do people resist change?

8. State the benefits of OD.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the models of organisational behaviour.

10. What are the financial and non-financial motivators?

11. What are the determinats of personality?

12. Explain the styles of Leadership.

13. What are the barriers of effective communication? Explain.

14. How to overcome resistance to change? Discuss.

15. Discuss the various OD intervention techniques.

Second Semester

INTERNATIONAL MARKETING

(2005 Onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE of the following.

1. Explain Regiocentric approach in International marketing.

2. Discuss the significance of market segmentation.

3. Write about Product Standardization and Product Adaptation.

4. Give short notes on International Brand decisions.

5. Is Dumping, an attractive competitive price strategy for a company? – Discuss.

6. Discuss about the ways of managing International Sales personnel.

7. Explain the advertising media options available in different parts of the world.

8. Describe indirect distribution channel.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR of the following

9. Discuss the challenges a firm face in International Marketing.

10. Analyse the factors influencing Consumer Behaviour.

11. Explain in detail 'International Product Life Cycle'.

12. Explain the factors to be considered in International Product Packaging.

13. Discuss 'Promotion Mix' in Global marketing context.

14. Explain Pricing Strategies adopted in International Marketing.

15. Discuss the importance of 'International Marketing Research'.

LEGAL ENVIRONMENT OF INTERNATIONAL BUSINESS

(2005 onwards)

Time : Three hours Maximum :100 marks

SECTION A— (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are the obligations of Seller?

2. Enumerate the objectives of FTDR Act.

3. What are the provisions related to secrecy direction?

4. What is the procedure for registration under trade and merchandise marks Act?

5. What are the purposes of Arbitration?

6. What are the functions of RBI under FEMA?

7. Explain the regulations of receipts and payments to resident outside India.

8. State the rules of derivative contracts in foreign exchange.

SECTION B— (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the provisions of passing of risk in international sale contracts.

10. Describe the role of DGFT.

11. Explain the working of patent and infringement of patent.

12. What are the privilages provided to nationals and non-nationals for foreign trademark?

13. Explain domestic arbitration and international arbitration.

14. State the rules of foreign exchange possession, retention, realisation, repatriation and surrender.

15. Explain the provisions regulating export of goods and services.

EXPORT MANAGEMENT AND DOCUMENTATION

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define bill of lading. Describe its salient features.

2. What are the types of shipping bill? Explain.

3. Explain the documents required for shipment of cargo.

4. What are the fund based assistances of EXIM bank for exporters?

5. What are the procedures for availing export incentives? Explain.

6. Explain the direction of India's exports.

7. Describe the services provided by ECGC to exporters.

8. State the role of export processing zones.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is letter of credit? Explain the different types of letter of credit.

10. Explain the procedures and documents required for multimodal transport.

11. What do you mean by EPCG? Discuss the various conditions for fulfilling export obligation under EPCG.

12. What do you understand by marine insurance? Evaluate the procedures for marine insurance claims.

13. Discuss the different types of guarantees issued by ECGC to banks.

14. What are the various policies available in marine insurance?

15. What are the incentives available to exports in India? Explain.

INTERNATIONAL MARKETING LOGISTICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the concept and objective of marketing logistics system.

2. Discuss the characteristics of shipping transport.

3. Discuss the functions and services of shipping agents and surveyors.

4. What are the various types of port?

5. Write a short note on Demurrage.

6. Write a short note on hiuse stuffing.

7. Discuss the characteristics of shipping transport.

8. Write a short note on MTD.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the importance and relevance of marketing logistics system to export marketing management.

10. Explain the multi-model transport system.

11. Explain the process of loading and unloading in warehouses.

12. Discuss the problems and prospects in ocean transportation.

13. Explain the technological developments in ocean transportation.

14. Explain the International setup for air transport.

15. Explain the nature of warehousing and storage imports in port.

INTERNATIONAL BUSINESS RESEARCH AND INFORMATION SYSTEM

(2005 onwards)

Time : 3 Hours Maximum : 100 Marks

PART A – (5 × 8 = 40 mark)

Answer any FIVE questions.

1. What do you mean by international business research? Explain its need.

2. State and explain the important features of a good international research design.

3. Highlight the merits of the interview method of collecting data.

4. What precautions a researcher should take before using secondary data?

5. Write a short note on Likert-type scale with an example pointing out its merits.

6. What steps are involved in designing a sample for international business research?

7. State the role of internet in Business Information System.

8. How does Business Information System help in global marketing?

PART B –(4 × 15 = 60)

Answer any FOUR questions.

9. Explain the scone and objectives of international business research.

10. How is product research undertaken in the international business?

11. Clearly explain the differences between collection of data through questionnaires and schedules.

12. Why probability sampling is generally preferred in comparison to non-probability sampling?

13. Explain the various steps involved in writing a research report.

14. Discuss the steps involved in planning and designing Business information System.

15. Explain the role of Business Information System in promoting global production.

FOREIGN EXCHANGE MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Discuss the importance of foreign exchange in International trade.

2. Describe the distinctive features of foreign exchange market.

3. Illustrate Flow Model.

4. Write a note on Purchasing Power Parity.

5. What are the factors affecting forward rate?

6. Write a note on :

   (a) currency swap

   (b) interest rate swap.

7. What is netting and offsetting?

8. What are VOSTRO and NOSTRO Accounts?

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Explain the different methods of quoting foreign exchange rates.

10. Explain the major aspects in the organisation of foreign market.

11. Explain the absolute and relative versions of the PPP theory.

12. Explain and compare Nominal Effective Exchange Rate and Real Effective Exchange Rate.

13. Explain the mechanism in Option Contracts.

14. Analyse the various economic consequences of change in Exchange rates.

15. Write short notes on :

    (a) LORO Account

    (b) Foreign Exchange Reserves

    (c) Foreign Exchange Management.

MANAGEMENT STRATEGIES OF MNCs

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is a 'multinational corporation'? State the different types of multinational corporations.

2. What is meant by 'vision'? How does it differ from 'mission'?

3. What is meant by foreign direct investment? What are its advantages as a form of ownership strategy?

4. What is meant by vertical integration? Explain with examples.

5. What are the merits of cross border mergers and acquisitions?

6. Explain the generic strategies suggested by Michael Porter.

7. What is a global virtual team? What are the drawbacks of such an organisation structure?

8. State the organisational aspects involved in the integration of subsidiaries.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Does corporate social responsibility make business sense? Substantiate your answer.

10. What is meant by environmental scanning? State and explain the different segments of the external environment that influence strategic planning.

11. Discuss the problems and benefits of multinational corporations.

12. What are the major strategic differences between marketing domestically and marketing internationally?

13. What are strategic alliances? What are the strategic issues associated with international strategic alliances?

14. Compare and contrast a worldwide geographic organisation structure with a worldwide product organisation structure. When is a worldwide product structure more appropriate than a worldwide geographic structure?

15. Discuss the different forms of growth strategy with examples.

Third Semester

WORLD RESOURCES

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the usefulness of the study of resources.

2. Write about the Entrepreneurial and managerial resources available in developing countries.

3. Discuss the different types of soils.

4. Write about the features of 'cool temperate regions'.

5. List down the direct and indirect benefits of forests.

6. Discuss the different types of energy.

7. Comment on the role of MNC's in Energy project in developing countries.

8. Give a general outline of world trade in manufactured goods.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss the dynamic character of world resources.

10. Analyse the impact of growth of population on world resources.

11. Comment on Monsoon Regions.

12. Elaborate the different types of farming.

13. Discuss the scenario of world trade in agricultural and allied products.

14. Analyse the need for energy conservation and development of non-conventional energy sources.

15. Discuss the factors to be considered while locating an automobile assembly plant.
