NASSCOM Foundation Training Programme – Notification

National Association of Software and Service Companies (NASSCOM) initiated certificate course to be conducted by Mouktik Consultancy Services Private Limited, Hyderabad, Telungana under Corporate Social Responsibility (CSR). The followings are the salient features of the course.

1. Courses on Artificial Intelligence, Data Science, Cyber Security, Internet of Things, UI and UX
2. Total duration will be 100 hours, in which 80 hours will be spent for domain courses and 20 hours will be for self practice
3. The entire course is free of cost.
4. All the courses can be accessed through webinars and LMS portal.
5. Certificate will be issued by NASSCOM.

Second and third years students of all branches of 2021-22 batch are requested to register their details in the given format available in their departments. Classes shall commence from 1st September 2021 onwards.

Best wishes for success in all your efforts.

Dr.S.BHARATHI RAJA
