ALAGAPPA UNIVERSITY

(A State University Re-accredited with 'A' Grade by NAAC)

KARAIKUDI – 630003

A Two Day National Conference On

Perspectives and Prospects of Technology Enabled Learning (COPPTEL -2016)

31st March & 1st April, 2016

venue
L.CT.L. Palaniappa Chettiar Auditorium

Organized by
DEPARTMENT OF EDUCATION
ALAGAPPA UNIVERSITY
KARAIKUDI – 630003
Tamil Nadu

ABOUT THE UNIVERSITY

Karaikudi a town known for mansions, banking and trade, has a place in the national map on account of the Central Electro Chemical Research Institute, the land for which was generously donated by the philanthropist par excellence Dr.RM. Alagappa Chettiar, Founder of this university. Alagappa University spread on a vast campus of 420 acres, re-accredited with 'A' grade by NAAC, having "Excellence in action" as its motto, is making impressive strides in the key dimensions of higher education – Pedagogy, Extension, Application, Research & Learning (PEARL). The University is a great boon for those belonging to the immediate community which remained backward for several decades.

ABOUT THE DEPARTMENT

Since its inception in 1986, The Department of Education provides enhanced access to higher education to all social categories based on equity and relevance. The department has produced more than 225 Ph.D.s in the 27 years and successfully completed more than 55 projects funded by several State, National and International level agencies. The Courses offered by the department are: M.Ed., M.Phil., (F.T.) and M.Phil., (SSP) Ph.D., (FT &PT). The department is also doing many extension activities. It is a matter of High Pride that the NAAC Team which visited in 2005 suggested that the Department of Education may be upgraded in to a center for excellence in Educational Research.

THEME OF THE CONFERENCE

Education of the present day is undergoing lot of changes to meet the demands of the constantly evolving society. The Current revolution in the field of education is Technology in education. The gadgets of the various technology especially from the IT, CT and ICT are playing predominant role in the 21st century classrooms. The today's learners are the digital natives who are technologically dependent and their learning can be optimized through the administration of such technology. The learning is enabled and enhanced through technology in the current scenario. Thus, this conference intends to bring out the shades of opinion about the technology enabled learning
