Organizing Committee:

Prof. S. Sudalaimuthu
Chief Patron
Vice Chancellor, Alagappa University

Prof. V. Manickavasagam
Patron,
Registrar, Alagappa University

Prof. R. Natarajan
Head

Prof. C. Ganesa Moorthy

Dr. N. Anbazhagan
Organizing Secretary

Dr. R. Roopkumar

Dr. J. Vimala

Dr. S. Amutha

Dr. R. Raja

Mrs. B. Sundaravadivoo

Address for Communication

Dr. N. Anbazhagan
Organizing Secretary,IWMAM

International Workshop on

MATRIX ANALYTIC METHODS IN STOCHASTIC MODELS

January 07-09, 2013

Venue : Seminar Hall, Convocation Auditoriam

Organized by
Department of Mathematics and
Ramanujan Centre for Higher Mathematics
Alagappa University
(Reaccredited with 'A' grade by NAAC)
Karaikudi – 630 004

DEAR RESEARCHER,

We take great pleasure to inform you that the Department of Mathematics and RCHM, Alagappa University, Karaikudi is organizing an International Workshop on Matrix Analytic Methods in Stochastic Models during January-07-09, 2013 at Department of Mathematics.

We cordially invite the faculty members and research scholars of your esteemed institution to participate in this Workshop.

N. Anbazhagan
Organizing Secretary

OUR INSTITUTION:

Alagappa University was brought into existence by a special Act of the Government of Tamil Nadu in May 1985 with the objective of fostering research and dissemination of knowledge in various branches of learning. The University has emerged from the galaxy of educational Institutions founded by the munificent and multifaceted personality (late) Dr. RM. Alagappa Chettiar. It has a vast campus of over 430 acres. Alagappa University is recognized by the UGC. It is a member of Association of Indian Universities as well as a member of the Association of Common wealth Universities.

ABOUT THE DEPARTMENT AND RCHM :

The Department was established in 1985. The Department offers M.Sc., M.Phil., and Ph.D Programme in Mathematics. The Department conducts various research activities in the following areas: Fuzzy Mathematics, Graph Theory, Lattice Theory, Functional Analysis, Stochastic Process, and Topology.

Ramanujan Centre for Higher Mathematics(RCHM) was established by the Alagappa University on 2006. Professor K. Kasturirangan, Member, Planning Commission of India, former Member of Parliament, ISRO Chairman and Director of NIAS, Bangalore, inaugurated this centre on 9th September, 2006. Honourable Minister for Finance Shri P. Chidambaram blessed the occasion. Honourable Prime Minister of India Dr. Manmohan singh has declared open the new building of Ramanujan Center for Higher Mathematics(RCHM) on December 22, 2011. Also the Centre conducts various research activities in Mathematics.

OBJECTIVE OF THE WORKSHOP:

The main objective of the workshop is to provide an interactive forum to discuss the major developments in Matrix Analytic Methods. It is proposed to have discussions on analytical, computational and applicable views in Stochastic Models. This workshop will facilitate the researchers to do effective research in the field of Stochastic Modeling. The workshop participants will have an opportunity to learn the important contributions of Stochastic modeling by using Matrix Analytic Method as applied to R&D and problem solving in the operations and strategic developments associated with real life problems.

Matrix-analytic methods are fundamental to the analysis of a family of Markov processes rich in structure and of wide applicability. They are extensively used in the modeling and performance analysis of computer systems, Tele communication networks, network protocols and many other stochastic systems of current commercial and engineering interest.

RESOURCE PERSONS:

Prof. **S. R. Chakravarthy,** Kettering University, USA

Prof. **B. D. Choi,** Sungkyunkwan University, Korea.

Prof. **A. Krishnamoorthy,**
Cochin University of Science and Technology, Cochin.

Prof. **S. Udhayabaskaran,** Veltech, Chennai.

Prof. **G. Arivarignan,** Madurai Kamaraj University, Madurai.

Prof. **A.Krishnakumar,** Anna University, Chennai.

HOW TO APPLY:

Intending participants are invited to submit a filled-in application in the prescribed format along with a Registration fee on or before 14.12.2012. The Registration fee includes workshop kit, working lunch and refreshment.

Registration fee :

Faculty : ₹1000
Students : ₹ 750

The registration fee can be made through Demand Draft in favor of the **"Organizing Secretary, IWMAM Payble at Karaikudi".**

ACCOMMODATION

Participants are requested to make their own arrangements for stay. Accommodation will be arranged on request for reasonable rate in our campus.

PARTICIPANTS

Applied Probabilists, System Analysts, Operations research analysts, Applied statisticians, Communication and computer engineers, Electrical engineers and Industrial engineers.

ALAGAPPA UNIVERSITY
(Reaccredited with 'A' grade by NAAC)
