M.B.A. (General) (Semester) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGEMENT CONCEPTS

(2012 Academic year onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5× 8 = 40 marks)

Answer any FIVE questions.

1. What do you mean by social responsibility of management?

2. Explain various levels of hierarchy in management.

3. Discuss the characteristics of good plan.

4. What are the steps involved in decision making?

5. What are the various types of departmentation?

6. What are the dimensions of motivation?

7. Brief the importance of co-ordination.

8. Discuss business process re-engineering.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. "Management is the art of getting things done through and with people" – Discuss.

10. Explain planning premises. In detail.

11. What is Decision Making? Explain the classification of decisions. with examples.

12. Explain the advantage and disadvantages of committees.

13. Discuss in detail about any two leadership styles.

14. Describe the importance and techniques of staffing.

15. Enumerate the foresight perspectives in management.

First Semester

ORGANISATIONAL BEHAVIOUR

(2012 Academic Year onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are the key elements of OB?

2. List down any five traits that determine personality.

3. What are the components of attitude?

4. What are the influences of stress on an individual's personality?

5. Differentiate group from team.

6. What are the reasons for organizational policies?

7. How does organisational culture is created?

8. What are the challenges faced by OB at international level?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain any four model of OB.

10. Discuss the importance of studying personality by you.

11. Briefly explain the perceptual process and its implications on managerial decision.

12. Explain the methods of personality assessment.

13. Explain the methodologies for developing and ensuring team effectiveness.

14. How does Leadership effect organisational culture? Explain with suitable examples.

15. Explain the various approaches to managing organizational change.

DE–6584 **13**

DISTANCE EDUCATION

M.B.A. (General) (Semester) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGERIAL ECONOMICS

(2012 Academic Year onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. "Managerial Economics is concerned with normative each". Explain.

2. Why do most demand curves slope downward to the right?

3. Explain briefly sunk cost with examples.

4. Explain the features of perfect competition.

5. Explain the effects of deflation.

6. State the relationship between AR and MR curves.

7. Distinguish between total utility and marginal utility.

8. Explain

   (a) GDP and GNP

   (b) National Income.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Describe the subject matter and scope of managerial economics.

10. What are the determinants of demand? Explain.

11. Explain about the balance of payment.

12. Explain the various methods of computing national income and bring out the difficulties in computing IT.

13. What are the stages of business cycles? How to control business cycles?

14. Explain the important aim of profit policy.

15. State and illustrate the types of inflation.

DISTANCE EDUCATION

M.B.A. (General) (Semester) DEGREE EXAMINATION, MAY 2013.

First Semester

QUANTITATIVE METHODS

(English medium only)

(2012 Academic Year onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define linear and non-linear functions and plot the functions.

   $x^2 + 2x + 3 = 0$ and $4x + 7 = 0$ in graph.

2. Find the maximum of $z = 6x + 8y$

   Subject to :

   $5x + 2y \leq 20$

   $x + 2y \geq 10$

   $x, y \geq 0$ by solving its dual problem.

3. Use simplex method to solve LPP :

   Max $z = 3x_1 + 2x_2$

   Subject to :

   $x_1 + x_2 \leq 4$

   $x_1 - x_2 \leq 2$

   $x_1, x_2 \geq 0.$

4. Explain the principle of maximin-minimax.

5. State and explain Baye's theorem.

6. What do you mean by probability? Explain the importance of probability.

7. What is break-even analysis? How it is useful for business decisions?

8. What are the types of decision making situations?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain Monte-Carlo technique in detail.

10. Explain the significance and scope of quantitative techniques.

11. Describe the applications of linear programming.

12. Use simplex method to solve the LPP :

Min $z = x_2 - 3x_3 + 2x_5$

Subject to :

$$\begin{aligned} 3x_2 - x_3 + 2x_5 &\le 7 \\ -2x_2 + 4x_3 &\le 12 \\ -4x_2 + 3x_3 + 8x_5 &\le 10 \\ x_2, x_3, x_5 &\ge 0. \end{aligned}$$

13. Given below is a pay-off table.

	Event (State of nature)			
Action	E_1	E_2	E_3	E_4
A_1	50	300	–150	50
A_2	400	0	100	0
A_3	–50	200	0	100
A_4	0	300	300	0

Suppose that the probabilities of the events in this table are $P(E_1) = 0.15$; $P(E_2) = 0.45$; $P(E_3) = 0.25$; $P(E_4) = 0.15$.

Calculate the expected pay off. Prepare opportunity loss table (regret table) and calculate expected loss of each action.

14. A product is assembled from three components A, B and C and the probability of these components being defective is 0.01, 0.02 and 0.05.

What is probability that the assembled product will not be defective?

15. Find an I.B.F.S to the following transportation problem using Vogel's approximation method.

	A	B	C	D	Capacity
O_1	10	12	9	5	12
O_2	4	5	13	6	8
O_3	6	7	12	7	10
Demand	4	8	8	10

First Semester

BUSINESS LAWS

(2012 Academic Year onwards)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — ($5 \times 8 = 40$ marks)

Answer any FIVE questions.

1. List out the various essentials of valid contract.

2. What is effect of a minor's misrepresentation of his age while entering in to an agreement?

3. What are the various ways in which the agency is created?

4. Distinguish between conditions and warranties.

5. What are the functions of consumer protection council?

6. Explain the liabilities of parties to an accommodation bill.

7. What are the exception to Non-Registration of the firm?

8. Define a private company and state the special privileges which it enjoys under the companies act.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss briefly the remedies allowed by Indian contract, of the aggrieved person incase of breach of contract.

10. List out the circumstances under which surety is discharged.

11. How a contract of sale is made? State the necessary formalities of such a contract briefly.

12. Distinguish between a promissory note and bill of exchange.

13. Define Partnership. What are its essential features?

14. Discuss the various stages in the formation of a company.

15. Discuss in detail the contents and the form of a prospectus.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(2012 Academic Year Onwards)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — ($5 \times 8 = 40$ marks)

Answer any FIVE questions.

1. Define Accounting. What are the important functions of Accounting?

2. What accounts should be debited and credited in the following transactions?

   (a) Goods sold for cash

   (b) Goods sold to Mr.Siva on credit

   (c) Cash paid to Mr.Kumar

   (d) Interest received on Investment

   (e) Drew cash from bank for office use

   (f) Discount received on sales

   (g) Received cash from Mr.Ramesh

   (h) Started business with cash.

3. What is meant by Journal? Explain the different types of journals.

4. Record the following transactions in the cash book and post them in the ledger.

   (a) JAN. 1 Cash balance Rs.5,000

   (b) JAN. 6 Sold goods to Mahesh Rs.4,000

   (c) JAN. 8 Purchase goods from Mukesh Rs.4,000

   (d) JAN.15 Cash received from Mahesh Rs.3,900 in full satisfaction

   (e) JAN.20 Paid to Mukesh Rs.2,830 in full satisfaction

   (f) JAN. 25 Sold goods to Suresh Rs.3,000

   (g) JAN. 31 Received cash from Suresh Rs.2,900 in full satisfaction

5. Write short notes on :

   (a) Stock turnover ratio

   (b) P/E ratio

   (c) Proprietary ratio

   (d) Yield ratio

6. Following are the extracts from the balance sheet of a company as on 31st December, 1996 and 31st December, 1997. You are required to calculate funds from operations :

	As on 31.12	
	1996	1997
	Rs.	Rs
Profit & Loss appropriation a/c	30,000	40,000
General reserve	20,000	25,000

Good will	10,000	5,000
Preliminary expenses	6,000	4,000
Provisions for depreciation on machinery	10,000	12,000

7. What do you mean by a Budget? Briefly explain the different types of Budgets.

8. A company produces two articles "A" and "B". Each unit takes 4 hours for "A" and 10 hours for "B" as production time respectively. The Budgeted production for April, 2003 is 400 units of "A" and 800 units for "B". The actual production at the end of the months was 320 units of "A" and 850 units of "B". Actual hours spent on this production was 200. Find out the capacity, activity, and efficiency ratios for April 2003.

   Also find out the calendar ratio if the actual working days during the month be 28 corresponding to 26 days in the budget.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Journalise the following transactions in the books of Sakesha & co;

2010

Jan 1 Sakesha starts business with Rs.40,000

1 Paid in to Bank Rs.36,000

2 Bought furniture for Rs.1,700 and typewriter for Rs.3,000 payment made by cheque

5 Goods purchased from Ram & Co, Rs.11,200 on credit

7 Goods purchased from Par & Co, Rs.2,200 on cash

8 Goods sold on credit to Gupta & Co Rs.3,000

10 Goods sold on credit to Chandra & Co Rs.5,600

11 Paid for office stationery Rs.500

12 Paid rent Rs.400

14 Brought fixtures for Rs.2,000

17 Received cash from Gupta & Co Rs.2,940 ; Allowed them discount Rs.60

20 Issued cheque for Rs.11,000 in full settlement (i.e., nothing more is due them) to Ram & co.,

25 Paid in to Bank Rs.2,400

30 Paid insurance premium Rs.900 by cheque

10. Enter the following transactions in proper subsidiary books and post in to ledger.

2000

Jan 1 Goods purchased from A&A & Co Rs.40,000

3 Goods sold to S & Co Rs.20,000

5 Kumar & Co sold goods to Us Rs.20,000

10 William purchased goods from US Rs.14,000

15 Damaged goods returned by S&S & Co Rs.1,600

20 Damaged goods returned to A&A & Co Rs.1,000

22 Damaged goods returned by William Rs.1,800

25 Good sold to Ravi and Co., for cash Rs.10,000

27 Bought goods from Jhon & Co Rs.12,000

29 Damaged goods returned to James & Co Rs,2000

31 Goods sold to Ram & Co Rs.12,000

11. From the following particular of Mrs. Raman and Co, you are required to prepare Trading, Profit and Loss account and balance sheet for the year ended 31.12.2003.

	Rs.		Rs.
Sales	65,000	Discount allowed	100
Sales return	500	Discount received	500
Opening stock	8,000	Salaries	3,000
Purchase	29,000	Interest paid	400
Purchase return	300	Furniture	3,000
Direct wages	5,000	Buildings	20,000
Direct expenses	5,000	Plant and Machinery	20,000
Carriage inwards	4,000	Cash in hand	1,000
Capital at the beginning	30,000	Bills payable	6,200
Drawings	5,000	Reserve for bad and doubtful debts	500
Sundry Dr's	10,000	Bad debts	300
Sundry Cr's	12,000	Closing stock at the end	8,000

Additional information :

(a) Outstanding salaries Rs.500

(b) Interest on capital at 10% p.a.

(c) Depreciation on plant and machinery at 10%

(d) Prepaid of interest Rs.100

(e) Provision for bad and doubtful debts at 10% on debtors.

12. What do you understand by Financial Statements? Explain briefly the nature and scope of its.

13. What do you understand by Fund from operations? Briefly explain the procedure for preparation of Fund Flow Statement.

14. A department of Tan India Company attains sale of Rs.6,00,000 at 80% on its normal capacity and its expenses are given below :

Particulars	Rs.
Administration costs :	
Office salaries	90,000
General expenses	2% on sales
Depreciation	7,500
Rate and taxes	8,750
Distribution costs :	
Wages	15,000
Rent	1% of sales
Other expenses	4 % of sales
Selling cost :	
Salaries	8 % of sales
Travelling expenses	2 % of sales
Sales office	1 % of sales
General expenses	1 % of sales

Draw up flexible administration, selling and distribution cost budget, operating at 90%, 100% and 110% of normal capacity.

15. Write short notes on :

(a) Production budget

(b) Cost of production budget

(c) Material budget.

Second Semester

BUSINESS ENVIRONMENT (English medium only)

(2012 Academic Year)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What is business environment? State the importance of scanning the environment.

2. How does political forces influence the business policy of an organisation?

3. State the salient features of industrial licensing.

4. Comment on the sources of finance for Indian five year plans.

5. Enumerate the steps taken by the government to control inflation in India.

6. Explain the government policy on foreign direct investment.

7. State the danger of mergers and acquisitions.

8. Discuss the role of banks for the development of industries in India.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. How does economics and legal forces. influence the business policy of an organisation?

10. Analyse the problem of unemployment in India.

11. Elucidate the role and impact of financial institute the economic development of our country.

12. Examine the need and impact of technology transfer in India's economy.

13. Do you think that foreign direct investment will be a panacea for India? Also quote the impact of FDI in telecommunication sector.

14. Examine the problems of small-scale industries and suggest measures to over come them.

15. In the context of globalisation, What are the areas that India should focus and why? Discuss the constraints in this context.

RESEARCH METHODS

(2012 Academic year onwards)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Describe the different types of Research and their uses.

2. Discuss the scope and objectives of a good research design.

3. Explain the factors to be considered to avoid errors in sampling.

4. Explain the various types of scales used in measurement for a research.

5. How can a researcher construct a valid questionnaire for data collection?

6. What is the need for editing, coding and classifying of data? Explain with example.

7. Evaluate the criteria in identifying suitable test of significance for the research data.

8. Explain the various elements to be included in a good research report.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Write short notes on

   (a) Pure Research ;

   (b) Applied Research ;

   (c) Analytical Research ;

   (d) Descriptive Research and

   (e) Experimental Research.

10. Describe the term "Hypothesis". Explain testing of hypothesis.

11. How to prepare a good research report? Explain.

12. Differentiate between the followings ;

    (a) Sampling and non-sampling errors ;

    (b) Probability and non-probability; and

    (c) Census method and sampling method.

13. Explain the steps in report writing. Describe the precautionary measures to be taken in writing the research reports.

14. What are the various primary data collection instruments used in research? Explain.

15. Explain the advantages and limitations of qualitative research.

INTERNATIONAL BUSINESS

(2012 Academic Year onwards)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Why Regulation of International Business should be carried out? Explain.

2. Explain the factors influencing International Business.

3. Briefly explain the strategies adopted by MNCs.

4. Explain the impact of trading blocks on their member states.

5. What are the restrictive clauses in the foreign colloboration? Explain with suitable illustration.

6. Critically examine the success of Indian Joint Ventures Abroad.

7. Write short notes on Anti-dumping duties.

8. What are the International Institution involved in settlement of International Commercial disputes? Explain.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss in detail the relationship between Technology and International Business.

10. Highlight the concept and organisation structure of MNCs.

11. Write short notes on

    (a) ASEAN

    (b) SAPTA

12. Critically examine the role played by Government of India in Foreign Colloborations and Joint Ventures.

13. Explain the functions of UNCTAD.

14. Briefly explain the procedure in drafting arbitration agreements.

15. Discuss in detail the procedure of Dispute settlement and Countervating duties under WTO.

MANAGEMENT INFORMATION SYSTEM

(2012 Academic Year onwards)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — ($5 \times 8 = 40$ marks)

Answer any FIVE questions.

1. Explain System Design.

2. Write the Characteristic and Basic Requirements of MIS.

3. Discuss briefly on AI and Expert Systems.

4. Explain Data Processing.

5. Write short notes on online information service.

6. Write note on LAN and video conferencing.

7. Discuss about electronic data interchange and its application.

8. How Internet is useful in E-Commerce?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss computerised MIS in details.

10. Describe the steps involved in system analysis and design.

11. Explain the recent development in information technology.

12. Discuss briefly on ERP and value added networks.

13. Explain briefly on digital networks and communication servers.

14. Explain the Pre-Requisites of an effective MIS.

15. Explain the following

    (a) CASE ;

    (b) DFD ;

    (c) SDLC.

———————
