SCHOOL OF PHYSICS

(UGC-SAP and DST-FIST Assisted)

ALAGAPPA UNIVERSITY

(Accredited with 'A' Grade by NAAC)

KARAIKUDI – 630003.

ABOUT THE DEPARTMENT

Department of Physics has started functioning since the day of inception of Alagappa University and offering postgraduate and doctoral level programmes. Though it is located in the rural outskirts of Sivaganga district, it has produced about 54 Ph.D's, 275 M.Phi's and 440 M.Sc.'s. Currently 48 scholars are working for their Doctoral programme in various fields of research such as thin film semiconductors, transparent conducting oxides, energy materials, polymer electrolytes, NLO single crystals, semiconductor synthesis, dielectrics etc.

In a short span of time, the Department has been identified under UGC-SAP and DST-FIST programmes of Government of India with the intention to encourage the "Pursuit of Excellence" and to accelerate the realization of international standards in research fields. Several research funding agencies such as DAE, DST, UGC, UGC-DAEF, CSIR, DRDO, AICTE, TNSCST, TNSCHE and MNES have sponsored major research projects with a grant of Rs.3.5 crores. Major analytical facilities such as XRD, FT-IR, UV-VIS-NIR, PL & PA spectrophotometer, impedance analyzer, surface profiler are available in the department for characterization work.

ABOUT THE CONFERENCE

In this conference, several prominent researchers will deliver lectures and share their experience on the current trends and developments on Energy Materials. The NCRTEM-2010 aims to provide an opportunity to the participants to grasp the state of the art in the design (tailoring) and synthesis of novel materials as well as their detailed characterization, to equip them with knowledge base related to the device concept. The technological applications emerging from these materials are viz. Lithium ion batteries, fuel cells, sensors, super capacitors, NLO materials, solar energy etc. This conference will provide a platform for the collaboration amongst the Materials Science researchers all over India. The young researchers entering this field are particularly encouraged.

THEME OF THE CONFERENCE

- **Lithium Batteries, Fuel Cells**
- **Semiconductor materials, Thin films**
- **Electrochromic devices, Sensors, etc.**
- **Materials science**
- **NLO materials**
- **Bio/Nonconventional energy materials**
- **Nanomaterials and Nanotechnology**
- **New, Advanced/Smart materials & Technologies**

CALL FOR PAPERS

The organizing committee invites original research papers for **Oral/Poster** presentation. Authors are requested to submit an abstract of their work in about **300 words typed in 1.5 space in Times New Roman font of 12pt on A4 size paper with 2.5cm margin on all sides.** Figures and tables, if any, should be indicated within this area. The abstract should carry the title of paper, names and complete addresses with email and mobile number. Author presenting the paper should be **underlined**. Authors are requested to send one copy of abstract by E-mail : ncrtem2010@yahoo.com Conference souvenir will be released on the day of conference.

IMPORTANT DATES

Submission of Abstract with Registration Fee	**: 20.02.2010**
Intimation of Acceptance	**: 22.02.2010**
Submission of Manuscript	**: 25.02.2010**

REGISTRATION

Interested participants are requested to send their registration forms to the Convener along with the registration fee. The registration fee should be in the form of DD drawn in favour of **CONVENER, NCRTEM-2010,** payable at Karaikudi.

Delegates from Academic/ Research Institutions	**: Rs. 500/-**
Delegates from Industries	**: Rs.1000/-**
Student delegates/ Research scholars	**: Rs. 300/-**
