DEPT OF BIOTECHNOLOGY
ALAGAPPA UNIVERSITY
KARAIKUDI

BIO-OMICS-2022

27-28 MAY 2022
FRI-SAT

NATIONAL LEVEL CONFERENCE ON BIOTECHNOLOGY AND OMICS SCIENCES - 2022

VENUE

BIOTECH SEMINAR HALL, DBT
ALAGAPPA UNIVERSITY
KARAIKUDI

LIST OF SPEAKERS

PROF. K. DHARMALINGAM
DIRECTOR-RESEARCH, ARAVIND MEDICAL RESEARCH FOUNDATION MADURAI.

DR. C. DAMODARAN
FORMER DIRECTOR, FORENSIC SCIENCES DEPARTMENT, CHENNAI.

PROF. P. KALIRAJ
VICE-CHANCELLOR
BHARATHIYAR UNIVERSITY, COIMBATORE.

PROF. M. KRISHNAN
VICE-CHANCELLOR
CENTRAL UNIVERSITY OF TAMIL NADU
THIRUVARUR.

DR. V. RAVICHANDIRAN
DIRECTOR, NIPER, KOLKATA.

PROF. KUMARAVEL SOMASUNDARAM
MCBL, IISC, BENGALURU.

DR. K. THANGARAJ
DIRECTOR, CDFD, HYDERABAD.

DR. KRISHNAN V
RTD - CHIEF SCIENTIST, R&T INNOVATION
ITC-LSTC, BENGALURU.

DR. JAMES P. BHASKAR
SR. PRINCIPAL SCIENTIST, ITC-LSTC
BENGALURU.

PROF. A. K. MUNIRAJAN
HEAD, DEPARTMENT OF GENETICS,
DIRECTOR, DR. ALM PG IBMS, CHENNAI.

OMICS Science has become an integrated part of modern science. It provides the tools to find the detailed differences in DNA, RNA, proteins, and other cellular and molecular mechanisms. The study of genome, transcriptome, proteome, and metabolome is called OMICS. This field has enormous contributions to the advancement of Biotechnology. These newer technologies have improved the process to understand the infectious and noninfectious disease condition, progression, cellular response and treatments. This conference will discuss the importance of individual OMICS techniques and its advancements in the field of Biotechnology. The conference will highlight the potential of combining different types of techniques/tools in each OMICS in human, animal and plant health. We hope that the conference will offer a broad scientific knowledge by integrating various OMICS technologies in an enlarged vision to the attendees.

Who can apply?

Faculty members, Research Scientists, Post-Doctoral Fellows, Research Scholars and PG students from Universities/Colleges/R & D Institutions/Industries, working in the area of Life Sciences.

Registration details

Interested candidates are invited to submit their duly filled in registration form on or before 10.05.2022 to the email ID **bio.omicsci@gmail.com**. The participants can pay the registration fee (either by DD or Net-Banking **or UPI transaction**) on or before 20.05.2022 to the given bank account. The registered delegates would be entitled for admission to opening session, entrance to all scientific sessions, and conference materials, morning and afternoon refreshments and lunch.

Registered delegates are requested to produce the COVID-19 vaccination certificate with their registration form.

PARTICIPANT	PG STUDENT	Ph. D. SCHOLAR	SCIENTIST/ FACULTY MEMBER	INDUSTRY
Registration Fee	800	1500	2500	5000

DD FAVOUR TO "NATIONAL CONFERENCE ON BIOTECHNOLOGY AND OMICS SCIENCES-2022"

Account Number	Bank Name/Branch	IFSC
7180493429	INDIAN BANK/ A C CAMPUS	IDIB000A008

ORGANIZING COMMITTEE

PATRON : VICE-CHANCELLOR, ALAGAPPA UNIVERSITY
CO-PATRON : VICE-CHAIRMAN, TANSCHE

DEPT OF BIOTECHNOLOGY, ALAGAPPA UNIVERSITY

CONVENER : SR. PROF. S. KARUTHA PANDIAN
Co-CONVENER & SECRETARY : PROF. K. BALAMURUGAN

MEMBERS : PROF. A. VEERA RAVI
PROF. M. RAMESH
PROF. K. PANDIMA DEVI
DR. S. GOWRISHANKAR

ABOUT US

UNIVERSITY

Alagappa University keeps its excellence in all spheres of its action and hence "Excellence in Action" becomes its aphorism. The University has emerged from the group of Institutions initially founded by the eminent educationalist, Padma Bushan Dr. RM. Alagappa Chettiyar. It is a State University accredited with A+ grade by NAAC (CGPA: 3.64) in the third cycle and graded as Category-I University by MHRD-UGC. It occupies 2nd place out of 12 State Universities with Category-I Status in the Country and is the only University in Tamil Nadu which has secured this status. It has secured 33rd position among the Universities in National Institutional Ranking Framework (NIRF) 2021 ranking. The University has Secured 104th position in QS BRICS Ranking and 222nd position in QS Asia Ranking 2021. It also obtained 4th position in Swachhta Ranking 2018 for the cleanest Higher Educational Institutions in the Country in the category of Government Institutions.

DEPT OF BIOTECHNOLOGY

The Department of Biotechnology was established in the year 2002 and headed by Prof. S. Karutha Pandian since its inception. The Department offers a two year M. Sc., Degree Programme in Biotechnology and a Doctoral Programme leading to Ph.D. in Biotechnology from the Academic year 2002 – 2003.

The PG program is supported by DBT, Govt. of India since 2020. The research studies carried out with sponsors from various funding agencies such as DBT, DST, UGC, SERB, ICMR, CSIR, AERB, BRNS and industries such as ITC Ltd., Tablets India Ltd. and Evolva Biotech culminated in the publication of 424 research papers in reputed SCI Journals with decent impact factor and over 10000 citations. The Department has an Animal House established as per CPCSEA norms with DST-FIST support for mouse model in addition to laboratory-based models such as *Caenorhabditis elegans* and Zebrafish. The Department is housing a DBT funded National Facility in the form of Bioinformatics Infrastructure Facility (BIF) since 2006.

The major research fields include, Alternative to Antibiotics, Host-Pathogen Interactions, Functional Genomics and Proteomics, Marine Biology, Plant tissue culture, Pharmacology of natural products, Microbial Genomics, Molecular Phylogeny and Translational Biotechnology. The Department mainly focuses on coming out with alternate bioactives against human and aquaculture pathogens via screening, characterization and elucidation of the molecular mechanism of action of natural bioactives. In addition, the Department is also studying the regulatory mechanisms during Host-Pathogen Interactions and exploring natural sources to treat neurological disorders. Additionally in the field of plant biotechnology, the Department has developed abiotic stress-tolerant crop plants through Agrobacterium transformation.

ACHIEVEMENTS

The Department has a 'h' index of 42. The Department is coordinating IPR cell and has filed 30 Indian patents out of which 14 have been published and 3 got granted. BIF Centre has received Incentive Awards from the Ministry of Science and Technology, Govt. of India for getting the first, third and third positions in the category of BIF (Universities) for publication of papers in the Journals of high repute for the years 2014, 2015 and 2016 respectively. The faculty members have won awards such as Tamil Nadu Scientist Award, Tamil Nadu Young Women Scientist Award, Shri P. K. Das Memorial Lifetime Achievement Award, BRSI Woman Scientist Award, Shri P. K. Das Memorial Best Faculty Award, Alagappa Excellence Award for Research, Malaviya Memorial Award, UGC-BSR Mid Career award, Dr. R. R. Mani Maran Memorial Lecture Award, etc. Many students of the Department have cleared competitive exams such as DBT-JRF, ICMR-JRF, CSIR-JRF-NET, GATE, ASRB-NET, ICAR-NET, SET and TOEFL and secured top ranks. The Alumni of the Department were placed as Scientists at CSIR, DST and DBT, Assistant Professors in various Educational institutes, Post-Doctoral Fellows in India and abroad; a significant fraction are pursuing their Doctoral studies in leading higher education institutions. The Department has also organized International and National level Conferences, Workshops and Seminars.
