ABOUT ALAGAPPA UNIVERSITY

Alagappa University was brought into existence by an Act enacted in the State Legislature of Tamil Nadu in May 1985 with the objective of fostering research, development and dissemination of knowledge in various branches of learning. The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action. Obtained A+ Grade with CGPA of 3.64 grading by the National Assessment and Accreditation Council (NAAC). Alagappa University is the first State University in Tamil Nadu to obtain the A+ grade. Obtained Category–I status by the MHRD-UGC and occupies 2nd place out of 12 State Universities with Category-I Status in the Country. It is the only State University in Tamil Nadu obtained the Category-I Status.Obtained Autonomy status (one among 60 Institutions in the country announced by MHRD).Secured 33rd position among "Universities" and "Overall"57thrankinginthe NIRF India Rankings 2021. Secured 501-600 ranking bandwidth in the World University Ranking 2021. Secured 220th position in QS Asia Ranking 2022. The University has secured 4th position in Swachhta Ranking 2018 for the cleanest Higher Educational Institutions in the Country in the category of Government Institutions.The University has obtained ISO 9001-2015 certification based on the quality measures in higher education. The University has bagged Indian Association for the Blind (IAB) Silver Zone Award for outstanding excellence and amazing contribution for the empowerment of persons with Visual Challenges. It is the only University in Tamil Nadu which has been sanctioned Rs.100 crores under MHRD - RUSA 2.0 Scheme.

TOPIC OF DISCUSSION

Efficacy of Phytobiotic Ecomask (TIL, Chennai) against EMS in shrimps

ABOUT THE WORKSHOP-ECOMASK

Research and development wing of TIL in collaboration with the Department of Biotechnology, Alagappa University undertook a research project to find out the predominant causative agent of RMS / EMS / AHPND and its effective control. As an outcome of this research project, a synergistic phytochemical formulation was arrived that is highly effective in controlling the causative bacterial pathogens.The researchers have finally patented 3 successful combinations to encounter early mortality in commercial farming of *Litopenaeus vannamei.* **Ecomask** is a patented product of TIL. **Ecomask** has been designed to mask bacterial and related syndrome which affect post larval survival after stocking shrimp.

ABOUT DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology was established in the year 2002. The department headed by Prof. S. Karutha Pandian since its inception, offers a two-year M.Sc., Degree programme in Biotechnology and a Doctoral Programme leading to Ph.D. in Biotechnology from the Academic year 2002-2003. The PG program is supported by DBT, Govt. of India since 2020. Many students of the Department have cleared competitive exams such as DBT-JRF, ICMR-JRF, CSIR-JRF-NET, GATE, ASRB-NET, ICAR-NET, SET and TOEFL and secured top ranks.The Department has been undertaking research projects of National and International importance in the field of Biotechnology and attracted funds from various funding agencies such DBT, DST, SERB, BRNS, CSIR, ICMR, UGC, DCI and AERB-CSRP independently as well as in collaboration with many National Institutes/Universities. The Department is also carrying out collaborative research projects sponsored by the industries such as ITC Ltd.,Tablets India Ltd., and Evolva Biotech culminated in the publication of 448 research papers in reputed SCI Journals with decent impact factor and over 10000 citations. The Department has a 'h' index of 42. The Department is coordinating IPR cell and filed 35 Indian patents out of which 14 have been published 3 have been granted. The Department is housing a DBT funded National Facility in the form of Bioinformatics Infrastructure Facility (BIF) since 2006 and this Centre has received Incentive Awards from the Ministry of Science and Technology, Govt. of India for getting the first, third and third positions in the category of BIF (Universities) for publication of papers in the journals of high repute for the years 2014, 2015 and 2016 respectively. A state-of-the-art Proteomics Facility has been established at the Department with 2D and MALDI.The faculty members have won awards such as Tamil Nadu Scientist Award, Tamil Nadu Young Women Scientist Award, Shri P. K. Das Memorial Lifetime Achievement Award, BRSI Woman Scientist Award, Shri P. K. Das Memorial Best Faculty Award, and Alagappa Excellence Award for Research.

ABOUT TABLETS (INDIA) LIMITED

Tablets (India) Limited is the flagship company of the century old, 400 million USD Jhaver group. Tablets (India) Limited is a leading research based Nutraceutical and Probiotic formulations manufacturing and marketing company. TIL is the right address for probiotic and nutraceutical products / research / contract manufacturing needs. TIL has an impressive standing in the Pharmaceutical, Healthcare & Biotechnology industry in India. Presently TIL has five multiple state-of-the art manufacturing facilities that are located in strategic locations to cater to the different domestic and international requirements. TIL's facilities are compliant with WHO-GMP (World Health Organization's guideline on Good Manufacturing Practice). TIL has an international presence in over 54 countries and has been recognized by the Government of India with “International Business Excellence Award”

TIL Biosciences is the animal healthcare division of the Tablets (India) Ltd. TIL Biosciences manufactures and markets unique products which cater to the development of healthy animals. We have a long standing international and technological partnership with TOA pharmaceutical, Japan in probiotic product development. TIL Biosciences has its presence in all the maritime states across India and has international business in 13 countries. TIL Biosciences provides a wide range of aquaculture products. In aquaculture TIL Bioscience's business is built on the twin pillars of scientific innovations and technical expertise, delivered to the farming community. To our credit and excellence TIL Biosciences have been bestowed with Aqua International's “Best Aquaculture Healthcare Products Manufacturer Award - 2017”; Global Health & Pharma's “Best Animal Health Product Manufacturer – India Award” and “Award for Innovation in Probiotics” three times in 2018, 2019 and 2021; Corporate America Today's “Best Animal Health Product Manufacturer Award – 2020”

WHO CAN PARTICIPATE ?

Professionals in aquaculture, aqua farmers, scientists, faculty, research scholars and students are encouraged to participate.

REGISTRATION

On spot registration at Department of Biotechnology, Alagappa University.

No registration fee.

ORGANIZING COMMITTEE

Patrons

Dr. D. Karthikeyan, I.A.S.

Dr. R. Swaminathan

Prof. S. Karuppuchamy

Vice - Chancellor Officiating Committee Members, Alagappa University

Chair Person

Prof. C. Sekar, Registrar i/c, Alagappa University

Convener

Dr. S. Karutha Pandian,
Senior Professor and Head,
Department of Biotechnology, Alagappa University.

Organizing Secretary

Dr. A. Veera Ravi,
Professor,
Department of Biotechnology, Alagappa University.

Industrial Member

Dr. J.Godfred Ponraj
Chief General Manager
TIL Biosciences, Tablets India Ltd

Members

Dr. K. Balamurugan,
Professor,
