RUSA Directorate

Entrepreneurship, Innovation and Career Hub

To scale up the Skill Development activities of the University by focusing on the futuristic skill requirements, **Entrepreneurship, Innovation and Career Hub** has been established to serve as under RUSA Phase-2.0 for offering University recognized, National Occupational Standards (NOS) mapped, placement / startup linked Skill Development programmes to the youth. One of the prime objectives of EIC Hub is to provide support for Startup / Incubation / Entrepreneurial ventures and to Establish a Startup eco system within the university through sensitization, mentorship, seed funding, pre-incubation and incubation facility.

Entrepreneur in Residence (EIR) Scheme

The EIR Scheme is envisaged to inspire best talents among PG and PhD graduates and provide ample support to minimize risk in pursuing start-ups. The program would provide enormous opportunity for innovative entrepreneurs to expand network and get critical feedback to promote their entrepreneurial goals and aspirations.

- Encourage students to take up entrepreneurship by providing fellowship
- Provide prestigious forum for deserving entrepreneurs to pursue their ideas without additional risks
- To make entrepreneurship an attractive option among available career options.
- Enable creation of new start-ups and allow them to make significant progress towards raising funding and investment.

Call for Proposals

Project proposals are invited by EIC Hub under the Start-Up / Incubation Support for Entrepreneur In Residence Scheme to be submitted on or before 15.01.2023.

Scheme	Entrepreneur in Residence Scheme
Objective	• Support for incubation as start-ups • To help and promote UG/PG and Ph.D. graduates where the thesis has potentials for production and commercialization • Encourage graduate PG and Ph.D. students to take up entrepreneurship by providing extended fellowship (after graduation)
Who can apply? Affiliation of the applicants (i.e., Principal Investigator (PI), EIR)	• PG and Ph.D. students (i.e., EIR) from HEIs / Engineering Institutions / B-Schools under the mentorship of a faculty member of Alagappa University • The mentor shall be a Faculty member from Alagappa University
Project Duration, Funding, and other details	• Time Duration of 1 year (with 3 months assessment) • EIR will be paid a fellowship of Rs. 10,000/- per month • Additional support for specialized equipment, consumables, contingency for a maximum of Rs.2,00,000/- per EIR • Periodical review meetings will be conducted to assess the progress of the project • Will be encouraged to initiate start-up companies with funding through appropriate schemes
Workplace	Alagappa University premises and / or PI's Department
Expected Outcomes	• Prototype development from the dissertation of the EIR's • Prototyping of ideas • Productization of the prototypes • Start-up should be set up by the EIRs within 6 months

Call for Proposals

Project proposals are invited by EIC Hub under the Start-Up / Incubation Support to be submitted on or before 15.01.2023.

Scheme	Start-up / Incubation Support
Objective	• Support for incubation as start-ups • To support semi matured ideas ready for prototyping. • Facilitate industry mentorship for rapid production and commercialization of the ideas/prototypes
Who can apply? Affiliation of the applicants (i.e., Principal Investigator (PI), EIR)	• Budding Entrepreneurs • A Start-up company shall be the requirement for the execution of the project. • The mentor shall be a Faculty member from Alagappa University
Project Duration, Funding, and other details	• Time Duration of 1 year (with 3 months assessment) • Support for specialized equipment, consumables, contingency for a maximum of Rs.20,00,000/-. • Participation by the Entrepreneur is required. • Periodical review meetings will be conducted to assess the progress of the project • Projects having industry collaboration will be given preference
Workplace	Alagappa University premises and / or PI's Department
Expected Outcomes	• Ideas translated into products leading to start-up companies

PROFORMA FOR SUBMISSION OF PROPOSAL FOR RUSA 2 .0 UNDER ENTREPRENEUR IN RESIDENCE (EIR) SCHEME

(For Both Faculty and Students/Scholars/Others)

Please tick √ the appropriate box

Faculty	
PG	
Ph. D.	
Others	

- *PG/PhD/Other applicants need not fill the project/publication details, if not available*
- *PG/PhD/Others must have a PI as Faculty member from Alagappa University*
- *Multiple Proposals from the Same PI will be considered if the number of eligible projects are less*
- *Multiple Proposals from the Same PI with different Co-PI (students/PhD/ Others) are acceptable and will be considered if the number of eligible projects are less*
- *Team proposals by PG students(upto 5) with Faculty member as PI will also be condsidered*
- *Others denoting Alumni or guest faculty/teaching assistants/temporary staff of Alagappa University*

Project Ref No. _____

(to be given by RUSA 2.0)

A. PROJECT IDENTIFICATION

1. Area Code & Key Words (Please tick √ the appropriate box and also write sub theme/key words):

1.	Physical Sciences	(PS)	
2.	Chemical Sciences	(CS)	
3.	Life Science & Agriculture	(LSA)	
4.	Mathematics & Computational Science	(MCS)	
5.	Management, Arts & Education	(MAE)	
6.	Astronomy, Space, Earth System and Sciences	(ASESS)	
7.	Materials & Engineering	(MS)	
8.	COVID-19 related (Pre and Post COVID)	(CoV)	
9.	Others	(Ot)	

2. TITLE OF THE PROJECT :
3. PROPOSED DURATION OF THE PROJECT : (maximum = 12 Months)
4. PROJECT INVESTIGATORS :

PRINCIPAL INVESTIGATOR (PI) (Alagappa University Faculty Member)

Name	
Designation	
Department	
Institution	
Postal Address	
E-mail	
Date of Birth :	Age as on 15th Jan 2023:

PRINCIPAL Co- INVESTIGATOR (Co-PI) (Alagappa University PG, PhD and others)

Name	
Designation	
Department	
Institution	
Postal Address	
E-mail	
Date of Birth :	Age as on 15th Jan 2023:

Brief Bio-data (maximum two pages only) of PI's and Co-PI's highlighting the expertise in the proposed field of work alongwith list of publications highlighting those relevant to the proposed project.

6. ONGOING / COMPLETED PROJECTS WITH THE PRINCIPAL INVESTIGATOR (during the last Five years) (2017-2022) :

National Projects (2017-2022):

S. No	Project Title	Sponsoring Agency	Budget (in Lakhs)	Status
		Total		

International Projects (2017-2022):

S. No.	Project Title	Name of the Colloborating Scientist & Institiute	Sponsoring Agency	Budget	Status

B. TECHNICAL INFORMATION

1. Objectives (in bullet form) :
2. Rational of the proposed research (750 words) (in bullet form):
3. Necessity and the significance of the proposed research (100 words) (in bullet form) :
4. Past research activities in the relevant area including publications and patents:
   a. Recent publication of PI (last 5 years as corresponding author)
   b. Patents filed/ published/granted (last 5 years as corresponding author):
5. National & International scenario in the proposed topic/theme of research *(in about 500 words)*, Please provide key bibliographic references.
6. Detailed Scientific & technical description of the project including methodology (1500 words)
7. Plan of proposed research and three monthly milestones

S.No.	Duration	PI's lab
	1-3 months	
	4-6 months	
	7-9 months	
	10-12 months	

8. Expected results of the Project *(for example:patents, products, prototype, start-ups, innovation, stratergy, approaches and invention etc.,).* Are any of the expected results are likely to have commercial value? :

9. Duly filled in Check list in the prescribed format.

S. No	List of items in the prescribed format	Yes/No
1.	Objectives (in bullet form)	
2.	Rational of the proposed research (750 words) (in bullet form)	
3.	Necessity and the significance of the proposed research (100 words) (in bullet form)	
4.	Past research activities in the relevant area including publications and patents	
5.	National & International scenario in the proposed topic/theme of research (in about 500 words), Please provide key bibliographic references	
6.	Detailed Scientific & technical description of the project including methodology (1500 words)	
7.	Plan of proposed research and three monthly milestones	
8.	Expected results *(for example:, patents etc.).*	
9.	Brief two page CV	
10.	Duly forwarded by Head of the Department	

10. Any other relevant information:

C. FINANCIAL AND ADMINISTRATIVE INFORMATION

TOTAL COST OF THE PROJECT :

1. List of equipment and other facilities available in the Department for implementation of the project :

PI's Lab/Department:

Name of the equipment	**Sanctioned Grant/Year**

2. Estimated expenditure for chemical and consumables: (maximum of Rs 2 lakhs for PG/PhD/Others excluding the Manpower) (maximum of Rs 20 lakhs for Faculty members including the Manpower)

Items ofExpenditure	**Trimonthly Break-ups**			**Total**
	1-3	4-6	7-9	
Manpower*				
Contingency				
Consumables				

Misc				
Total				

**Individuals getting stipend in other projects/fellowships are not eligible to claim stipend here; however are eligible to apply for project.*

3. Justification for above heads *(Contingency/Consumables/other expenditures)*

Signature of the Co-Investigator(s)

Signature of the Principal Investigator

Signature of the Head of the Department

Submission and Application deadline:
Project proposal prepared must be submitted through both online (email: rusa.alucoordinator@alagappauniversity.ac.in) and offline (Three Printed Copies- Provide 3 hard copies of the signed proposal) on or before 15th January 2023 (5 PM IST)

Incomplete proposals and which are not formulated as per proforma (RUSA proposal format) of the announcement shall not be considered in any case. The deadline for submission of the complete proposal is 15th January 2023 (5 PM IST).

Address for the project proposal submission:
