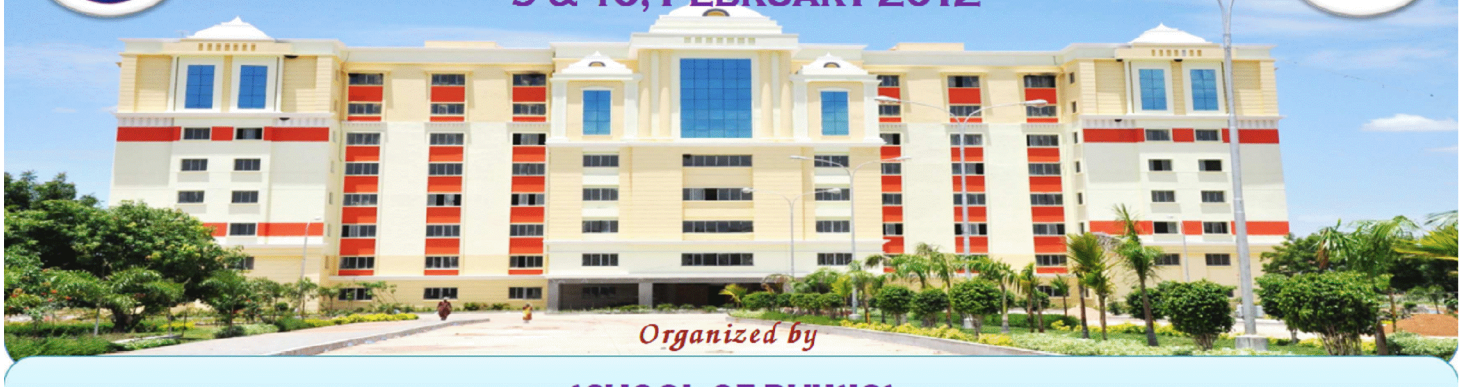
INTERNATIONAL WORKSHOP ON ADVANCED ENERGY MATERIALS (IWAEM-2012)

9 & 10, FEBRUARY 2012



Organized by

SCHOOL OF PHYSICS
ALAGAPPA UNIVERSITY,KARAIKUDI, TAMIL NADU, INDIA.

(Reaccredited with 'A' Grade by NAAC)

Patron
Prof.S.SUDALAIMUTHU
Vice-Chancellor, Alagappa University

Workshop Chair
Dr.K.MANIMEKALAI
Registrar, Alagappa University
Prof.NAE-LIH, WU
National Taiwan University, Taipei, Taiwan

Co-ordinator
Prof.C.SANJEEVIRAJA
Head& Chairperson
Dean of Science.

Convener
Dr.M.SIVAKUMAR
Assistant Professor

ORGANIZING COMMITTEE

Dr.S.Rajendran, Professor
Dr.T.Mahalingam, Professor
Dr.G.Ravi, Associate Professor
Dr. K.Sankaranarayanan
Associate Professor
Dr. N.Anandhan, Assistant Professor

PLENARY LECTURES
Prof.Wu, Nae-Lih, NTU, Taipei, Taiwan
Dr.Vijaya Mohanan K Pillai,
Director, CECRI, India
Prof.N.Munichandraiah, IISc, Bangalore
Prof.P.Ramasamy, SSNCET, Chennai
Prof.Sabu Thomas, MGU, Kottayam
Dr.S.Gopukumar, CECRI, India
Dr.Fu Ming Wang, NTUST, Taipei, Taiwan
Dr.Liu, Wei-Ran, Christian Univ., Taiwan
Dr.A.Manuel Stephan, CECRI, India
Dr.S.Kalaiselvi, CECRI, India.

ABOUT THE UNIVERSITY

Alagappa University located in Karaikudi is reaccredited with 'A' Grade by National Assessment and Accreditation Council (NAAC). The University has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist Dr. RM. AlagappaChettiar. Alagappa University was brought into existence by a Special Act of the Government of Tamil Nadu in May 1985 with the objective of fostering research, development and dissemination of knowledge in various branches of learning. Alagappa University is recognized by the University Grants Commission (UGC) of India. The University is accessible from Madurai and Tiruchirappalli Airports within two hours. The 440 acre green and lush campus houses all the academic activities. The University has 22 Departments, 10 Centres and 2 Constituent Colleges on its campus, 30 Affiliated Colleges located in the districts of Sivaganga and Ramanathapuram are part of the University.

The University offers education through Regular, Week-end, Distance and Collaborative modes. The Distance Education Directorate offers variety of programmes to the student community spread across the country and in selected foreign countries. Through all modes of education, the University caters to the needs of the student community of around 1,00,000. As a member of the Association of Indian Universities (AIU), as well as the member of the Association of Common Wealth Universities (ACU), it has rewarding relations with other academic institutions, research laboratories and industrial establishments that promise a spectacular feature. The University is having International Collaborations with Universities/ Institutions of Higher Learning in countries like China, Malaysia, U.S.A, U.K, South Korea, etc. New innovative programmes are designed and offered at the University. Many exchange programmes attract the attention of the teachers and students from abroad. The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENT

The Department of Physics was established in 1985. The Department has become a Centre of Excellence in research. Since its inception, the Department has also strong commitment towards teaching programmes at the postgraduate level (M.Sc., and M.Phil.,) and Research programmes at Doctoral level (Full time and Part time). Thrust area of research programmes are thin film semiconductor for solar cells, layered compound semiconductor for photo electrochemical solar cells and high temperature lubricant, oxide thin film materials for smart materials and MEMS, Lithium Batteries, electrode materials, polymer electrolytes for rechargeable batteries and semiconductor single crystal growth through melt technique. Organic-NLO materials are also being pursued intensively.

During this span of 27 years, the Department has published more than 400 research articles, in internationally reputed scientific journals and books. It has produced 79 Ph.D Scholars, 154 M.Phil students and 238 M.Sc., students. It has organized national seminars/conferences/workshops in different areas of Physics. The faculty members of the department are engaged in active research with collaborations with various national and international agencies and institutions. In recent years, the department was granted financial assistance by various funding agencies like DAE, DST, UGC, CSIR, DRDO, AICTE, BRNS etc., and successfully completed several research projects funded by these agencies. The members of the staff of the Department visited several countries and joined hands with highly reputed institutions, both within and outside the country. Several awards and recognitions at the national and international levels have also been bagged by the members of the faculty. The Department has been recognized by UGC-SAP, DST-FIST and recently by DST-PURSE program for all science departments.

SCOPE OF THE WORKSHOP

In this workshop, several prominent researchers will demonstrate and share their experiences on the current trends and developments on Advanced Energy Materials. The IWAEM-2012 aims to provide an opportunity to the participants to grasp the state of the art in the design (tailoring) and synthesis of novel materials as well as their detailed characterization, to equip them self with knowledge base related to the device concept. The technological applications emerging from these materials are viz. Lithium ion batteries, Fuel cells, Sensors, Super Capacitors, NLO materials, Solar energy etc. This workshop will provide a platform for collaboration amongst the Materials Science researchers all over the world. The young researchers entering this field are particularly encouraged.

TOPICS COVERED

- Energy storage materials
- Nano-materials for energy applications
- Thin films & Semiconducting materials
- Bio-materials & Renewable Energy materials
- Advanced crystalline energy materials
- Optoelectronic materials
- Solar energy
- Fuel cell
- Non-conventional energy materials

REGISTRATION

Registration form can be downloaded from the University website. Registration fee can be paid in the form of **Demand Draft** drawn in favour of '**Convener (IWAEM-2012)**, Alagappa University' payable at **Karaikudi**, India.

Research Scholars/Students	**INR**	**1000/-**
Academicians/ researchers	**INR**	**2000/-**
Industries	**INR**	**3000/-**
Foreign delegates	**US$**	**250**

ACCOMMODATION

Accommodation will be provided on the payments basis.

IMPORTANT DATES

Registration Form to be sent on or before 8-Feb-2012 & 5pm (IST).

CONTACT DETAILS

Dr.M.SIVAKUMAR
Convener, IWAEM-2012
School of Physics
Alagappa University
Science block
Karaikudi-4. Tamil nadu-India.
Email: iwaem2012@yahoo.com
Mobile: +91 9842954116.

Further details contact convener or refer website:www.alagappauniversity.ac.in

Organized by

INTERNATIONAL WORKSHOP ON ADVANCED ENERGY MATERIALS (IWAEM-2012)

9 & 10, February 2012

Registration form

1. **First name:**
2. **Family name:**
3. **Gender :**
4. **Designation:**
5. **Institution /Organization:**
6. **Address for communication :**

Tel: **Fax:**

Mobile: **e-mail address:**

7. **Registration fee enclosed: Yes/No**

Payment details

Amount of DD: **DD No.** **Bank & branch:**

Date: **Place:**

8. **Whether Accommodation requirements : Yes/No**

Date: **Signature:**

Place:

Send to:
Dr.M.Sivakumar
Asst.Professor
Convener, IWAEM-2012
