KARAIKUDI

Date: 22 .9.2017

The Alagappa University organized a felicitation function to A. Selvaraj who secured gold medal in Javelin Throw – 7th World Dwarf Athletics Championship 2017 held at Canada. The function was held at the Seminar Hall of Convocation Auditorium. Alagappa University Vice-Chancellor Prof. S. Subbiah in his presidential address, felicitated Mr. A.Selvaraj for his achievement securing gold medal in javelin throw in the Dwarf Athletics Championship 2017.

He stated that all facilities are provided by the University to the athelets of Para Sports Centre of Alagappa University. The basic objective of this centre is to train athletes for participating in world championship competitions and secure medals. A. Selvaraj fulfilled the objective of Para Sports Centre of Alagappa University. 45 athletes are getting training in Para Sports Centre and they have bright prospects in sports in future. The teaching, non-teaching and students should come forward to extend all possible helps to athletes of Para Sports Centre, he appealed.

The formerly Vice Chancellor of Bharathidasan University, Trichy Dr. K.Meena in her special address, has stated that students blended with education, arts and sports talents will become achievers in future. In addition to using electronic gadgets for learning, games and sports are essentially needed to students of today. Students can avoid health related problems through sports and games. The Para Sports Centre athelets Mr.A.Selvaraj has brought laurels to the Alagappa University by winning gold medal in Javelin Throw in the world championship 2017 held at Canada, she added.

Mrs. U.Pandeeswari, Asian Gold Medalist and Chief Reservation Officer, Southern Railway, Madurai, in her felicitation address, has pointed out the impact of sports in solving health related problems to students. She highlighted how she was relieved from the problem of Tuberculosis through active participation in athletic events and securing national record in 200 metres events. The students should realize their inherited talents to become achievers in the relevant field in days to come. The students should utilized the educational and sports talents for achieving their professional ambitions in future. The students should divert their attention from electronic gadgets to physical exercises and sports events she insisted.

Prof. S.Rajaram, Department of Tamil, offered felicitation. Teaching, Non-Teaching staff and students participated in this function. Prof. T.R. Gurumoorthy, Dean Research welcomed the gathering. Dr. M. Sundar, Principal, AUCPE offered vote of thanks.
