Case analysis on "Punjab and Maharashtra Cooperative Bank (PMC Bank) Fiasco"

On the 4th of November 2021, the Department of Banking Management orchestrated a case analysis that tackled one of the most pressing issues in the Indian banking sector –"Punjab and Maharashtra Cooperative Bank (PMC Bank) Fiasco". The event brought together students, scholars, and faculty members to dissect and discuss the intricate details of this catastrophic banking failure.Dr. B. Sudha, Professor, opened the case analysis with introductory remarks that set the tone for the discussions to follow.

The presenters of the case analysis Ms. S. Abinaya, and Ms. K. Suganya, Research Scholars of the Department, were tasked with delivering insightful presentations on various aspects of the PMC Bank crisis. Ms. S. Abinaya, elucidated the crux and the core issues that led to the bank's eventual downfall.

Her presentation meticulously unveiled the systemic flaws, mismanagement, and regulatory oversights that played a pivotal role in this financial disaster.Following Ms. Abinaya's comprehensive analysis, Ms. K. Suganya shed light on the aftermath of the crisis and the process of identifying the underlying problems. Her presentation delved into the painstaking efforts made

by stakeholders, regulators, and auditors to assess the extent of the damage caused by PMC Bank's mismanagement.

The case analysis reached its culmination with Dr. K. Alamelu, the Professor and Head of the department, further summarizing the intricacies of the PMC Bank crisis, offering a more profound understanding of the multifaceted issues at play. The interactive session that followed allowed students to engage directly with the presenters. In conclusion, the case analysis organized by the Department of Banking Management at Alagappa University on the PMC Bank crisis was a critical and thought-provoking event. It not only highlighted the intricate issues that led to the bank's failure but also emphasized the importance of robust governance, regulatory vigilance, and financial literacy in preventing such crises in the future.

Quiz Competition on Banking and Insurance- 27.11.2021

The Department of Banking Management organized a quiz competition at the Seminar Hall of Faculty of Management on 27.11.2021. Various important topics related to banking and insurance sector were covered for the competition. For the preliminary round of the quiz competition questions were asked related to Banking related abbreviations, Identification of Logos (Banks, Insurance Companies and Financial Companies), Women Bank Heads, Current affairs related to banking, Currencies of different countries, English- Idioms and Phrases as well as the I Semester subjects. For the final round of the quiz competition questions related to Government schemes/yojanas, Slogans of different banks, Current affairs related to banking, Banking related Acts, Central Banks of different countries and Statutory Bodies were asked.

Totally 5 teams participated in the quiz competition. Each team comprises of two students from I MBA (B&I) and three students from II year MBA (B&I) students. Winners and runners of the competition were given prizes. The event was coordinated by Ms. S. Abinaya, Research Scholar. The faculty members and students from I and II MBA (B&I) participated in the programme.

The quiz competition enhanced the academic skills of the students in various aspects. Firstly, the quiz competition provided the students with an opportunity to enhance their knowledge of the banking and insurance sector. The questions covered various important topics related to the field, which helped the students gain a deeper understanding of the industry. In addition, the competition enabled the students to develop their problem-solving skills and improve their ability to think critically. They were required to think quickly and come up with the correct answers in a short amount of time, which could help them in their future academic and professional endeavors.

Moreover, the competition boosted the students' confidence and self-esteem. Participating in a quiz competition and performing well was a source of pride and motivation for the students. Overall, the outcome for the students from the quiz competition was positive, as it provided them with a valuable learning experience and an opportunity to showcase their knowledge and skills.

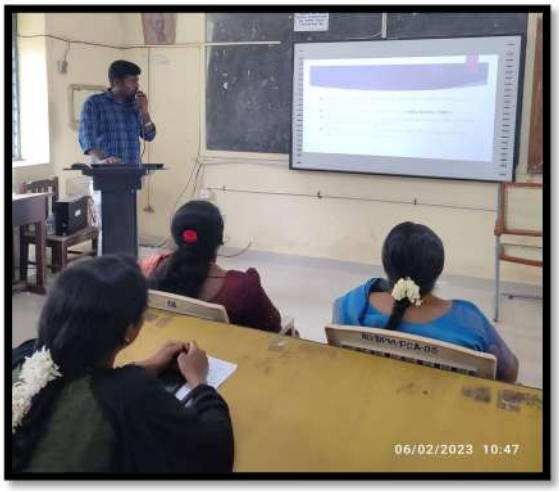
06.02.2023

Highlights of the Union Budget 2023-2024

The Financial Literacy Club of the Department of Banking Management organized a presentation on “Highlights of the Union Budget 2023-2024” on 06.02.2023. The Union budget 2023-24 presents a vision for Amrit Kaal-blue print for an empowered and inclusive economy. Finance Minister Nirmala Sitharaman says the budget for 2023–24 aims to expand on the framework of

the prior budget and the blueprint for India@100. Ms. S. Abinaya, Scholar Co-ordinator of the Club, delivered the welcome address.

Students from I MBA (B&I) and II MBA (B&I) took great efforts and made presentations on various crucial topics of the Budget 2023-24. Mr. P.Vinoth of I MBA (B&I) presented on "Direct Tax and Highlights of Union Budget 2023-24". Mr. J. Mohammed Asik of I MBA (B&I) and Ms. R. Akshaya of I MBA (B&I) made a presentation on the title "Indirect Tax Reforms of Budget 2023-24". Ms. S. Afrin Banu from I MBA (B&I) presented on the topic "Tourism Reforms of Budget 2023-24".



Ms. PL. Vallikannu of I MBA (B&I) and Ms. M. Sowmiya of I MBA (B&I) detailed the Railway Reforms of Budget 2023-24. Ms. K. Vigneshwari of I MBA (B&I) and Ms. C. Esha from I MBA (B&I) elucidated the Reforms in Health and Education Sector. Mr. S. Gokul Siva from I MBA (B&I) made a presentation on the topic Electronics Information and Technology. Agricultural Sector Reforms of Budget 2023-24 was presented by Ms. S. Ishwarya of I MBA (B&I) and B. Gayathri of I MBA. Ms.D. Manibharathi from II MBA detailed the Urban Development and Housing Sector Reforms. Ms. B. Gayathri from II MBA presented on "Banking Sector Reforms of Budget 2023-24".

The presentations were followed by a Question-and-Answer Session; the faculty members of the department contributed valuable inputs to the topics presented and scholars and students actively participated in the event. Dr. M. Soundarya, Teaching Assistant, coordinated the event.

Dr. R. Alamelumangai, Faculty Coordinator of the Club, proposed the vote of thanks.

- Yoga class is allotted one hour per week for each I MBA and II MBA students

FITNESS CLUB ACTIVITIES

The Department of Banking Management has "Fitness Club" for students, scholars and faculty members. The cell can offer a yoga classes and workshops that teach students various exercise techniques and yoga poses. This can help students acquire new skills and knowledge related to physical fitness and well-being. The cell can serve several important purposes such as promoting physical and mental well-being among students. The primary purpose of a fitness club is to encourage students to adopt a physically active lifestyle. It can also help in managing weight and reducing the risk of lifestyle-related diseases. The club can offer yoga sessions that teach students techniques to manage stress and anxiety, which can be particularly valuable during exam periods or times of high academic pressure. The fitness club can provide a safe and supportive environment for students to improve their mental well-being. Physical fitness and mental well-being are crucial components of holistic development. Students who participate in yoga and fitness activities may experience improved concentration, focus, and cognitive function, which can enhance their academic performance.

EVENTS

03.04.2023

National Seminar on "Central Bank Digital Currency: A New Frontier for Financial Inclusion"

Resource Persons:

1. Ms.R.Kalpana, Assistant General Manager, RBI, Chennai.

2. Mr. Aamol Chaudhary,Director, Technology Enablement, Financial services Practice, KPMG, India

3. Mr. Senthil Muthu, Associate Director, Technology Enablement, Financial services Practice, KPMG, India

A National Seminar on "Central Bank Digital Currency: A New Frontier for Financial Inclusion" was organized by the Department of Banking Department, Alagappa University. Dr. G. Ravi, Vice Chancellor of Alagappa University, claimed in his presidential address that the invention of transistors in the 1980s marked the beginning of the digital era. The CBDC offers security, finality in settlements, integrity, and dependability. Ms.R. Kalpana, Assistant General Manager, RBI, Chennai, claimed in her keynote address that CBDC is the upcoming technological revolution in banking and it promotes financial inclusivity without a smart phone or internet requirement. Special addresses were given by Mr. Senthil Muthu, Associate Director, and Shri. Aamol Chaudhary, Director, KPMG, India.

Parents-Teachers Meeting

18.03.2023

The Department of Banking Management has organized a meeting with parents for I MBA (B&I) students on 18.03.2023. The gathering was attended by the parents of 64 students. Parents, teachers, and students were greeted by Senior Professor and Head Dr. K. Alamelu. She provided an outline of the department's founding, curriculum, and placement in her speech. All of the faculty members, including Dr. R.Alamelumangi, Dr. C. Yogalakshmi, Dr. G.Parimalarani, Dr. B. Sudha, and Dr. M. Soundarya, then addressed the parents.

In their remarks, the speakers emphasised the characteristics of the course, employment opportunities, and different departmental initiatives to improve students skills. The parents emphasised the value of the pupils reading the newspaper as recommended by the teachers and acknowledged the influence of the teachers on the students. Parents met with instructors one-on-one to discuss their children's classroom behaviour and receive feedback. Dr.C.Yogalakshmi, senior professor proposed vote of thanks.

International Women's Day Celebration- 08.03.2023

On 08.03.2023 the International Women's Day was celebrated. The event was organized to commemorate International Women's Day, which is celebrated annually on 8th March to recognize the social, economic, cultural, and political achievements of women and to raise awareness about the gender equality and women's rights.

As part of the celebration, the students of our department organized various events including cutting a cake, to mark the occasion.

The cake cutting ceremony was a symbolic gesture to honour the contributions of women and to recognize their struggles and achievements.

Apart from the cake cutting ceremony, the students organized various activities. The celebration was not only limited to the students of our department but also involved the participation of faculty members and staff. The event provided an opportunity for everyone to come together and reflect on the progress made towards gender equality.

The webinar was more practical, and she enlightened the students in the area of mutual fund investment by calculating the corpus for the funds. With her vast experience and expertise in investment, she kindled the minds of the students to become very good investors.

Two-Day International Conference on Digital Banking for Sustainable Development

Date of the conference: 24.09.2019 & 25.09.2019

Resource Persons:

1. Ms.Hema Chatterjee, AGM, Reserve Bank of India
2. Mr.Jayaraman Krishnaswamy, Professor, Department of Management Studies, Taylor's University, Malaysia
3. Dr.Shantharuby Buvanendra, Head, Department of Finance, Faculty of Management & Finance, University of Colombo, Sri Lanka
4. Dr.Raisal Ismail, Director, Staff Development Centre, Faculty Member, Department of Management, Sri Lanka
5. Dr.S. Sudalaimuthu, Professor and Head, Department of Banking Technology, Pondicherry University
6. Mr.Rammohan, Munugoor, Head, Financial Markets, Sales & Solutions, Indus Ind Bank, Chennai

The Department of Banking Management at Alagappa University organized a two-day international conference on "Digital Banking for Sustainable Development." Ms. Hema Chatterjee, AGM, Reserve Bank of India, while inaugurating the conference, said that the Reserve Bank of India is playing a crucial role in the digital banking and payment systems of our country. The banks are slowly moving from cheques as a mode of payment to digital payments through internet banking and mobile banking. She also added that it is a challenge for the central bank to maintain the trust of the people for all types of digital payments by preventing fraud. Digital banking has emerged as a powerful tool not only for enhancing financial inclusion but also for fostering sustainable development globally. To maximize its potential impact, stakeholders must collaborate to ensure that digital banking initiatives are designed and implemented in a manner that prioritizes inclusivity, sustainability, and ethical considerations, thereby advancing the collective goal of sustainable development for present and future generations.

EXTENSION ACTIVITIES

1	Name of the Activity	Village Extension Programme - 2023
	Details of Participants	69 Students, 53Villagers
