Department of Nanoscience and Technology - Alagappa University Organizes

2nd International Conference on

Advanced Nanomaterials for Energy and Environmental Applications (ICANEE-2023)

9 – 11, February 2023

About The Universities:

The Alagappa University emerged from a galaxy of institutions initially founded by the great philanthropist and educationist Dr. R. M. Alagappa Chettiar in the year 1985 at Karaikudi. The university has been accredited with an A+ with CGPA of 3.64 Grade by NAAC. New innovative scientific and social relevance courses are being offered through regular and distance modes. The University has obtained Category-I status from the MHRD and occupies 2nd place out of the other 12 state universities. It has secured 28th position among Universities in the National Institutional Ranking Framework (NIRF) 2022. Adding to its glory, the university has reached global recognition with the QS World Universities Ranking, 251-260th in Asia, 51th in South Asia. Our university has reached 138th position(2023) among the world young universities.

About The Conference

To familiarize and understand the research problem of India/Global needs in the thrust area of nanomaterials and its energy/environmental demands & solutions. To make a strong and useful network among peer groups and faculty-student centric. To make awareness/contribution to India self-reliant concept through science and technology on ICANEE-2023. To make or create Manthan (துளிர்/मंथन) / Brainstorm display board to write unsolved research problems and their solutions. The Best solutions will be identified and promoted to develop via institute innovation/start-up cell etc. To discuss one of the united nations (UN) defined Sustainable Development Goals (SDG) charter on Energy demands using nanotechnology for future India 2030.

Topic to be Covered (but not limited)

- Quantum Dots
- 2-D Materials
- Solar Cells
- CO_2 Capture
- MXenes
- Photo-supercapacitor
- Energy Storage
- Gas & Bio Sensors
- Crystal Growth/NLO
- BioFuels & Bio Remediation
- Bio-Nanomaterials
- Transition Metal Dichalcogenides
- Light emitting diodes/OLEDs
- Photonics materials, AI&ML in Material Science concept etc,..

Call for Abstracts/Publications :

Interested participants are requested to submit an one-page abstract containing title, author(s), affiliations(s) and abstract text within 200 words (and one picture). The abstract template can be found in the conference website (www.nanoqmrl.in). Only the above-mentioned themes based abstracts will be accepted. Selected abstracts will be allotted for **Poster/Oral Presentation** and Published in **Abstract book with ISBN**. The authors will have an opportunity to **Publish full length papers** in peer reviewed international journals/conference proceedings. (*As per the Publisher's policy, minimal publication charges may be applicable/free of cost)

Organizing Committee

Chief Patron : **Prof. G.Ravi, Ph.D, D.Sc**
Vice Chancellor, Alagappa University

Patron : **Prof. S.Rajamohan, Ph.D**
Registrar i/c, Alagappa University

Conveners : **Prof. K. Gurunathan**, Head, DNST
Prof. P. Shakkthivel, DNST

Organizing Secretary
Dr. G. Ramalingam, DNST

Co-Organizing Secretaries
Dr. C. Balalakshmi, DNST
Dr. N. Suganthy, DNST

Local Organizing Committee
DNST- Research Scholars
PG students

International/National Advisory Committee

Prof. Ajayan Vinu, University of Newcastle, Australia
Prof. Lianzhou Wang, The University of Queensland, Australia
Prof. Cuong Dang, Nanyang Technological University (NTU), Singapore
Prof. Hamid Reza Rajabi, Yasouj University, Iran
Prof. J. Madhavan, Loyola College, Chennai
Prof. Amutha Santhanam, University of Madras, Chennai
Dr. N. S. S. Clament, New York University, USA
Dr. T. Elangovan, Periyar University, India
Prof. K. Venkateswara Rao, Jawaharlal Nehru Technological University, India
Prof. R. Ramesh Babu, Bharathidasan University, Trichy
Dr. M. Srinivasan, SSN Research Centre, Chennai
Dr. Kumar Raju, University of Cambridge, UK
Dr. C. Ragupathi, Sriram College of Arts and Science, Chennai- Tiruvallur.
Prof. Joao Gaspar, INL–International Iberian Nanotechnology Laboratory,
Dr. A. Nirmala Grace, Vellore Institute of Technology, Vellore, India
Prof. N. Ponpandian, Bharathiar University, Coimbatore
Prof. G. Annadurai, Manonmaniam Sundaranar University, Thirunelveli
Prof. K. Thangaraju, National Institute of Technology Warangal, Telangana
Dr. Ram Ajor Maurya, National Institute of Technology Calicut-Kerala
Dr. Joice Sophia Ponraj, Tyndall National Institute, Ireland
Dr. V. Jayaramakrishnan, University of Cambridge, UK
Dr. S. Ananthkumar, Intercomet S.L, Madrid, Spain
Prof. R. Baskaran, Copperbelt University, Zambia
Dr. K. Sethuraman, Central University of Tamil Nadu, Thiruvarur
Prof. Hee-Je Kim, Pusan National University, Korea
Prof. Fen Ran, Lanzhou University of Technology, China
Dr. Nadarajah Manivannan, Brunel University, London –UK
Dr. S. Jegatheeswaran, BioMe Live Analaytical Center, Karaikudi

Important Dates

Last date for abstract submission	: 30th January 2023
Intimation of acceptance of abstract	: 30th January 2023
Last date for Registration	: 02nd February 2023
Conference Date	: 9th – 11th Feb. 2023

Eminent Speakers-(ICANEE-2023)

Prof. R. Jayavel
Anna University, Chennai, India

M.V. Venkatashamy Reddy
Nouveau Monde Graphite, Canada

Dr. M. Sathish
CSIR-Central Electrochemistry Research Institute
Karaikudi.

Dr. C. Balakrishnan
CHRIST University, Karnataka

Prof. Abhishek Lahiri
Brunel University, London

Dr. Govindhasamy Murugadoss
Sathyabama Institute Science
and Technology, Chennai, India.

Dr. T. Elangovan
Periyar University, Salem, India.

Dr. P. Sakthivel
Karpagam Academy of Higher Education
Coimbatore, India.

Dr. Meyya Meyyapan
Ames-NASA,USA

Dr. Sambasivam Sangaraju
National Water & Energy Center,
UAE University, UAE

Prof. R. V. Mangalaraja
Adolfo Ibanez University, Chile

Dr. V. Jayaramakrishnan
University of Cambridge, UK

Dr. Sterlin Leo Hudson
Banaras Hindu University, Varanasi

Dr. M. Ramesh
CSIR-Central Electronics Engineering
Research Institute, Pillani

Dr. Muthu Senthil Pandian
SSN Institutions, Chennai

For More Details Visit
https://nanoqmrl.in

Highlights of the Conference

ICANEE 2023

- Renowned speakers from the world
- Souvenir book with Genuine ISBN
- Publication in Scopus Indexed Journals
- Valid Certificates
- Rewards & Cash prize for Best Poster and Oral presentations

Registration Details

Registration is compulsory for each abstract submission, and the fee can only be paid through online bank transfer.

Account Details

A/C Name : The Organizing Secretary ICANEE2023
A/C No : 7395467973
IFSC Code : IDIB000A008

Registration fee

Delegates	Indian National (RS.)	International (US Dollar)
PG-Students & PhD-Scholars	₹ 1000	$400
PDF & Faculty	₹ 1500	$500

How to Reach Alagappa University, Science Campus.

Nearby Airports: Tiruchirappalli (TRZ) & Madurai (IXM)
Train: Chennai(MAS) – Karaikudi(KKDI)(420 KM), Tiruchirappalli(TPJ) – Karaikudi(KKDI) (96 KM)

Nearby Hotels

ESS PEE Inn	: 04565-227336
The Abirami Residency	: 04565-232799
Hotel ARC	: 04565-322990

Abstract

Abstract Format Title: Times New Roman, font- 14 with bold. Title is limited to 25 words ; Authors : Times New Roman, font- 12, Presenting author must be in bold and place asterisk (*) in superscript for corresponding author separate names by comma. Author affiliations should be in: Times New Roman, font- 12 with italic and mentioned no in superscript. Abstract is limited with 200 words in Times New Roman, font- 12 and provide relevant keywords (not more than six). Include one figure/illustration/graph with related caption. Wherever citation is necessary cite the corresponding article with the given format. To investigate the DC electrical conductivity of the as-synthesized materials, the pallets of all the powdered materials were prepared using a hydraulic press. Figure 6b shows current−voltage (I−V) results of as-prepared samples of MnO2, MXene, and MXene/MnO2 composites in potential range −1 to +1 V at room temperature. A two-probe measurement system was used to perform all the measurements.

Keywords: MXene; Solar Cell; Super capacitors; Biofuel; Bio nanomaterials,
