ABOUT THE UNIVERSITY

Alagappa University has sprouted and gleamed from the galaxy of institutions founded by a great visionary and philanthropist Bharat Ratna Vallal. Dr. RM. Alagappa Chettiar with the mission of transforming the educationally backward district 'sivaganga' to attain modest education for the underprivileged and the unreached sections of the society under the Special Act of the Government of Tamilnadu in May 1985. The University has been accredited with A+ Grade with CGPA of 3.64 by National Assessment and Accreditation Council (NAAC). Alagappa University embraces "Excellence in Action" as the motto in all the spheres such as; Teaching, Research and Extension. It is located at karaikudi (A cultural heritage Town), Tamilnadu which could be connected by roads and air from Madurai and Tiruchirapalli international airports. With its 440 acre of serene green lush precincts it has been bestowed with World clean and green campus award by NICER, New Delhi, World Environment and Livelihood (Weal) Award, by NICER, New Delhi and has been ranked as Fourth as the cleanest higher educational institutions in the country by Ministry of Human Resource Development. The University has 4 faculty, 11 Schools, 39 Departments, 9 Centers and Directorates and 3 Constituent Colleges on its campus and 40 affiliated institutions.

ABOUT THE INSTITUTE – ALAGAPPA INSTITUTE OF MANAGEMENT (AIM)

In 1993, aiming at the contribution and facilitation for nation's economic growth and prosperity through high quality Business Education, Research and Training that are relevant and useful to industry and economy, government and other institutions and to promote entrepreneurship Alagappa Institute of Management (AIM) was established.

Besides MBA programme, AIM offers M.Phil and Ph.D degrees in Management. The institute has been ranked and acclaimed as one among the top 100 business schools in India through various surveys conducted by agencies and magazines, from time to time. AIM with fervour encourages its students to build up a great sense of solidarity tangled with vital skills and talents through the curriculum and innovative pedagogy. The pedagogy in AIM is highly interactive, inimitable. Its uniqueness rests with the methods of urging the students to apt entrepreneurship as their way of life. It envisages substantial participation and applied learning process.

CONFERENCE THEME - ONLINE MARKETING

Marketing discipline, a trend setter to an individual and society at large, verily business houses have been inadvertently impacted by the intrusion of Technology and Digitalization in transforming brick and click to cyber hoarding which impacts the mental health of consumers attributes to living standard, fashion and humongous budge to the business economy. The advancements that led to the creation of e-mail World Wide Web (WWW) and web 2.0 technology brought it to the forefront the implications of internet to everyone's need for communication and information and its ramifications resorts to economic growth of the world at large. The increasing digital skills embraced by the society at large nudges the consumers; search products online, buy & pay and comments online. Traditional advertising and word of mouth communication abysmally lost its tender and irresistibly alluring online marketing for varied reasons. As brick and mortar system egregiously failed, corporations of all sizes albeit with trepidation sway online marketing for promotion and persistence of brands regionally and globally. Internet users in India though has been eased in offering at trifling costs by various service providers, yet major markets are unacquainted to digitalization and online marketing. The Government of India though made several initiatives to alleviate the risk of carrying currency promotes plastic money still Indian consumers are partially traditional because of skeptics, Similarly Indian market fathoms skeptics on the manufacturer, product, brand, money transaction, logistics and etc. However social media and search engine usher customers and enhance marketing of all firms with the billion users. Thus how to make every one acquainted towards online marketing because of its stark changes and scope this conference has been planned.

CONFERENCE OBJECTIVES

- The demeanor and modalities of brick and mortar system as resorts to abysmal dwindle and resonate scintillating online marketing tools and techniques since introduction of Adwords, bloomed and gleamed with contemporary novel solutions befit to the growing demands and needs of the market, hence this conference would be a phrontistery to originate and accelerate ideal models and strategies to sustain and thrive in this perplexed business contours (Corporations).
- To nudge the researchers by unveiling and assimilating online marketing theories and practices through resources from Industries and academics which purports to study for developing new ideas, adding concepts and information and thoughts that ameliorate applications of Online marketing to businesses of all sorts through discussions and deliberations and exchange of information and knowledge sharing (Researchers/ Academicians).
- Drastic changes in marketing formats through innovations and changes in traditional marketing consequences to online marketing undeniably attributes humongous growth and shift in social economical and cultural changes in the nation inadvertently affects entrepreneurs and employment which further accelerates or affects the society in all aspects (Society and Economy).
