M.Sc. DEGREE EXAMINATION, NOVEMBER 2023

First Semester

FUNDAMENTALS OF PSYCHOLOGY

(Common for all M.Sc. (Applied Psychology) specialization courses)

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. Define Psychology.
2. Write note on sensory system.
3. What is perception?
4. Give an account of Memory.
5. List the types of Thinking.
6. Write the classification of Intelligence.
7. Write short note on Drive theory.
8. Define Personality.
9. What is Pro social behaviour?
10. List the components of emotions.

Part B $(5 \times 5 = 25)$

Answer **all** questions.

11. (a) Discuss the methods of Psychology.

Or

(b) Describe the applications of Psychology.

12. (a) Explain the types of Attention.

Or

(b) Summarise the factors influencing memory.

13. (a) Explain classical conditioning.

Or

(b) Discuss the types of Attention.

14. (a) Explain the instinct theory.

Or

(b) Explain James Lange theory.

15. (a) Explain Freud's Psycho analytic theory.

Or

(b) Discuss about Psycho – Social development.

Part C

$(3 \times 10 = 30)$

Answer **all** questions.

16. (a) Explain the brief history of Psychology.

Or

(b) Explain the types of memory and the methods of memorizing.

17. (a) Discuss the trail and error theory with its implications.

Or

(b) Explain the Cannon Band Theory.

18. (a) Describe Eric Erickson Psycho – Social development.

Or

(b) Explain Maslow's Hierarchy of needs.

Applied Psychology

THEORIES OF COUNSELLING

(Common for All M.Sc. Applied Psychology / (Specialization Courses))

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. Define Counselling.
2. Give a note on Psychotherapy.
3. List any four Models of Counselling.
4. Write not on Integrative Model.
5. What is Barefoot Columellar Model?
6. What is Empathy?
7. List the importance of records.
8. Write on supervision.
9. Give the importance of Self Care.
10. Write note on Internal Assessment.

Part B (5 × 5 = 25)

Answer **all** questions.

11. (a) Differentiate Advice and Guidance.

Or

(b) Explain the scope of Counselling and Psychotherapy.

12. (a) Discuss the Micro Sill Model.

Or

(b) Explain the Psycho analytic model of Freud.

13. (a) Discuss the multicultural sensitivity in practicing counselling.

Or

(b) Explain the need for counselling and psychotherapy in Indian situation.

14. (a) Explain the skill Genuineness in counselling.

Or

(b) Briefly explain the code of Ethics in counselling.

15. (a) Discuss Verbation Model.

Or

(b) Explain the importance of personal awareness.

Part C (3 × 10 = 30)

Answer **all** questions.

16. (a) Explain the skilled helper model of Gerard Egan.

Or

(b) Discuss the history of counselling and psychotherapy with its principles.

17. (a) Explain in detail about the Barefoot Counsellor Model in counselling.

Or

(b) Discuss the need for counselling and psychotherapy in Indian situations.

18. (a) Describe Log Model.

Or

(b) Describe the various skills of counsellor.

SKILLS OF COUNSELLING

(Common for all M.Sc.(Applied Psychology) Specialization Course)

(2018 onwards)

Duration: 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. What is micro skill?
2. Define — Gestures.
3. What are the micro skill model steps?
4. Write short note on levels of expression.
5. What is deeper feeling?
6. Write short note on Re-framing.
7. Define — personalizing.
8. Write short note on paraphrasing response.
9. What is body language?
10. What is meant by pre test?

Part B $(5 \times 5 = 25)$

Answer **all** questions.

11. (a) What are the modalities of physical attending?

Or

(b) Discuss the handling silence.

12. (a) Describe the client tell the story.

Or

(b) Discuss the kinds of responses as per ego states.

13. (a) Distinguish between reflect the feeling and reflect the deeper feeling.

Or

(b) Write short note on EISPU.

14. (a) Describe the employing problem solving techniques.

Or

(b) Discuss the behavioral strategies.

15. (a) Write short note on oprationalizing the goal.

Or

(b) Describe the SMART goals.

Part C

$(3 \times 10 = 30)$

Answer **all** questions.

16. (a) How will you introduce the micro skill models steps of counseling?

Or

(b) Explain the types of problem situation.

17. (a) Describe the micro model steps in five and six.

Or

(b) Explain the emotions and various therapies.

18. (a) Discuss the alternative frame of reference.

Or

(b) Explain the goal making contracts and evaluating review and synthesis.

First Semester

PSYCHOLOGICAL ASSESSMENT

(Common for all M.Sc.(Applied Psychology) Specialization Courses)

(2018 onwards)

Duration: 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. Define psychological testing
2. List out the issues in psychological testing.
3. What are the types of psychological test?
4. Define Scales?
5. Write a note on academic self concept?
6. Define EPQ-R?
7. What is conflict Management?
8. Define Genogram.
9. Write about the wide range of achievement test.
10. Define problem solving ability test.

Part B

$(5 \times 5 = 25)$

Answer **all** questions.

11. (a) Discuss about the history of psychological testing.

Or

(b) Discuss about the application and issues in psychological testing.

12. (a) Explain the significance of assessment.

Or

(b) Explain the mental state examination and draw the example diagram of a MSE.

13. (a) What are the skills involved in Test Administration?

Or

(b) What is EPQ? Explain the different personality dimensions in an EPQ.

14. (a) Explain about Keirsey temperament sorter Rosenberg self-esteem scale.

Or

(b) Discuss about the conflict management.

15. (a) Discuss on multimodal life history questionnaire index of the parental attitude.

Or

(b) Explain academic resilience scale.

Part C

$(3 \times 10 = 30)$

Answer **all** questions.

16. (a) State the objective of psychological testing and its importance.

Or

(b) Describe the ethical professional standard for the test counselling.

17. (a) Discuss about self concept rating scale.

Or

(b) Write a short note on sociogram, Egogram and strokogram.

18. (a) Discuss about test relevant to learning problem.

Or

(b) Explain the vocational inventory scale and job satisfaction scale.

PSYCHOPATHOLOGY – I

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. Define Psychopathology.

2. Give the abbreviation of DSM.

3. What is Phobia?

4. Write an account on GAD.

5. What is Cyclothymic disorder?

6. Write note on bipolar disorder.

7. Give the subtypes of Schizophrenia.

8. Write an account on Psychotic Disorder.

9. What is psychodynamic?

10. What is interpersonal therapy?

Part B

$(5 \times 5 = 25)$

Answer **all** questions.

11. (a) Write briefly the history and classification of psychopathology.

Or

(b) Explain mental status Examination.

12. (a) Describe the diagnostic Criteria of Anxiety disorder.

Or

(b) Discuss the Psychotherapeutic approach in treatment in Anxiety disorder.

13. (a) Discuss depressive disorder.

Or

(b) Explain Post - Traumatic stress disorder.

14. (a) Briefly discuss the symptoms of Schizophrenia.

Or

(b) Explain the Decision-tree for differential diagnosis.

15. (a) Describe Behaviour Therapy.

Or

(b) Explain integrative approaches in Treatment by combing medication and Psychotherapy.

Part C

$(3 \times 10 = 30)$

Answer **all** questions.

16. (a) Discuss ICD-10 elaborately.

Or

(b) Explain the causes and treatment of OCD.

17. (a) Discuss the various mood disorders with its symptoms and diagnosis.

Or

(b) Discuss the sub-types of schizophrenia.

18. (a) Describe cognitive Behaviour Therapy.

Or

(b) Explain in detail the substance induced disorder.

RESEARCH METHODOLOGY

(Common for all Applied Psychology – Specialization Courses)

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. Define : Research.

2. What do you mean by counselling?

3. Mention the types of Hypotheses.

4. Give a note on Literature review.

5. Write the importance of Pilot Study.

6. List out the importance of Observation method.

7. Define : Mean.

8. Why statistics is essential?

9. What do you mean by reference?

10. State the objectives of research report.

Part B (5 × 5 = 25)

Answer **all** questions.

11. (a) Why should we follow research ethics? Explain.

Or

(b) Write about the Criticism in research.

12. (a) List out the criteria of a good hypotheses.

Or

(b) Describe the types of research design.

13. (a) Discuss the sources of data.

Or

(b) Give note on 'Sampling error'.

14. (a) How will you do the factor Analysis?

Or

(b) Write the application and uses of Chi square.

15. (a) How will you prepare an abstract? Explain.

Or

(b) Discuss about the bibliography.

Part C (3 × 10 = 30)

Answer **all** questions.

16. (a) Describe the types, approaches and significance of research.

Or

(b) Discuss the scope of research in counselling and psychotherapy.

17. (a) Discuss the steps involved in the formulation of research problem.

Or

(b) Discuss in detail about Sampling.

18. (a) Describe the Reliability and validity of scales.

Or

(b) How will you prepare a research proposal? Explain.

EMOTIONAL COMPETENCY

(Common For All (Applied Psychology) – Speclization Courses)

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. What are emotions?

2. Give any two characteristics of emotions.

3. Give the reasons for fear.

4. Suggest ways to develop hope.

5. How can we overcome angriness?

6. Write short note on specific underserved offences.

7. Give any two functions of sadness.

8. How can you control sadness?

9. What is emotional maturity?

10. What do you mean by happiness?

Part B (5 × 5 = 25)

Answer **all** questions.

11. (a) Give the basic components of emotions.

Or

(b) Describe the functions of emotions.

12. (a) Enumerate the techniques in handling emotion.

Or

(b) Explain the techniques of handling fear.

13. (a) Explain about blame worthiness.

Or

(b) Enumerate the specific act of anger.

14. (a) Describe the various techniques of handling sadness.

Or

(b) Enumerate the state of passivity in sadness.

15. (a) List down the characteristics of emotional maturity.

Or

(b) How will test EQ? Explain.

Part C (3 × 10 = 30)

Answer **all** questions.

16. (a) Explain the theories of emotions.

Or

(b) Discuss about the applications of transmatic incident reduction therapy.

17. (a) Explain the techniques of anger management.

Or

(b) Enumerate the impact of sadness and the state of self focus in sadness.

18. (a) Write in detail about the different scales to measure the emotional intelligence.

Or

(b) Define emotional maturity and list out the characteristics of emotional maturity.

Third Semester

Applied Psychology – Counselling and Psychotherapy

COUNSELLING AND PSYCHOTHERAPY IN DEVELOPMENTAL ISSUES

(2018 onwards)

Duration : 3 Hours Maximum : 75 Marks

Part A $(10 \times 2 = 20)$

Answer **all** questions.

1. What is development?

2. Write a short note on super ego.

3. What is child abuse?

4. What do you mean by sloppy age?

5. What is substance abuse?

6. What is depression?

7. What is meant by delirium?

8. What is burnout?

9. Write a brief note on novice phase.

10. Define the term stress.

Part B

$(5 \times 5 = 25)$

Answer **all** questions.

11. (a) Analyse the anatomy of stress.

Or

(b) Explain Maslow's hierarchy of needs.

12. (a) Describe the Characteristics traits of early childhood.

Or

(b) Analyse the physical development in adolescence.

13. (a) How can Juvenile crime be Prevented?

Or

(b) Suggest ways to manage sibling rivalry.

14. (a) Write an elaborate note on Psychological adjustment of elderly.

Or

(b) Describe Havighurst's development task for old age.

15. (a) Analyse the characteristics of middle aged.

Or

(b) How can burnout be handled in middle age?

Part C

$(3 \times 10 = 30)$

Answer **all** questions.

16. (a) Discuss Erikson's stages of Psychological development.

Or

(b) Describe the counselling techniques suitable for childhood.

17. (a) Elaborate the problems encountered by adolescents in the modern society.

Or

(b) How should a patient of delirium be cared for? Explain.

18. (a) Describe the signs and Symptoms of burnout during middle age.

Or

(b) Briefly discuss the various theories of development of Human Personality.
