First Semester

MANAGEMENT CONCEPTS

(2012-13 Academic year and 2013 Calendar year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What is the concept of universality of management?

2. Discuss the characteristics of a sound policy.

3. What are the major features of strategic decision and tactical decision?

4. How do you distinguish between line and staff functions?

5. What do you mean by manpower planning?

6. What are different barriers of communication?

7. In what sense is coordination called the essence of management?

8. What is “six sigma”?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Discuss the role of various approaches of management in management theory. Which approach, do you think adequately clears the nature of management.

10. What do you mean by the objective of an organisation? How do clearly defined objectives help in managing the organisation?

11. What are the various features of functional organisation structure? What are its weakness? Discuss the situations under which it is more suitable.

12. What do you mean by performance appraisal? Discuss its need and importance in an organisation.

13. Discuss the major assumptions of X and theory Y. How does management under theory X differ from theory Y?

14. What do you mean by PERT and CPM? What are their uses in managerial planning and control?

15. Analyze the role of technology and Information technology in the field of management.

ORGANISATIONAL BEHAVIOUR

(2012 – 13 Academic Year and 2013 Calendar Year Only)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Describe the challenges and opportunities that lead to the study of organizational behavior.

2. What factors determine the acceptance of a member by a group?

3. Is political behaviour inevitable in an organization? Justify your answer.

4. Describe the strategies to resolve destructive conflicts.

5. What forces play important role in sustaining organizational culture?

6. What are the objectives of OD programme?

7. What is burnout and what can be done to prevent burnout?

8. How groups and teams differ?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is attribution theory? What are its implications for explaining organizational behaviour?

10. Explain why do people form groups?

11. Describe the sources of power.

12. Discuss the consequences of stress.

13. What is organizational climate? Explain the factors influencing organizational climate.

14. Why do people resist change?

15. Briefly explain any five OD intervention techniques.

MANAGERIAL ECONOMICS

(2012-2013 Academic year and 2013 calendar year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Briefly explain :

   (a) Profit management

   (b) Capital management

2. List out the exceptions to the law of demand.

3. Differentiate direct costing from absorption costing.

4. List out the usefulness of LAC curve.

5. Differentiate monopoly from pure competition.

6. What are the characteristics of price leadership?

7. Describe the concept of profit theories.

8. What is “Business Cycle”?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. List out the "Scope of Managerial Economics".

10. Elaborately explain the factors determining "Price elasticity of demand".

11. Explain the concept of "Methods of demand forecasting".

12. Explain the cost-out put relationship in "Short run and Long run".

13. Briefly explain about the "oligopoly and oligopsony".

14. How would you measure "accounting profit"?

15. Explain the concept of "Cyclical pricing".

First Semester

QUANTITATIVE METHODS

(2012-13 Academic Year and 2013 Calendar Year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Explain the terms "model construction" and "model solution".

2. Explain advantages and limitations of L.P.P.

3. Express the following L.P.P. in the matrix form :

   Maximize $z = 2x_1 + 3x_2 + 4x_3$

   Subject to :

$$x_1 + x_2 + x_3 \geq 5$$
$$x_1 + 2x_2 = 7$$
$$5x_1 - 2x_2 + 3x_3 \leq 9$$
$$x_1, x_2, x_3 \geq 0.$$

4. Solve the assignment problem represented by the matrix :

	1	2	3	4	5	6
A	9	22	58	11	19	27
B	43	78	72	50	63	48
C	41	28	91	37	45	33
D	74	42	27	49	39	32
E	36	11	57	22	25	18
F	3	56	53	31	17	28

5. What is queue? Give an example. Explain the basic elements of queue.

6. Explain types of simulation.

7. Explain Expected Value of Perfect Information (EVPI).

8. Discuss the difference between decision-making under certainty and risk.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. From the following data calculate the break even point

	Rs.
Selling price per unit	20
Direct material cost per unit	8
Direct labour cost per unit	2
Direct expenses per unit	2
Variable overheads per unit	3
Fixed overheads (total)	20,000

If sales are 20% above the break-even point, determine the net profit.

10. Solve by simplex method :

Maximize $z = 9x_1 + 2x_2 + 5x_3$

Subject to :

$$2x_1 + 3x_2 - 5x_3 \le 12$$
$$2x_1 - x_2 + 3x_3 \le 3$$
$$3x_1 + x_2 - 2x_3 \le 2$$
$$x_1, x_2, x_3 \ge 0.$$

11. Find the basic feasible solution of the following transportation problem by north-west corner rule, also find the optimal solution :

	1	2	3	4	5	Available
A	4	3	1	2	6	80
B	5	2	3	4	5	60
C	3	5	6	3	2	40
D	2	4	4	5	3	20
Demand	60	60	30	40	10	

12. Solve the following travelling-salesman problem :

		To			
		A	B	C	D
From	A	∞	46	16	40
	B	41	∞	50	40
	C	32	32	∞	60
	D	40	40	36	∞

13. Explain Monte-Carlo of simulation with a suitable example.

14. Explain

(a) Queue discipline

(b) Capacity of the system

(c) Holding time

(d) Balking

(e) Jockeying.

15. A television dealer finds that the cost of a TV in stock for a week in Rs. 30 and the cost of a unit shortage is Rs. 70. For one particular model of TV the probability distribution of weeks sales is as follows :

Weekly sales :	0	1	2	3	4	5	6
Probability :	0.1	0.1	0.2	0.25	0.15	0.15	0.05

How many units per week should the dealer order? Also find EVPI.

First Semester

BUSINESS LAWS

(2012-13 Academic year and 2013 calendar year only)

(English medium only)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Define quasi contract.

2. Write about discharge of contract.

3. What are the duties of a bailee?

4. Distinguish between sale and agreement to sale.

5. What is life insurance? Discuss important types of life insurance policies.

6. Write down the unpaid seller? What are his rights and duties?

7. What is partnership deed? State its main contents.

8. Write about the nature and kinds of companies.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. What is mean by breach of contract and write about it various remedies?

10. Define bailee and what are the duties of a bailee.

11. Discuss the rights and duties of a buyer.

12. Briefly explain the negotiable instruments Act 1881?

13. What is marine insurance? Explain the different types of marine policies.

14. Discuss the rights and duties of a partner.

15. What is mean by meeting? Write the types of meeting.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(2012-13 Academic Year and 2013 Calendar Year only)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Differentiate financial accounting from management accounting.

2. Define the scope of accounting.

3. Explain different type of errors with appropriate examples.

4. Calculate the missing figure :

   Profit – Rs. 2,400, Capital at the end – Rs. 8,000, Capital introduced – Rs. 2,000, Drawings – Rs. 1,200.

5. Determine the closing stock from the following details :

   Sales – Rs. 4,00,000, Gross profit – 10% on sales
   Stock velocity –4 times.

6. What are the objects of cash flow statement?

7. What do you understand by zero base budgeting? How is it different from traditional budgeting?

8. A Ltd. company is considering to purchase a new machine two alternative models, A and B, are available, each costing Rs. 80,000. Earning after taxation are expected to be as follows :

Year	Model A Rs.	Model B Rs.
1	8,000	24,000
2	24,000	32,000
3	32,000	40,000
4	48,000	24,000
5	32,000	16,000

The company has a target of return on capital of 10%. On the basis, you are required to compare the profitability of the models and state which alternative you consider financially preferable.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

Each question carry equal marks.

9. Briefly explain the basic accounting concepts and conventions.

10. Mrs. K commenced business as a cloth merchant on 1.1.93 with a capital of Rs. 10,000. On the same day she purchased furniture and fittings for cash Rs. 3,000. From the following particulars obtained from her books kept by single entry, you are asked to prepare a trading and profit and loss a/c and balance sheet as on 31.12.93.

Sales (inclusive of cash Rs. 7,000)	17,000
Purchases (inclusive of cash Rs. 4,000)	15,000
Mrs. K's drawings	1,200
Salaries	2,000
Bad debts written off	500
Business expenses	700

Mrs. K took cloth worth Rs. 500 from the shop for private use and paid Rs. 200 to her son but omitted to record these transactions in her books. On 31.12.93 her and debtors were Rs. 5,200 and sundry creditors Rs. 3,600. Stock in hand on 31.12.93 Rs. 6,500.

11. "The accrual concept is the basis for final accounts" – Explain.

12. From the following balance sheet of a company, you are required to prepare a common size balance sheet.

Balance sheet as on 31st Dec.

Liabilities	Rs.	Assets	Rs.
Equity share capital	1,25,000	Plant and machinery	2,00,000
Preference share capital	50,000	Furniture	12,140
Reserves	55,000	Current assets	1,69,500
P and L a/c	35,000		
Current liabilities	1,16,640		
	3,81,640		3,81,640

13. Differentiate funds flow statement from cash flow statement.

14. A glass manufacturing company requires you to calculate and present the budget for the next year from the following information :

Direct material cost : 60% of sales

Direct wages : 20 workers @ Rs. 150 per month

Factory overheads :

Indirect labour :

Works manager : Rs. 500 per month

Foreman : Rs. 400 per month

Stores and spares : $2\frac{1}{2}$ % on sales

Depreciation on machinery : Rs. 12,600

Light and power : Rs. 5,000

Repairs and maintenance : Rs. 8,000

Other sundries : 10% on direct wages

Administration, Selling and distribution expenses Rs. 14,000 p.a.

15. What are the different categories of investment decisions? Discuss the basic factors on which investment decision depend.

BUSINESS ENVIRONMENT

(2012-13 Academic year and 2013 Calendar year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What are the socio-economic problems of India?

2. What are the promotion schemes carried out by Government to promote SSI?

3. Describe the credit structure in India with reference to Banking operations.

4. What is Economic Environment?

5. State the salient features of clean technology.

6. Briefly explain the technological development India.

7. What are the salient features of good government?

8. Explain the benefits and obstacles for privatisation.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. What are the components of Business Environment?

10. 'Liberalisation is important for furthering the growth of a developing country' – Do you agreed give reasons.

11. Explain the impact of liberalisation, privatisation and globalization on Indian economy.

12. Explain monetary system in India.

13. Clearly explain the concept of technology transfer in India's economy.

14. Explain the advantages and disadvantages of acquisition.

15. Explain clearly the political environment of Business.

RESEARCH METHODS

(2012-2013 Academic year and 2013 calendar year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What do you mean by research? Explain its significance in modern times.

2. Distinguish between research methods and research methodology.

3. What is the necessity of defining a research problem? Explain.

4. Write short note on 'Experience Survey' explaining fully its utility in exploratory research studies.

5. Under what circumstances would you recommended

   (a) A probability sample

   (b) A non- probability sample

   (c) A stratified sample

   (d) A cluster sample

6. Clearly explain the difference between collection of through questionnaire and schedules.

7. In a certain cross the types represented by XY, Xy, xy and *xy* are expected to occur in a 9: 5:4:2 ratio. The actual frequencies were

XY	Xy	*xy*	*xy*
180	110	60	50

Test the goodness of fit of Observation to theory.

8. Write short note on 'Documentation' in the context of a research report.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. "Report writing is more an art that hinges upon practice and experience" Discuss.

10. Briefly describe the different steps involved in a research process.

11. What is research design? Discuss the basis of stratification to be employed in sampling public opinion an inflation.

12. Explain and illustrate the procedure of selecting a random sample.

13. Enumerate the different methods of collecting data. Which one is the most suitable for conducting enquiry regarding family welfare programme in India? Explain its merits and demerits.

14. What do you mean by multivariate analysis? Explain how it differ from bivariate analysis.

15. What do you mean by multivariate techniques? Explain their significance in context of research studies.

INTERNATIONAL BUSINESS

(Upto 2012-13 Academic Year and 2013 Calendar Year Only)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Give a brief account of the important social problems in international marketing.

2. Give a brief account of the methods of technology transfer.

3. Briefly explain Letter of credit.

4. Write note on MNCs and international trade.

5. What are the limitations of FDI?

6. Differentiate between GATT and WTO.

7. Write short notes on “NAFTA”.

8. Evaluate the world Bank’s assistance to India.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Give a brief account of IMF's financing policies and facilities.

10. Examine the drivers and restrainers of globalisation.

11. Examine the global demographic trends and their implications for business.

12. Elaborately explain the concept of export-import procedure.

13. Discuss the factors affecting international investment.

14. Evaluate IMF's policies and assistance in respect of developing countries.

15. Examine the functions and role of the World Bank.

MANAGEMENT INFORMATION SYSTEM

(2012 – 13 Academic Year and 2013 Calendar Year Only)

(English Medium Only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Define the structure of MIS.

2. What are the elements of MIS?

3. Describe the role of MIS in Indian.

4. What is Electronic Bullettin Board System?

5. Briefly explain : MIS for Market Development.

6. What do you mean by Electronic Data Interchange?

7. What is net meeting? What are its applications?

8. What are the components of a website and briefly describe the data and information components.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. What are the pre-requisite and limitations of MIS?

10. Elaborate the recent development in information technology.

11. Discuss the concept of communication channels, communication networks and wide area networks.

12. Elaborate the application of MIS in manufacturing sector.

13. Elaborately discuss the issues associated with client server computing and its impact on information systems.

14. Explain advantages and disadvantages of E-Commerce in Industrial applications.

15. Briefly explain about Electronic Data Inter-Change.

FINANCIAL MANAGEMENT

(2012–2013 Academic Year and 2013 Calendar Year only)

(English Medium only)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Discuss the significance of financial management.

2. What do you mean by Tax avoidance and Tax evasion? Differentiate both.

3. Briefly explain the term Bridge finance.

4. Write a detailed note on Book Building.

5. Explain the concept of cost of capital.

6. Discuss Net Operative income theory.

7. What do you mean by Decision tree analysis?

8. Sales Rs. 80,000, Variable cost 60% of sales, fixed cost Rs. 20,000, 8% debentures Rs. 44,000, 10% preference capital Rs. 25,000, Tax rate 50%. Calculate DOL, DFL and DCL and interpret the results.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Discuss in detail the objectives of Financial Management.

10. Differentiate between Shares and Debentures.

11. A Company issues 1000 equity shares of Rs. 100 each at a premium of 10%. The Company has been paying 20% dividend to equity shareholders for the past five years and expects to maintain the same in the future also. Compute the cost of equity capital. Will it make any difference if the market price of equity share is Rs. 160?

12. The firms A and B are identical in all respects including risk factors except for debt equity mix. Firm A has issued 12% debentures of Rs. 15 lakhs while B has issued only equity. Both the firms earn 30% before interest and taxes on their total assets of Rs. 25 lakhs.

    Assuming a tax rate of 50% and capitalisation rate of 20% for an all – equity company, you are required to compute the value of the two firms using (a) net income approach and (b) net operating income approach.

13. Elaborately explain the determinants of dividend policy.

14. Discuss in detail the factors determining the working capital requirement.

15. Traders Ltd, are engaged in large scale retail business. From the following information, you are required to forecast their working capital requirements.

Projected annual sales – Rs. 130 lakhs.

% of net profit on cost of sales – 25%

Average credit period allowed to debtors – 8 weeks

Average credit period allowed by creditors – 4 weeks

Average stock carrying (in terms of sales requirement) – 8 weeks

Add : 10% to compute figures to allow for contingencies.

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Explain the scope of project management.

2. How do you select a project? Explain the steps for project selection.

3. Explain the essentials of project appraisal.

4. Write a note on market appraisal.

5. Explain the components of project planning.

6. Write a short note on Gantt chart.

7. What do you mean by sub – contracting? Explain with examples.

8. Discuss the objectives of project review.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Explain a project and discuss the types of project.

10. Explain the UNIDO approach to project formulation.

11. Write a detailed note on technical appraisal.

12. Elaborately explain the network techniques

    (a) PERT (b) CPM.

13. Discuss in about the term TPMM.

14. What do you mean by project monitoring? Explain its methods.

15. What is the need for environmental appraisal of the project?
