NB: Photocopy of the format may also be used

CALL FOR ABSTRACTS (for oral / poster presentation only)

Candidates are requested to send the abstracts of oral or poster presentation through email to the email address cahm2008@gmail.com or by post along with the registration form.

SCHEDULE OF IMPORTANT DATES

Last date for submission of abstracts : March 22th 2010
Last date for acceptance of abstracts : March 25th 2010
Last date for Registration : March 26nd 2010

LEVEL OF PARTICIPANTS

Post graduate students /MPhil/ PhD scholars/Faculty/ Scientist from Universities/ Colleges/
R & D institutions in the disciplines of Life Sciences / Biotechnology/ Zoology/Veterinary science/Animal Science/ Bioscience would be the participants of ACAH'2010.

REGISTRATION

Participants (without oral/poster presentation) –free
Selected oral/poster presenters- **Rs-250** (Registration fees at the time of enrollment)

*Participants are requested to send the registration form along with Bonafide certificate

ACCOMMODATION

Accommodation will be arranged in hotels at Karaikudi on prior request. The expenses for accommodation have to be met by the participants. University hostel (for students only): Rs. 50/ per day

ORGANIZING COMMITTEE

Patron : **Prof. P. Ramasamy**
Vice Chancellor

Co-patron : **Dr. A. Shenbagavalli**
Registrar i/c

Organizing Secretary : **Dr. B. Vaseeharan**
Associate Professor and Head,
Department of Animal Health and Management

ALAGAPPA UNIVERSITY

(Accredited with 'A' grade by NAAC)

"INTERNATIONAL SEMINAR ON

"APPLICATIONS OF CONFOCAL MICROSCOPIC TECHNIQUES IN ANIMAL HEALTH MANAGEMENT"

(ACAH'2010)

March 29-30, 2010

Venue: Convocation Seminar Hall, Alagappa University

SILVER JUBILEE CELEBRATION OF THE ALAGAPPA UNIVERSITY

Sponsored by

Alagappa University

Organized by

SCHOOL OF ANIMAL HEALTH AND MANAGEMENT
ALAGAPPA UNIVERSITY
KARAIKUDI – 630003

THEME OF THE SEMINAR

The purpose of the seminar is to identify critical needs and opportunities to apply the concepts of recent Confocal Microscopy techniques to diagnosis the disease in animals. This seminar provides an excellent opportunity for researchers and leading personals to gather the advance information in the field of research technique of Confocal (CLSM 710) Microscopy in animal disease diagnosis. Recent advances in Molecular biology, Biotechnology and Microscopic applications to address global health challenges through exceptional scientific collaborations that can generate truly innovative strategies. To connecting those who are currently engaged in innovative molecular biology and microscopy research with animal health, understand the real world challenges facing animal disease diagnosis and disease management health.

ABOUT THE UNIVERSITY

Alagappa University has emerged from the galaxy of institutions initially founded by the great Philanthropist and Educationist Dr. RM Alagappa Chettiyar. This University accredited by NAAC with "A" grade. The 440 acres green and lush campus with all academics activities is having International collaborations with Universities/ Institutions of higher learning in countries like USA, China, Malaysia, Taiwan, West Indies and South Korea. New innovative programmes are suitably designed and offered at the University for the Indian as well as Foreign Students. Many exchange programs have attracted the attention of the teachers and students from abroad. The post graduate departments, centers in science and humanities in the University and other collaborative agencies offer quality education through regular, weekend and distance modes catering to the needs of more than a lakh of students. The University's motto is "Excellence in action "and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENT

The Department of Animal Health and Management has been recently established in April 2008 at Alagappa University. The aim of the Department is to provide industry oriented degree level training, Comprising 60% Veterinary and 40% Management and also to develop an appreciation of the importance of Animal Husbandry and Aquaculture in Indian economy. It also focuses Biotechnology based research on diseases management and to train students properly in the area of management pertaining to disease prevention. The Department has a legacy of emphasizing equally outstanding programs and activities among all academic functions in teaching, research and outreach related to biology and production of domestic animal.

International Advisory Committee

Dr. **Gerry Brennan**, Queens University Belfast, U.K
Dr. **Aron Maule**, Queens University Belfast, U.K.
Dr. **Jiann Chu Chen**, National Taiwan Ocean University, Taiwan.
Dr. **Junda Lin**, Florida Institute of Technology, USA.
Dr. **S. Montserrat**, Colegio University, Spain.

National Advisory Committee

Prof. M. Akbarsha, Bharathidasan University.
Prof. P.Gunasekaran, Madurai Kamaraj University.
Prof. A.G. Ponniah, Central Institute of Brackish Water Aquaculture.
Prof. P.Mullainadhan, University of Madras.
Dr. T.C. Santiago, Central Institute of Brackish Water Aquaculture.

AREA OF FOCUS

Confocal Laser Scanning Microscope (CLSM)
Real time PCR
Aquatic Animal Health Biotechnology
Animal Infectious Disease
Disease Diagnosis & Management
Animal Biotechnology
Animal Genomics and Proteomics
Environment hygienic & Health

VENUE: Convocation Seminar Hall, Alagappa University,Karaikudi, 630003,TamilNadu.
