INTERNATIONAL WORKSHOP ON ENHANCING THE QUALITY OF SOCIAL SCIENCE RESEARCH

ALAGAPPA UNIVERSITY

Alagappa University was established in the year May 1985 by a Special Act of Government of Tamil Nadu 1985. With the objective of fostering research and dissemination of knowledge in various branches of learning. The University is named after Padma Bhushan (Late) Dr. R.M. Alagappa Chettiar. Alagappa University is recognized by University Grants Commission. It is a member of Association of Indian Universities as well as member of Association of Common Wealth Universities. It has the motto of "EXCELLENCE IN ACTION" and keeps the vision of excellence in all sphere of education. With 14 Schools, 9 Centres and 2 Constituent Colleges the University is growing day by day. The University is accredited with 'A' grade by the National Assessment and Accreditation Council of the country.

It has a vast campus of over 430 acres; Karaikudi is 400 km south of Chennai, in the Chennai – Rameswaram line. It is about 10 hours journey by rail or road from Chennai, Bangalore, Coimbatore and Thiruvananthapuram. Nearby places of Airports are Trichirapalli and Madurai.

The Host Institution

The Department of Women's Studies, Alagappa University was established with the approval of University Grants Commission in the year 1989. The first UGC approved Centre in Tamil Nadu. The Centre through its academic component and action – oriented programmes strives to inculcate and promote values that are necessary to achieve women's equality in sexist society. Through teaching and research in Women's Studies, the Centre aims at affecting a change in the present attitudes and values regarding women's roles and rights. Its outreach and training programmes are designed to empower both the privileged and under – privileged women.

INTERNATIONAL WORKSHOP ON ENHANCING THE QUALITY OF SOCIAL SCIENCE RESEARCH

OBJECTIVES AND AIMS

Social science research is passing through a defining time, wherein it is striving for a global marketplace. With a purpose to attain a competitive edge and elite status, social science research needs to focus on linking classroom teaching with R&D and modern development of the globalized world. Social science research is characterized by a diversity of theoretical perspectives, methodological strategies, data collection practices and analysis techniques. With the passage of time the methodological approaches has come up with new additions. This has made it always necessary to provide training and orientation on a continuing basis to researchers to equip them with advanced methodological skills.

This International Workshop strives to highlight some emerging philosophical and methodological issues emerging in social science research globally. The workshop will inculcate discussions on formation and selection of a research problem; design of research; sampling techniques; tools of research; collection of data; analysis of data; interpretation and discussion of results and report writing. Knowledge of research methodology both on quantitative and qualitative analysis and usage of SPSS have been imparted. This Workshop will energize the young researchers in the field of social sciences.

SUB THEMES OF THE WORKSHOP

- Emerging trends in Social Science Research
- Development of research proposal, Formulation of problems.
- Research Reconnaissance
- Publish and Get Prominence
- Quantitative Research Methods
- Theoretical Foundation in Social Research
- Feminist Research Methodology
- Methodological and Measurement Issues in Social Science Research
- Designing the Research Instruments
- Relevance of Qualitative Research in Social Science
- Appropriate interpretation of Statistical Tools
