KARAIKUDI

Date: 15.12.2017

The Department of Commerce of Alagappa University, Karaikudi, organized a National Conference on "Business Success Hinges on Business Strategies" on 15.12.2017.

Prof. S. Subbiah, Vice-Chancellor, Alagappa University, in his Presidential Address, stated that business strategy deals with three dimensions such as vision, goal and initiative. All the companies should identify the needs of customers and decide strategies for fulfilling their needs. Producing and selling products is not only the objective of a company, but also assessing needs and wants of customers appropriately. Fulfilling needs and wants of customers will help companies to achieve their goals in terms of increase in production, sales, profit, market size and market share. Appropriate initiatives relating to promotional activities of the product should be designed and implemented and the activities should be true not exaggerated. Confidence and hard work are the secrets of success. He highlighted the quotation of Nelson Mandela that "I am not judged by anything but how many times I fell down and came up". He advised the students do not worry about failures. Failure rate will double the rate of success.

Kalaimamani V.K.T. Balan, Chairman and Managing Director, Madura Travel Service (P) Ltd., Chennai, in his Inaugural Address, emphasized confidence and hard work

decides success of any individual in his life. He shared his personal experience regarding the difficulties encountered and prospects obtained during the tenure of 30 years of business related to travel and tourism. Risk taking is the basic quality of any businessman for their upcoming in their business. He advised the students to take risk in all their academic and professional endeavours for the betterment in their life.

Dr. P. Natarajan, Professor of Commerce, Pondicherry University, in his Special Address, highlighted the importance of strategy in business and various types of strategies needed to meet the cut-throat competition in business and ever changing environment of business.

Dr. T.R. Gurumoorthy, Professor and Head, Department of Commerce, delivered Welcome and Thematic Address. In his address, he highlighted the significance of individual attitude in designing, implementation and success of business strategies. The positive thinking and thinking big will help business enterprises to grow further in the market and achieve core competency in business.

The Seminar Souvenir containing the research papers submitted by Eminent Professors, Research Scholars and Students, was released by the Vice-Chancellor and the first copy was received by the Chief Guest V.K.T. Balan. Dr. Nedumaran, Associate Professor, Department of Commerce, proposed a vote of thanks.
