

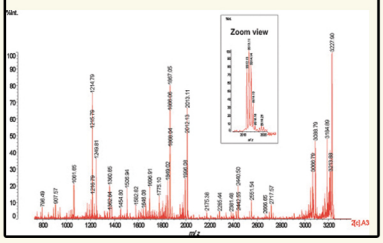
Commassie Blue Stain bacteria 2D Gel Electrophoresis



DBT Sponsored National Seminar cum Workshop

GENOMICS AND PROTEOMICS-2018

February 14-16, 2018

Preamble

The Seminar cum Workshop will provide theoretical and hands on training in the field of Genomics and Proteomics, where the participants will be trained with experiments such as PCR, Primer Designing, Multiple Sequence Alignment, Phylogenetic tree construction using Molecular Evolutionary Genetics Analysis (MEGA), STRING Analysis, Gene Ontology and a glimpse on Second and Third generation sequencing. Live Demo on 2D Gel Electrophoresis, MALDI- ToF/ToF analysis, Confocal Laser Scanning Microscopy and Real Time PCR analysis will also be given to the participants during the Workshop.

Level of Participants

Young Academicians / Scientists / Research Scholars and PG Students from academic, scientific and industrial setups working or desirous of working in the areas of Biotechnology, Computational Biology, Microbiology, Biochemistry and various other branches of Life Sciences are invited to attend the Seminar cum Workshop.

Registration Fee

1. Rs. 2500 /- for Students
2. Rs. 3500 /- for Academicians / Scientists

The registration fee includes Workshop Material and food for all the three days of the Workshop. Selected candidates upon intimation may send the DD for the amount specified.

Number of Participants: 30

Application

Registration form can be downloaded from the websites:
