Karaikudi - 630 003

ABOUT KARAIKUDI

Karaikudi is the prominent town in Chettinad region of Sivagangai district, Tamilnadu and it is situated on Trichy-Rameswaram National Highways. It is well connected to Madurai and Trichy Airports. Karaikudi is also home for famous Institutions, Alagappa University and Central Electrochemical Research Institute (CECRI). Pillaiyarpatti temple, Tamil Thai Kovil, Kamban Manimandapam, the Vallal Alagappar Statue and Memorial, Kaviarasar Kannadhasan Manimandapam and Statue are among the prominent places in Karaikudi.

ABOUT THE UNIVERSITY

Alagappa University has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist Padmabhusan Dr. RM. Alagappa Chettiar in 440 acres. This university is reaccredited by NAAC with “A” Grade with 3.21 CGPA in a 4.0 point scale. The post-graduate Departments and Centers in Science and Humanities in the University and other collaborative agencies offer quality education through regular and distance modes catering to the needs of around one lakh students. The Universitiy's motto is “Excellence in Action” and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENTS

Department of Industrial Chemistry

The Department of Industrial Chemistry was established in 1985. It offers M.Sc (Textile Chemistry, Electrochemistry and General Chemistry), M.Phil and Ph.D programmes. The Department has received funds to a tune of Rs.10 crores for research projects from UGC, ICAR, AICTE, DST, CSIR, DRDO, DRDL, TNSCST & DCI and recognized by UGC through SAP and by DST through FIST and PURSE programme. Since inception the Faculty & Research Scholars of the Department have published more than 1450 research papers in International/National journals and the department has more than 20 patents to its credit till date.

Department of Bioelectronics & Biosensors

The Department of Bioelectronics and Biosensors was established in the year 2008. The Department offers M.Sc., & Ph.D. programmes covering many leading disciplines such as physico-chemistry, electronics, biomedical, nano-biomaterials, bioinformatics, biosensors etc. The Department also offers consultancy services for professionals from industry, research and clinical fields for developing novel diagnostic devices for various applications.

Department of Nanoscience & Technology

The Department of Nanoscience and Technology was also established in the year 2008. The Department offers M.Sc., M.Phil. & Ph.D. programmes in the interdisciplinary field. The mission of the department is to promote and propagate the design of durable and cheaper materials. The Department is a unique centre for

conducting Nanoscience and Technology studies, thereby realizing the research and also seeks to integration of teaching and research pursuits efficiently.

ABOUT THE CONFERENCE

The objective of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field of chemical technologies. The galaxy of reputed scientists will certainly enthuse all aspiring researchers in FACTs-2016.

The Conference focuses on the following thrust areas :

- Electrochemistry
- Textile Chemistry
- Nano Materials
- Supramolecular Chemistry
- Chemical Sensors
- Biosensors
- Biochemistry
- Green Chemistry
- Nano Solar Cell
- Catalysis
- Polymer Chemistry
- Photocatalysis
- Environmental Analysis
- Computational Chemistry

CALL FOR EXTENDED ABSTRACTS

Original research papers on the above areas are invited for presentation in the Conference. Contributors are requested to submit a copy of the extended abstract not exceeding two pages (A4 size, Double Space, font size 12, Times New Roman). The abstract may be sent to : alufacts2016@gmail.com (or) to the Convener through Post. The accepted abstracts will be published in a book with ISBN number.

REGISTRATION

The participants are requested to send the filled in registration form to the convener along with Registration fee by DD drawn (any Nationalized Bank) in favour of "The Convener FACTs-2016" payable at Karaikudi. The registration fee for various categories is given below :

Delegates from Foreign Countries	:	US$ 200
Delegates from Industry	:	Rs.2000
Delegates from R&D and Academic Institutions	:	Rs.1500
Research Scholars / Student Delegates	:	Rs.1000

Fee includes admission to all the technical sessions, conference lunches, tea and the conference kit.

ACCOMMODATION

Accommodation will be provided for the registered participants in university guest house and hotel upon request on payment basis.

IMPORTANT DATES

Submission of Abstract	:	March, 12, 2016
Intimation of Acceptance	:	March, 15, 2016
Registration Fee	:	March, 18, 2016

ORGANIZING COMMITTEE

Patron : **Prof. Dr. S. SUBBIAH**
Vice-Chancellor, Alagappa University, Karaikudi

Co-Patron : **Dr. V. BALACHANDRAN**
Registrar, Alagappa University, Karaikudi

Chairman : **Dr. P. MANISANKAR**
Professor & Head, Department of Industrial Chemistry

Conveners : **Dr. K. GURUNATHAN**
Professor & Head, Department of Nanoscience and Technology
Dr. C. SEKAR
Professor & Head, Department of Bioelectronics & Biosensors

Co-Conveners : **Dr. G. PARUTHIMAL KALAIGNAN**
Dr. H. GURUMALLESH PRABU
Professors, Department of Industrial Chemistry
Dr. V. DHARUMAN
Asst. Professor, Department of Bioelectronics & Biosensors

Organising Secretaries : **Dr. G. GOPU,** Asst. Professor, Department of Industrial Chemistry
Dr. A. ARUMUGAM, Asst. Professor, Department of Nanoscience and Technology
Dr. J. WILSON, Asst. Professor, Department of Bioelectronics & Biosensors

Joint Secretaries : **Dr. S. THAMBIDURAI,** Associate Professor, Department of Industrial Chemistry
Dr. M. SUNDRARAJAN, Asst. Professor, Department of Industrial Chemistry
Dr. T. STALIN, Asst. Professor, Department of Industrial Chemistry

Treasurer : **Dr. S. VISWANATHAN,** Asst. Professor, Department of Industrial Chemistry

Members : **Dr. S. UMADEVI,** Asst. Professor (under UGC FRP), Department of Industrial Chemistry
Dr. M. MUTHUMAREESWARAN, Asst. Prof. (DST-INSPIRE), Dept. of Industrial Chemistry
Mrs. C. SUMATHI, Master Technician, Department of Bioelectronics & Biosensors

INTERNATIONAL ADVISORY COMMITTEE

Prof. Frank Marken, University of Bath, U.K
Prof. Sabine Szunerits, Université Lille, France
Prof. Chan Siew Hwa,
Energy Research Institute @ NTU, Singapore
Prof. Shen Ming Chen, NTUT,Taiwan
Prof. O. A. Hakim,National Research Centre, Cairo, Egypt
Prof. Cristina Maria Fernandes Delerue-Matos,
Instituto Superior de Engenharia do Porto, Portugal.
Prof. Jerzy Radecki, Polish Academy of Sciences, Poland
Prof. Giovanni Neri, University of Messina, Italy
Dr. M. Ashok Kumar, University of Melbourne, Australia
Dr. Kwang-Pill Lee, Kyungpook National University, Korea
Dr. A. Gopalan, Kyungpook National University, Korea
Dr. B. Muralidharan, BITS,Pilani- Dubai, U.A.E
