Alagappa University

Alagappa University accredited with 'A' Grade by NAAC, has emerged from the galaxy of institutions initially founded by the great philanthropist and educationist **Dr. RM. Alagappa Chettiar,** with the motto "Excellence in Action". The University brought into existence by a Special Act of the Govt. of Tamil Nadu in May 1985 and recognized by the University Grants Commission (UGC), has 15 Schools of Learning comprising, 25 Departments, 3 Constituent Colleges and 10 Centres of Development Studies offering over 60 Programs to foster research, development and dissemination of knowledge in various branches of learning.

The University, as a member of the Association of Indian Universities (AIU) and the Association of Common Wealth Universities (ACU) has rewarding relations with other academic institutions, research laboratories and industrial establishments and formed International Collaborations with Universities / Institutions of Higher Learning in countries like China, Malaysia, West Indies, U.S.A. and South Korea, to offer innovative and exchange programmes.

The University, with the support of Tamilnadu government has established an Entrepreneurship & Skill Development Centre, to train and develop graduates in specialised skills for self-employment and to organize such programmes for the assistance and growth of potential entrepreneurs and small-scale industry.

The International Conference - ICEPE '14

Challenging and being prominent, Entrepreneurship stands ahead for the development in any country around the globe. Entrepreneurship contributes significantly to the uplifting of surging economies in many countries and today, it is considered more privileged to start an enterprise than to work under a master. The entrepreneurial environment which encompasses the entrepreneur's motivation, guidance, and assistance, is believed to have changed drastically over the past few years, due to the wide-spread dissonance in the economic environment. In light of liberalization and increasing integration with the world economy, entrepreneurship especially helps in creating awareness among the business community and policymakers, that capital and labour are only two multiple factors influencing economic growth and value creation.

Conference Objectives

The conference is organized with the objectives

- To present the emerging trends in entrepreneurial opportunities & prospects,
- To identify and evaluate the environmental challenges of entrepreneurship in our country,
- To highlight the aligning elements of existing and upcoming entrepreneurs in different fields, and
- To arrive at strategies to take entrepreneurship towards cultural dispersion, balanced economic growth, regional development and societal upliftment.
