Answer any FOUR questions.

9. The following cost data are available from the books for the year ended 31-12-2010.

	Rs.
Direct material	9,00,000
Direct wages	7,50,000
Profit	6,09,000
Selling and distribution overheads	5,25,000
Administrative overheads	4,20,000
Factory overheads	4,50,000

Prepare a cost sheet indicating the prime cost, works cost, production cost, cost of sales and sales value.

10. From the particulars given below write up the stores ledger card.

1998 January 1	Opening stock 1000 units at Rs. 26 each
5	Purchased 500 units at Rs. 24.50 each
7	Issued 750 units
10	Purchased 1500 units at Rs. 24 each
12	Issued 1,100 units
15	Purchased 1000 units at Rs. 25 each
17	Issued 500 units
18	Issued 300 units

adopt the FIFO method of issue and ascertain the value of the closing stock.

11. Calculate the earnings of 3 workers A, B and C under 'Merricks' multiple place rate system, given the following :

Standard production per day : 150 units

Normal piece rate : Rs. 0.50 per unit

Production of workers on a particular day :

A -120 units

B-140 units

C-160 units.

12. Rama and Co, s profit and loss account for 2004 is given below :

Particulars	Rs.	Particulars	Rs.
To opening stock (m)	10,000	By sales	3,00,000
To purchases	90,000	By closing stock (M)	15,000
To wages	40,000	By interest on investments	5,000
To works expenses	22,000		
To office expenses	16,000		
To selling expenses	14,000		
To donations (Ramnavami)	2,000		
To net profit	1,26,000		
	3,20,000		3,20,000

In cost accounts works overhead was 50% of wages, office overhead was Rs. 18,000 selling overhead 5% on sales.

Prepare a reconciliation statement.

13. What is labour turnover? What are the causes for labour turnover? What steps do you suggest to reduce labour turnover?

14. Define standard costing. Explain the advantage of standard costing.

15. Explain the various elements of cost.

B.Com (CA)/B.Com (CA) (Lateral) DEGREE EXAMINATION, MAY 2013.

WEB DESIGNING AND ITS APPLICATIONS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the advantage of internet.

2. Explain the types of browsers.

3. Explain the HTML basic tags.

4. Explain frames in HTML.

5. Describe the attributes of form elements.

6. Explain the features of MS Front Page 2000.

7. Explain how to add links, images into a web page.

8. Explain CSS.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the role of name servers URL, protocols and ports.

10. How can you create HTML Tables? Explain with example.

11. Explain create and edit web page using front page.

12. Explain the dynamic web page.

13. Explain the concept of frame set with examples.

14. How can you add graphics in web page?

15. Explain the importance of forms in Front page.

B.Com. (CA) DEGREE EXAMINATION, MAY 2013.

LAB I — MS OFFICE

(2005 onwards)

Time : Three hours Maximum : 100 marks

Answer TWO questions, each question carry 50 marks.

Candidate has to choose the question by lot system.

Choose one from MS Word and another one from either MS Excel or MS Access.

MS-WORD

1. Create a word document in which perform the following operations :

   (a) Changing the case.

   (b) Underline, Bold and Italics.

   (c) Left, right and center alignment.

   (d) Changing the line spacing.

   (e) Inserting bullets.

---------- Cut here ----------

2. Prepare an interview letter and sent it to the candidates. Who are passed in the written test conducted by your company using mail merge.

3. Create a student details in MS-Word in table format which has details of Roll no., name, class, mark1, mark2, mark3 and find total and average of the marks.

---------- Cut here ----------

4. Using the MS-Word type a CIRCULAR LETTER to be posted to PGDCA candidates to attend personal contact programmed (PCP). Format the circular letter as it is and apply the suitable font type and font size.

---------- Cut here ----------

MS-EXCEL

5. Create the following in an Excel worksheet :

S.No., Emp. No., Name, Basic pay, DA, HRA, Gross pay, PF, IT, deductions and Net pay.

Enter data for Emp. No., Name and Basic pay. Fill the S.No. column with auto series.

(a) Calculate DA = 90% of basic pay, HRA = 5% of basic pay.

(b) Calculate Gross pay = Basic pay + DA + HRA.

(c) Calculate PF = 6% of basic pay, IT = 10% of gross pay.

(d) Calculate deductions = PF + IT.

(e) Calculate Net pay = Gross pay – Deductions.

6. Create a Student report with the following information. Reg. No., Name, Maths, English, Science and Total. Enter values for Reg. No., Name, Maths, English and Science.

(a) Calculate the total.

(b) Filter the candidate whose English > 60.

(c) Find the maximum marks for each subject.

(d) Sort the records in ascending order of name.

---------- Cut here ----------

7. Draw Pie chart and Bar diagram to the various expenses incurred in a family.

---------- Cut here ----------

MS-ACCESS

8. Create STUDENT table with the following fields :

Field name	Data type
Reg. No.	Number
Name	Text
Age	Number
Sex	Text
Degree	Text
Percentage	Number

(a) Add 5 records using forms.

(b) Display the records for sex = 'M' and degree = 'MCA'.

(c) Display the records for sex = 'F' and percentage between 70 and 80.

(d) Display the records for degree = 'MCA' and name like 'M*'.

9. Create ADDRESS table with the following fields :

Field name	Data type
Name	Text
Age	Number
Sex	Text
Street	Text
City	Text
Pin	Number

(a) Add Five records with appropriate data.

(b) Sort the table in descending order with respect to age.

---------- Cut here ----------

10. Create LIBRARY table with the following fields :

Field name	Data type
Book number	Number
Title	Text
Author	Text
Price	Number
Branch	Text

(a) Add 10 records using forms.

(b) Display the records for title and author like 'B*'.

(c) Sort the table in the ascending order of book number.

DISTANCE EDUCATION

B.Com. (CA)/B.Com. (CA) (Lateral) DEGREE EXAMINATION, MAY 2013.

LAB II — C PROGRAMMING

Time : Three hours Maximum : 100 marks

Candidates has to choose ONE question by lot system.

Each subdivision (a) and (b) carries 50 marks.

1. (a) Write a C program to input a temperature in Celsius and find the corresponding temperature in Fahrenheit use the formula $F = 9/5 * C + 32$.

   (b) Write a C program to find the biggest on 5 Nos. Modify the program to find the biggest of 10 Nos.

---------- Cut here ----------

2. (a) Write a C program to accept two strings. Assign a string to another variable, concatenate the two strings and find the length of concatenated string.

   (b) Write a C program to display the address and the contents of pointer variable.

---------- Cut here ----------

3. (a) Write a C program to find square root, square and cube of any number.

   (b) Write a C program to find a word is PALINDROME or not. (Ex. The word MALAYALAM is a PALINDROME and the word TAMIL is not PALINDROME).

4. (a) Write a C program to find the area of a circle.

(b) Write a C program to compute commission earned by a sales man according to the scheme given below :

SALES	AMOUNT	COMMISSION%
Upto	Rs. 1,000	0
Above	1000 upto 5000	5
Above	5000	10

---------- Cut here ----------

5. (a) There are 10 students in an class. Their names and marks in three different subjects are given. If a student takes more than 40 marks in each subjects then he is declared "PASS". Otherwise "FAIL" write a C program to do the above.

(b) Write a C program to find a bigger number between the two numbers using POINTER METHODS.

---------- Cut here ----------

6. (a) Write a C program to accept and display your ADDRESS, using STRUCTURE.

(b) Write a C program to convert a given number into words for numbers 1 to 5.

Ex. 1 to ONE, 2 to TWO and 5 to FIVE.

---------- Cut here ----------

7. (a) Write a C program to find the factorial of a given number using FUNCTION declaration.

(b) Write a C program to accept and display your DATE of BIRTH using STRUCTURE.

8. (a) Write a C program to sort 5 NAMES in ascending order.

(b) Write a C program to find simple and compound interest using function declaration.

---------- Cut here ----------

9. (a) Write a C program to input a temperature in Celsius and find the corresponding temperature in Fahrenheit use the formula $F = 9/5 * C + 32$.

(b) Write a C program to display the address and the contents of pointers variable.

---------- Cut here ----------

10. (a) Write a C program to find square root, square and cube of any number.

(b) Write a C program to find a bigger number between the two numbers using POINTER METHODS.

LAB III — ACCOUNTING PACKAGE

Time : Three hours Maximum : 100 marks

The examiner should give one question to each candidate by lot system.

1. From the following Trail balance as on 31.2.2010. Prepare Trading, profit and loss Account and Balance Sheet as on that Date :

Particulars	Debit Rs.	Credit Rs.
Stock as on 1.1.2010	10,840	–
Cash in hand	1,192	–
Drawing	4,840	–
Rent	880	–
Machinery	6,800	–
Tax	1,200	–
Provision for Bad debts	–	420
Bad debts	999	–
Capital	–	27,000

Particulars	Debit Rs.	Credit Rs.
Interest	–	620
General expenses	2,760	–
Bank overdraft	–	660
Purchase	40,618	–
Debtors	26,800	–
Sales	–	39,805
Creditors	–	27,000
Sales returns	740	–
Purchase returns	–	2,164
	97,669	97,669

Adjustments :

(a) Depreciation on machinery 10% p.a.

(b) Rent outstanding Rs. 500

(c) Tax prepaid Rs. 100

(d) Provision for Bad debts is to increased to 5% on Debtors.

(e) Closing stock Rs. 3,500.

2. Create ledger accounts and enter the following amount in the respective heads of Accounts.

Particulars	Debit Rs.	Credit Rs.
Capital	–	12,000
Stock	5,000	–
Debtors	4,000	–
Creditors	–	6,000
Machinery	10,000	–
Cash in hand	1,000	–
Bank overdraft	–	7,000
Sales return	4,000	–
Purchase return	–	2,000
Miscellaneous expenses	6,000	–
Sales	–	22,000
Purchases	13,000	–
Wages	5,000	–
Salaries	6,000	–
Prepaid Insurance	100	–
Bills payables	–	4,400
Outstanding salaries	–	700
	54,100	54,100

3. From the following information, prepare the profit and loss A/C of a trade for the year ending on 31.3.2010 by using any accounting package.

Particulars	Rs.	Particulars	Rs.
Gross Profit	2,50,000	Interest allowed	1,500
Salaries and Wages	5,000	Interest received	2,000
Wages and Salaries	500	Rent paid	2,000
Carriage in wards	1,000	Rent received	2,500
Carriage out wards	2,500	General expenses	500
Freight in Ward	1,500		
Freight out Ward	2,500		
Discount allowed	500		
Discount received	1,000		
Dividend received	1,500		
Commission allowed	1,000		
Commission received	1,500
