TAMILNADU

ABOUT THE UNIVERSITY

Alagappa University was established by a Special Act of Government of Tamilnadu in May 1985. It is a Category I University with Autonomous Status by MHRD UGC and NAAC Score CGPA 3.64 with its Motto 'Excellence in Action' initiated from the galaxy of Institutions founded by the great philanthropist and educationist Dr.r.M.Alagappa Chettiar. It is the only University in Tamil Nadu that has been sanctioned Rs.100 crores under MHRD - RUSA 2.0 Scheme. The University is having International Collaborations with Universities / Institutions of Higher Learning in countries like U.S.A, UK, Australia, Singapore, China, Malaysia and South Korea. Innovative programmes are designed and offered at the University for the foreign students. 41 international exchange programmes attract the attention of the teachers and students from abroad. The University has 44 Departments, 9 Centres and 2 Constituent Colleges on its campus. 46 Affiliated Colleges located in the districts of Sivaganga and Ramanathapuram are part of the University.

ABOUT THE DEPARTMENT

Department of Special Education and Rehabilitation Science is established in January 2016. This is the first State University to start a regular department for the human resource development in the field of special education which in turn serves to the welfare of students with disabilities. The objectives of the Department of Special Education and Rehabilitation Science:

To run special education courses for the preparation of human resources to serve children with special needs.
o carry out research for the development of new and innovative teaching and learning strategies. In line with the above objectives the department initiated various Special Education programmes such as B.Ed Special Education, M.Ed Special Education, Ph.D in Special Education and M.Sc Psychology. It has also undertaken major and minor research projects funded by both international and national funding agencies such as Norwegian Government Scholarship, Erasmus Mundus fellowship, The Universe, Japan, UGC, India and SSA, Tamilnadu.

The department is also rendering extension / outreach services to the community through two special schools (Alagappa University Special School for Persons with Disabilities - Intellectual Disability ; Alagappa University Special School for Persons with Disability - Autism) within its campus and Centre for Multimodal Material Production for Differently Abled. The Department had conducted number of Conferences, Training Programmes, Continuing Rehabilitation Education Programmes and Workshops in the field of Special Education

ABOUT THE CONFERENCE

The conference aims to identify the transformative solutions for inclusive development of persons with disability. The rehabilitation professionals in the field of special education should adopt innovative ideas , techniques and strategies to teach and train students with disabilities.

The transformative solutions for ensuring accessibility and providing equitable world for persons with disabilities has to be identified to meet the needs of students in inclusive society. A holistic development should be ensured and the ideas, solution and strategies emerging from this conference ensures an inclusive development.
