ABOUT THE UNIVERSITY

The Alagappa University, Accredited with 'A+' Grade by National Assessment and Accreditation Council (NAAC) (CGPA: 3.64) in the Third Cycle and Graded as Category-I University by MHRD-UGC, is located at Karaikudi in Tamil Nadu and is accessible from Madurai and Tiruchirappalli Airports within two hours. The 440 acre green and lush campus houses several Departments / Colleges / Centers of Advanced Teaching and Research in all modern areas. This University has emerged from the galaxy of institutions initially founded by the great Philanthropist and Educationist Dr. RM. Alagappa Chettiar. Alagappa University was brought into existence by a Special Act of the Government of Tamil Nadu in May1985 with the objective of fostering research, development and dissemination of knowledge in various branches of learning. Alagappa University is recognized by the University Grants Commission (UGC) of India. As a member of the Association of Indian Universities (AIU) as well as the member of the Association of Common wealth Universities (ACU), it has rewarding relations with other academic institutions, research laboratories and industrial establishments that promise a spectacular feature.

ABOUT THE DEPARTMENT

The Department of Education, DDE was established in November 2017. It is a full-fledged Teaching and Research Department. At Present, the Department is offering M.A. Education, M.A. Child Care Education and B.Ed., (with NCTE Approval) programmes through regular full-time / part-time mode. One of the major focuses is to develop the skills and competencies of the in -service teachers in order to make teaching and learning more effective at school level. Both major and minor research projects are in progress with financial support from various funding agencies.

Focus of the Department

- Preparation for higher education and professional Education.
- Providing proper training to student-teachers.
- To provide quality of education to the teachers to teach the subjects of specialization on the basis of the accepted principles of learning and teaching
- Development of Social, national integration and consolidation of democratic way of life.
- Striving to build character by cultivating social, moral and spiritual values.
- Training in citizenship and rational thinking.
- To improve the teaching, research and extension activities.
- To develop technical and social skills and values.

THEME OF THE WORKSHOP

E-Content development has become a national movement in India. The present generation students who are digital natives need interactive animated e-content for developing their cognitive, affective and psychomotor domains. The use of multimedia e-content facilitates the learners to understand even the abstract concepts in an interesting way. National level initiatives like National Mission on Education Through Information and Communication Technology (NMEICT) and National Programme on Technology Enhanced Learning (NPTEL) made India to transform its education system into networked, collaborative environment of 'anytime anywhere learning' with interactive multimedia content for learning and sharing. The potentials of technology greatly changed the teaching-learning process in the digital age. Since Technology has grater influence in teaching and learning it is indispensable to incorporate this component in the pedagogy. In the process of developing techno pedagogy for the learners who are the 'digital natives' the first issue to be addressed is the development of e-content. Reformed pedagogy with innovative methods to utilize ICT in education should be developed which frames the quality in teaching-learning by raising the interest of the students through learner centered approaches. The reformed innovative pedagogy should address learner's engagement and provide intractive ICT supported modules by integrating the learning across the curriculum. In this backdrop, the Department of Education, DDE, Alagappa University, Karaikudi organizes a National Workshop on "e-Content Development" for Research Scholars from 18/11/2019 to 22/11/2019.

REGISTRATION FEE

No registration fee. Only limited registration on the basis of first come and first serve.
