ALAGAPPA UNIVERSITY

(Accredited with A+ Grade by NAAC (CGPA: 3.64) in the Third Cycle, Graded as Category I University and Granted Autonomy by MHRD-UGC, 2019 : NIRF - 28, QS India Rank - 24, QS BRICS Rank – 104, QS ASIA Rank – 216)

Karaikudi - 630003, Tamil Nadu, India.

SCHOOL OF MARINE SCIENCES

DEPARTMENT OF OCEANOGRAPHY AND COASTAL AREA STUDIES

International Conference on

RECENT ADVANCES IN MARINE BIODIVERSITY AND CONSERVATION (RAMBAC- 2019)

Sponsored Under RUSA Phase 2.0 Scheme

Date : 12th & 13th, December 2019 **Venue : Convocation Seminar Hall, Alagappa University**

ABOUT THE UNIVERSITY

Alagappa University has emerged from the galaxy of educational institutions founded by the great philanthropist and educationist Padmabhusan Dr. RM. Alagappa Chettiar. Spreading over 440 acres, this citadel of higher learning remains an everlasting evidence of his munificence, vision and foresight. This State administered university was reaccredited by NAAC in the Third cycle with "A+" Grade with 3.64 CGPA in a 4.0 point scale and graded as Category-I University. It has also been granted autonomy by MHRD-UGC. Alagappa University is one among Arts and Science state run University in Tamil Nadu to secure berth in QS Ranking 2020. As per the ranking by global agency QS, Alagappa University is Numero Uno in Tamil Nadu, Top 20 in India and Top 104 positions among the 6500+ Universities in BRICS. Alagappa University is the only University in Tamil Nadu got 100 crores under RUSA grant by MHRD-UGC based on NAAC score. Alagappa University Ranked 4th in the Swachh campus ranking of 2018. This green and lush campus is teeming with a flurry of academic and research activities although the year thanks to the innumerable International and National collaborations it has. The University has 44 Departments, 9 Centres and 3 Constituent Colleges on its campus. Under its arm, this university also has 47 Affiliated Colleges located in the districts of Sivaganga and Ramanathapuram. The post-graduate Departments and Centers in Science and Humanities in the University and other collaborative agencies offer quality education through regular and distance modes catering to the needs of around one lakh students. The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action.

ABOUT THE DEPARTMENT

The Department of Oceanography and Coastal Area Studies is the only one of its kind in Tamil Nadu and it was established in the year 1998 to cater to the requirement of manpower generation in the field of marine research, technology and industries. The field centre is situated in a satellite campus extending over 13 acres at Thondi about 60 km away from the main campus. The department is spread along the wave front having the facility of boat landing jetty. The department has talented, motivated and well trained staff members with expertise on multi disciplinary aspects. Our university is distinctly projecting oceanography as the course admitting graduates from various disciplines so that the country will have skilled manpower to concentrate on the future requirements in the sphere of marine science and marine engineering. The syllabus been structured in such a way that it imparts knowledge to the students on geological, physical, chemical and biological oceanography, marine biotechnology, marine microbiology, and marine pharmacology with input on Remote Sensing, GIS, Aquaculture and industrial application, environment, resource management and conservation. To explore the marine resources P.G. Diploma in SCUBA diving is offered as add on course. The department has published more than 300 research papers in SCI journals since its inception. The department has been nationally recognised by various funding agencies such as MoEF & CC, MoES, ICMR, ICAR and CSIR through the schemes viz. UGC-SAP and DST-FIST.

ABOUT THE CONFERENCE

India is bestowed with rich marine biodiversity both along the East and West coasts including Andaman and Nicobar islands besides Lakshadweep. India is considered as one of the most important biodiversity hotspots. Mangroves, seagrass and coral reef ecosystems are known for the rich biodiversity. In recent years the world has been witnessing extensive habitat and biodiversity losses arising out of explosion in human population, the consequent intensification of agricultural activities, industrial development, urbanisation, discharge of partly treated and untreated effluents and sewage in to the marine and coastal ecosystems and climate change. In this backdrop, there is an urgent need to demonstrate the economical, ecological, sociological and other benefits of the protection of biodiversity and conservation of resources, so that policy decisions are made with the complete knowledge of the benefits that can be gained through biodiversity conservation. In order to discuss the various issues in marine biodiversity and to facilitate evolving of effective management plans for conserving the marine biodiversity around the world seas and oceans, this International Conference is being organised under following themes.

THEMES

- Hydrodynamics and Plankton Diversity
- Marine Microbiology and Biotechnology
- Marine Natural Products and Secondary Metabolites
- Marine Pollution and Emerging Contaminants
- Environmental Impact Assessment
- Remote Sensing and GIS
- Aquaculture and Food Security
- Sea Food Processing Technology, Quality Assurance and Management
- Capture fisheries and Responsible Fishing Practices
- Marine Protected Areas and Endangered Species
- Tourism, Socio-economics and Coastal Population
- Estuary, Coral reefs, Lagoons and Mangroves
- Global Warming, Climate Change and Ocean Acidification

KEY EVENTS

- Keynote Lectures
- Invited Lectures
- Oral Presentations
- Poster Presentations

Best Oral & Poster Presentation will be awarded.

PARTICIPANTS

Faculty members, Scientists, Research Scholars and Students from Universities, Colleges, State and Central Institutions and industries.

ABSTRACT SUBMISSION

One page abstract (soft copy) along with the filled in Registration form should be sent to "The Organising Secretary, RAMBAC-2019", Email: rambac2019@gmail.com. The abstract should be of font type : Times New Roman, Font size: Title (14 pt Bold), Name of the Authors (text 12 Pt) line spacing: single and the abstract not exceeding 250 words.

REGISTRATION

The participants are requested to send the filled in registration form to "The Organizing Secretary" along with Registration fee by DD drawn in any Nationalised Bank in favour of "The Organizing Secretary , RAMBAC-2019", payable at Karaikudi.

Participants Category	India (₹)	Overseas ($)
Delegates from Industry	3000	100
Delegates from R&D and Academic Institutions	1500	75
Research Scholars	1000	50
Student Delegates and Accompanying person	500	30

Important Dates	
Last date for submission of Registration Fee and form along with abstract	08.11.2019
Notification of abstract acceptance	15.11.2019

PROGRAMME COMMITTEE

PATRON
Prof. N. RAJENDRAN
Vice-Chancellor, Alagappa University

CO-PATRON
Prof. H. GURUMALLESH PRABU
Registrar, Alagappa University

CONVENER
Dr. C. STELLA
Professor & Head

ORGANIZING SECRETARIES
Dr. V. SUGUMAR
Assistant Professor
Dr. S. PARAMASIVAM
Assistant Professor

ORGANIZING COMMITTEE MEMBERS
Dr. J. Siva
Dr. C. Archana Devi
Dr. K. Kayalvizhi
Dr. K. Gunasekaran
Dr. P. Karthikeyan

INTERNATIONAL ADVISORY COMMITTEE
Dr. Nilmini Viswaprakash, Auburn University, USA
Dr. Jose Manuel Miranda, Universidade de Santiago de Compostela, Spain
Dr. Mohamed A. Rabie, Zagazig University, Egypt
Dr. Sprios Paramithiotis, Agricultural University of Athens, Greece
Dr. Malarvannan Govindan, University of Antwerp, Belgium
Prof. Jae-Hyung Mah, Korea University, South Korea
Prof. Jose Carlos Marques, Universidade da Madeira, Portugal
Dr. Giuseppe Spano, University of Foggia, Italy
Dr. Carmen Campos, Universidad de Buenos Aires, Argentina
Dr. Sudhakar Muniyasamy, CSIR, South Africa

NATIONAL ADVISORY COMMITTEE
Prof. T. Balasubramaniam, Chettinad University
Prof. N. Munuswamy, University of Madras
Prof. S. Ajmalkhan, Annamalai University
Prof. K. Kathiresan, Annamalai University
Dr. V.S. Chandrasekaran, Central Institute of Brackishwater Aquaculture
Dr. P. Madheswaran, National Centre for Coastal Research
Prof. M. Srinivasan, Annamalai University
Prof. B. Kondala Rao, Andhra University
Dr. A.K. Abdul Nazar, Central Marine Fisheries Research Institute
Dr. C. Ragunathan, Zoological Survey of India
Dr. V. Ranga Rao, National Centre for Coastal Research
Dr. G. Dharani, National Institute of Ocean Technology
Prof. Gulab D. Khedkar, Dr. Babasaheb Ambedkar Marathwada University
Dr. Kali Charan Sahu, Berhampur University
Prof. K. Padmakumar, University of Kerala
Prof. R. Mohan Raju, Pondicherry Central University
Dr. T.T. Ajithkumar, NBFGR-Peninsular Marine Fish Genetic Resource Centre, (ICAR)

ADDRESS FOR COMMUNICATION

The Organising Secretary
RAMBAC - 2019
School of Marine Sciences
Department of Oceanography & Coastal Area Studies
Alagappa University, Karaikudi-630 003.

HOW TO REACH THE CONFERENCE VENUE

The university is located at the heart of traditional Chettinad city – Karaikudi 100 km & 90 km away from Madurai & Thiruchirappalli airports. The nearest railway station is Karaikudi which is just 1 km away. Local transport through the public transport system is available from Karaikudi bus stand to University. Conference transport help desk will be installed at Railway station and bus stand at Karaikudi.

ACCOMMODATION

Accommodation can be arranged on prior request on payment basis in the University hostel. Accommodation can also be arranged in hotels in Karaikudi at affordable costs on request of payment basis. However, the delegates are free to make their own arrangements for accommodation in Karaikudi.

POOCHARAM, KKDI. Cell : 9884712091
