DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGEMENT CONCEPTS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is management? Explain its scope.

2. What are the objectives of planning?

3. Explain the significance of span of control.

4. Discuss the recruitment procedure followed by corporates.

5. Explain the need for coordination.

6. Explain the relevance of 'Bench marking' as a management concept.

7. State the general principles of direction.

8. What are the merits of centralisation?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the management thought from the point of view of (a) F.W. Taylor and (b) Elton Mayo.

10. "Planning involves consideration of various strategic points". Discuss.

11. Discuss the various theories of organisation.

12. Explain the significance of 'staffing' as a management process.

13. Explain the various devices used by management to ensure effective control.

14. Explain the significance of business process reengineering in management.

15. Explain the components and importance of total quality management.

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGERIAL ECONOMICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Distinguish between managerial economics and economics.

2. Briefly explain the scope of managerial economics.

3. What are the types of elasticity of demand? Explain.

4. Distinguish between fixed cost and variable cost.

5. What are the types of price discrimination?

6. Define cost control. Briefly explain its techniques.

7. Explain the important methods of evaluating an investment decision with suitable illustration.

8. What are the phases of trade cycle? Explain.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the role and responsibilities of a managerial economist.

10. State the nature and scope of managerial economics.

11. What are the types of demand? Explain the factors influencing demand for a product.

12. Explain the cost and output relationship in the short run with suitable diagrams.

13. How is price and output determined under monopolistic competition?

14. What is national income? Explain the methods and limitations in estimating the national income.

15. What is disequilibrium in balance of payment? Explain the corrective measures of disequilbrium in balance of payment.

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

First Semester

INTERNATIONAL BUSINESS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the concept of business environment in the globalization.

2. What is the UN code of conduct in respect of MNCs?

3. What are the objectives of SAARC?

4. Why is joint venture preferred in international business?

5. What are the points to be kept in mind while negotiating foreign collaboration?

6. State the objectives of WTO.

7. What are anti dumping duties?

8. When is a dispute regarded as international commercial dispute?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. How are international business classified? Explain them.

10. Discuss the factors that influence international business.

11. Explain the role of regional economic agreements in the trading activities of the member states.

12. Explain UN code of conduct for transfer of technology.

13. Enumerate the functions of WTO towards environmental aspects in the international trade.

14. Explain the features of arbitration agreement in the settlement process.

15. What are the strategies adopted by the MNCs in their marketing management?

DE–6089 **14**

DISTANCE EDUCATION

First Semester

INTERNATIONAL BUSINESS ENVIRONMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the impact of economic development on Ecology.

2. Explain the implications of cultural changes.

3. Describe the objectives of a socially responsible company.

4. Explain the role of regional agreements.

5. What are the impacts of business in social and cultural factors?

6. Explain the features of emerging world markets.

7. Explain the factors that have made India an attractive market for multinational companies.

8. What are the environmental Problems faced by the international business community?

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Discuss the opportunities and threats faced by the Indian company in doing business globally.

10. Explain the role of UNO in the international business environment.

11. Critically evaluate MNC's role in a developing country.

12. Explain the Problems and prospects of International business environment in the globalised economy.

13. What are the functions of WTO towards international business environment?

14. What are the reasons for the growth of world market? How does global environment help them?

15. Explain the causes for political instability at the international level.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

First Semester

QUANTITATIVE METHODS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is meant by variable? Explain.

2. What do you understand by a linear programming model? What are its limitations?

3. What are the advantages of duality?

4. What do you understand by transportation problem?

5. What are the advantages of simulation?

6. What are the classifications of decision?

7. From the following particulars calculate Break – even point in units and in rupees.

   (a) Fixed expenses Rs. 1,50,000

   (b) Variable cost per unit Rs. 10

   (c) Selling price per unit Rs. 15.

8. Find the dual of the following primal problem.

Min $Z = 20x_2 + 50x_2$

Subject to

$10x_1 + 20x_2 \geq 20$

$20x_1 + 10x_2 + 60x_3 \geq 60$

$10x_1 + 10x_2 + 30x_3 = 0$

and $x_1, x_2, x_3 \geq 0$.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What is meant by Break – Even analysis? What are it uses in management.

10. Solve graphically the following LPP

Maximize $Z = 3x_1 + 2x_2$

Subject to $2x_1 + x_2 \leq 12$

$x_1 + x_2 \leq 10$

and $x_1, x_2 \geq 0$.

11. Use simplex method to solve the LPP

Maximize $Z = 3x_1 + 2x_2$

Subject to $x_1 + x_2 \leq 4$

$x_1 - x_2 \leq 2$

and $x_1, x_2 \geq 0$.

12. Solve the following transportation problem

		Destination				
		P	Q	R	S	Supply
	A	21	16	25	13	11
Source	B	17	18	14	23	13
	C	32	17	18	41	19
	Demand	6	10	12	15	43

13. State and explain the steps involved in Monte – Carlo simulation technique.

14. Describe the use of EVPI to a manager.

15. A businessman has four alternatives, each of which can be followed by any of the four possible events. The conditional payoffs (in Rs.) for each combination are given below

Alternatives	Pay off conditional on events			
	P	Q	R	S
A_1	8	4	14	–6
A_2	–4	10	12	7
A_3	14	6	0	+4
A_4	13	8	+6	–3

Determine which alternatives should be selected if the businessman adopts:

(a) Maximini criterion

(b) Minimax criterion.

DE–6091 **21**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Second Semester

FINANCIAL AND MANAGEMENT ACCOUNTING

(2005 Onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE of the following.

1. Explain the Accounting Conventions in detail.

2. Explain the limitations of Single entry system of Accounting.

3. What do you mean by analysis and interpretation of financial Statements?

4. How is statement of affair different from Balance sheet?

5. Explain the different types of budget.

6. What is capital budgeting? How is it useful to the management?

7. Distinguish between Cash flow and fundflow statement.

8. Explain in detail the different types of Radios.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR of the following.

9. Distinguish between Management Accounting and Financial Accounting.

10. Mr. Mohan a retail merchant commenced business with a capital of Rs. 12,000 on 1.1.2006. Subsequnetly on 1.5.2006 he invested further capital of Rs. 5,000. During the year, he has withdrawn Rs. 2,000 for his personal use. On 31.12.2006 his assets and liabilities were as follows :
Cash at bank Rs.3,000
Debtors Rs.4,000
Stock Rs.16,000
Furniture Rs.2,000
Creditors Rs.5,000
Calculate the profit or loss made during the year 2006.

11. The following are the summarised Balance sheet of X Ltd. as on 31st December :

Liabilities	2005 Rs.	2006 Rs.	Assets	2005 Rs.	2006 Rs.
Capital			Fixed Assets	41,000	40,000
7% Redeemable			(–) Depreciation	11,000	15,000
Pref. shares	—	10,000		30,000	25,000
Equity shares	40,000	40,000	Debtors	20,000	24,000
General reserve	2,000	2,000	Stock	30,000	35,000
P/L a/c	1,000	1,200	Prepaid expenses	300	500
Debentures	6,000	7,000	Cash	1,200	3,500
Current Liabilities					
Creditors	12,000	11,000			
Provision for tax	3,000	4,200			
Proposed dividend	5,000	5,800			
Bank overdraft	12,500	6,800			
	81,500	88,000		81,500	88,000

You are required to prepare a fund flow statement.

12. From the following information you are required to prepare a Balance sheet with as many details as possible

Current ratio	2.5
Liquidity ratio	1.5
Networking capital	Rs. 3,00,000
Stock turnover ratio (cost of sales/closing stock)	6 times
Gross profit ratio	20%
Fixed assets turnover ratio (on cost of sales)	2 times
Debt collection period	2 months
Fixed assets to shareholders networth	0.80
Reserves and surplus to capital	0.50

13. Prepare a flexible budget for overheads on the basis of the following data. Ascertain the overhead rates at 50%, and 70% capacity

Particulars	At 60% capacity
	Rs.
Variable overheads :	
indirect material	6,000
indirect labour	18,000
Semi-variable overheads :	
Electricity (40% fixed : 60% variable)	30,000
Repairs (80% fixed : 20% variable)	3,000
Fixed overheads :	
Depreciation	16,500
Insurance	4,500
Salaries	15,000
Total overheads	93,000
Estimated direct labour hours	18,600

14. From the following balances as at 31.12.2004, prepare Trading, Profit and Loss account for the year 2004 and Balance Sheet as on date :

	Debit Rs.	Credit Rs.
Salaries	5,500	–
Creditors	–	9,500
Rent	1,300	–
Cash	1,000	–
Sales	–	32,000
Debtors	40,000	–
Trade expenses	600	–
Purchases	25,000	–
Capital	–	30,000
Advances	2,500	–
Bank	5,600	–
Loan	–	10,000
	81,500	81,500

Adjustments:

(a) Closing stock Rs. 9000

(b) Salary outstanding Rs. 500

(c) Rent paid in advance Rs. 100

(d) Reserve for bad debts 5%.

15. A Company is considering to purchase a machine. Two machines are available, X and Y Costing Rs.50,000 each. Earnings after taxation are expected to be as follows:-

Year	Earnings after Tax in Rs.	Machine X	Machine Y
1.		15,000	5,000
2.		20,000	15,000
3.		25,000	20,000
4.		15,000	30,000
5.		10,000	20,000

Evaluate the two alternatives based on

(a) Pay Back Period Method.

(b) Net Present Value Method at 10% Discount factor

(c) Average rate of Return Method.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Second Semester

INTERNATIONAL ECONOMICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the scope of international economics.
2. State the absolute cost advantage theory.
3. Explain the Ohlin's model of international trade theory.
4. Bring out the advantages of protection.
5. Describe the theory of immersing growth.
6. Distinguish between balance of trade and balance of payment.
7. What are the determinants of exchange rate? Explain.
8. Write a short note on the following
   (a) FDI
   (b) Technology transfer.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss the gains from international trade. Bring out its limitations.
10. Critically examine the Samuelson's model of international trade theory.

11. Elucidate the disequilibrium in balance of payment. How will you correct it?

12. How trade barriers and trade blocks inhibit the growth of international trade?

13. How the rate of exchange is determined under gold standard?

14. Explain the role of world bank in the international economic development.

15. Explain in detail the international debt problems.

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Second Semester

ORGANISATIONAL BEHAVIOUR

(2005 Onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Define personality. What are the determinants of personality?

2. Discuss the factors which influence perception.

3. Explain dynamics of group behaviour.

4. What are the principles of effective communication?

5. What are the difference between power and authority?

6. What do you mean by sensitivity training? Could you identify O.D. with sensitivity training?

7. What are the causes of organisational change?

8. What are the different types of stress?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Define OB. Describe the various models of OB.

10. Describe Abraham Marlow's theory of motivation.

11. Define communication. Narrate its process and barriers.

12. Explain the various sources of stress. Suggest the ways to reduce it.

13. What are the theories of group formation?

14. What are the different styles of conflict management? Discuss.

15. What are the challenges in organisational behaviour?

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Second Semester

INTERNATIONAL MARKETING

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain ethno and geo centric approaches in international business with examples.

2. Give a brief note on the environment of international marketing.

3. Discuss the factors that will influence the buying decision of the consumers.

4. What is transfer pricing? Explain the four common arrangements of pricing for intra company transfer of goods.

5. Differentiate advertising from publicity and personal selling.

6. Bring out the advantages of market segmentation.

7. Explain the factors influencing price determination.

8. Explain the economic model of buyer behaviour.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. How does environmental factors differ in national and international markets? Give example.

10. Discuss the major problems and difficulties when a firm wants to go for international marketing.

11. Explain the various steps in new product development.

12. Describe the various methods of segmenting the market with suitable example.

13. What are the various types of market survey? Explain the steps involved in planning the market research survey.

14. Discuss the Consumer decision-making process in detail.

15. Write short notes on

    (a) Product positioning

    (b) Product standardization

    (c) Counter trade

LEGAL ENVIRONMENT OF INTERNATIONAL BUSINESS

(2005 Onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the rules concerning damages in the international sale contract.

2. What is Foreign Trade (Development and Regulation) Act?

3. What are the procedure for obtaining patent on plant, seeds and drugs?

4. Write the application procedure for patent out of India.

5. Describe on the foreign Trademark privileges to national and non– nationals.

6. What are the difficulties in domestic arbitration in India?

7. What is Infringement of patent? When the patent is revocked?

8. What are the merits and demerits of Arbitration process?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Describe the obligation of the seller and the buyer in International sale contract.

10. Explain the central government powers regarding import/ export license.

11. Explain the provisions relating to secrecy direction, application for patent out of India.

12. Explain the procedure for getting patent after filing the applications.

13. Discuss the purpose of Arbitration and conciliation Act 1996. Examine the arbitral proceedings and awards.

14. State the regulations over transactions in foreign exchange and securities.

15. Describe the rules of foreign exchange possession retention, realisation and repatriation.

DE–6096 **31**

DISTANCE EDUCATION

Third Semester

EXPORT MANAGEMENT AND DOCUMENTATION

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Write short notes on Indian Council of Arbitration.

2. Briefly discuss about multimodel transport.

3. What do you mean by "Duty Draw back Scheme"?

4. List out the Thrust Products in India's foreign trade.

5. Briefly state the features of marine insurance.

6. What are the schemes available under EXIM policy?

7. Explain about the small exporter policy.

8. Why does Indian Government encourage SPZs?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. What are the methods of payment in foreign trade?

10. Critically evaluate the role played by assistance and incentives to increasing exports.

11. Explain the Pre-Shipment and Post-Shipment credits.

12. Give the importance of the following :

    (a) Commercial Invoice.

    (b) Consular Invoice.

    (c) Shipping Bill.

    (d) Certificate of origin.

13. List out the different kinds of letters of credit and explain the advantages of a Letter of credit.

14. Examine the role and functions of directorate of commercial intelligence and statistics.

15. Critically examine the role of Indian Institute of Foreign Trade.

Third Semester

INTERNATIONAL MARKETING LOGISTICS

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is marketing logistics system?

2. Distinguish between MTD and CTD.

3. What do you mean by multimodel transport system? State its advantage.

4. What are the cargo handling facilities available at an international port?

5. What are the different types of ports?

6. Explain the feature of liner.

7. Explain the Terminal stuffing.

8. What are the merits and limitations of Containerisation?

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the importance of marketing logistics system.

10. Discuss the working of multi-model transport system.

11. What is Conference system? State its advantages in logistics operation.

12. Discuss the different types of shipping intermediaries and the role played by them in shipping transport.

13. Describe the Characteristics of shipping transport.

14. Enumerate the various technological developments taking place in the ocean transport.

15. Discuss the major problems of air transport with suggestions to overcome.

Third Semester

INTERNATIONAL BUSINESS RESEARCH AND INFORMATION SYSTEM

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Briefly describe the different steps involved in a research process.

2. State the various objectives of International Business Research.

3. What are the objectives of global marketing research?

4. What is Global marketing? Explain.

5. What are the merits of sampling?

6. What are the Chief characteristics of good research report?

7. Write short notes on observation.

8. Discuss the model of Global marketing Information System.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Briefly explain the stages involved in formulation of a research project.

10. Are different types of research sharply distinguishable? Discuss.

11. Discuss the nature and scope of marketing research.

12. Explain about Questionnaire.

13. Explain the role of Computers in BIS.

14. Evaluate the experimental method of Investigation.

15. Explain about Global Finance in detail.

DE–6099 **34**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Third Semester

FOREIGN EXCHANGE MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are Inter Bank rates?

2. Explain the instruments of Credit used for effective Conversion of one Currency into another.

3. Discuss the interest rate parity theory in detail.

4. Elucidate cross rates in Forex market.

5. What are the uses of Foreign Currency options?

6. Explain the Currency swaps and interest rate swaps in detail.

7. How will you reduce the economic exposure risk?

8. Explain the impact of Foreign exchange reserves on exchange rate.

SECTION B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Explain in detail the interbank and merchant rates.

10. Discuss the concept of normal effective exchange rate.

11. Describe the features of NOSTRO Account.

12. What are the type of option contract? Explain its mechanism.

13. Bring out the features of Currency swaps and interest rate swaps.

14. Compare and contrast forward and future contracts.

15. Evaluate the policy measures regarding foreign exchange reserves.

DE–6100 **35**

DISTANCE EDUCATION

Third Semester

MANAGEMENT STRATEGIES OF MNCs

(2005 onwards)

Time : Three hours Maximum : 100 marks

SECTION A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are the causes for the growth of MNCs in India?

2. How is SWOT analysis helpful in the strategic management of MNCs?

3. What is international Joint venture?

4. Explain the importance of Environmental scanning.

5. Explain the structure of MNCs.

6. Explain the Social responsibility of MNCs.

7. What is MNC culture? And explain its importance.

8. Briefly explain the types of MNCs.

SECTION B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the different types of Multinational Companies.

10. Explain the special problems of MNCs and how they can be solved.

11. Explain the different levels of strategies of MNCs.

12. Explain the organizational theories applicable to MNCs.

13. How would you design the appropriate organizational strategy.

14. What motivates executives to initiate mergers and acquisition?

15. "The purpose of strategy is to define the nature of relationship between firm and its environment"– Discuss.

Third Semester

WORLD RESOURCES

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the importance and concept of resource identification.

2. How geographical environmental are helpful in developing the world trade?

3. Explain about mediterranean regions?

4. What are the different types of Farming?

5. Explain the role of fishery resources for the development of world trade.

6. What is the need for non-conventional energy?

7. Explain the role of Petroleum resources in the economic development of developing countries like India.

8. Discuss the role of cotton and textile industry in world trade.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the Dynamic character of world Resources. Also explain the usefulness of the study of resources.

10. Explain the various uses of studying Human environment.

11. Explain the various regions identified and listed under the head of cool temperate region.

12. Discuss world trade in manufactured goods.

13. Explain the Possible energy conservation and Alternatives.

14. Explain the different types Farming in agricultural resources.

15. Discuss the Problems and Prospects of cotton Textile Industries.

Fourth Semester

W.T.O. — CONSTITUTION AND OPERATIONS

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)
Answer any FIVE questions.

1. Explain the principles of WTO trading system.

2. What are the objectives of quantitative restrictions?

3. Write short notes on "Technical Barriers to Trade".

4. Explain the agreement on import licensing procedure.

5. Explain the elements of DSS.

6. Explain the Rules and Procedure of DSS.

7. Explain the scope of TRIMS.

8. Explain the various procedure for technology transfer.

PART B — (4 × 15 = 60 marks)
Answer any FOUR questions.

9. Critically examine the objectives and achievements of GATT.

10. Bring out the arguments for and against India's membership in WTO.

11. Discuss the provisions of the agreement of Sanitary and Phyto Sanitary (SPS) measures.

12. Explain the various modes of International delivery of services covered by General Agreement on Trade in Services. (GATS)

13. Explain the scope and principles of TRIPS.

14. Write short notes on :

    (a) Subsidies and Countervailing measures and

    (b) Antidumping duties.

15. Analyse the implications of Trade and Competition policy in International Trade.

DE–6103 **42**

DISTANCE EDUCATION

M.B.A. (IB) DEGREE EXAMINATION, MAY 2013.

Fourth Semester

IMPORT MANAGEMENT

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What is letter of credit? Explain the various parties involved in it.

2. Explain the various procedures for registration as importer.

3. What are the important determinant's India's imports?

4. Explain liberalised imports.

5. Briefly explain exchange rates implications.

6. What are the major concessions given in customs duty?

7. What is open general licence?

8. Discuss the importance of marine insurance policy.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.
