INTRODUCTION TO TEXTILES

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A ($5 \times 2 = 10$)

Answer **all** questions.

1. (a) What you mean by woven and knitted fabric?

Or

(b) Differentiate filament yarn and spun yarn.

2. (a) List the minor natural fibres used in textiles.

Or

(b) Enumerate the advantage of thermoplastic fibres?

3. (a) In what way strength property make it important for textile fibre.

Or

(b) Draw the microscopic structure of Silk fibre and explain.

4. (a) How linen fibres are prepared?

Or

(b) State the different grades of wool fibres.

5. (a) List the end products of clothing materials.

Or

(b) State the importance of finishing process.

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Explain about the classification of textile fibres based on cloth materials.

Or

(b) Discuss in detail about the application of textiles in clothing sector.

7. (a) Classify the man made fibres with uses and examples.

Or

(b) Classify the animal and plant fibres? List its usage.

8. (a) Discuss in detail about the primary properties of textile fibres.

Or

(b) With microscopic structure of cotton and wool fibre enumerates their properties.

9. (a) Discuss the cotton fibre preparation and its properties.

Or

(b) Explain the polyester and nylon fibres production and their properties.

10. (a) Explain in detail about the conversion process of woven into decorating textiles.

Or

(b) Discuss the importance of quality control in garment manufacturing.

FASHION ART AND DESIGN

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) Write a note on natural design.

Or

(b) Write about the qualities of different shapes.

2. (a) Write a short note on proportion.

Or

(b) Illustrate the shading of circle.

3. (a) Write a note on hatching.

Or

(b) Write about colour harmony.

4. (a) Write the merits of oil pastel.

Or

(b) Write a note on fabric draping.

5. (a) Write a short note on Side pose of boy.

Or

(b) Illustrate the drawing of Ears in different poses.

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Explain and illustrate different shapes with neat sketch.

Or

(b) Illustrate the different lines.

7. (a) Illustrate light to dark shading of fruits.

Or

(b) Illustrate the light to dark shading of vegetables.

8. (a) Explain in detail about the munsell colour system.

Or

(b) Write in detail about the colour scheme.

9. (a) Illustrate drawing using of pencil.

Or

(b) Illustrate the Still life drawing using poster colour.

10. (a) Illustrate the different head rotation.

Or

(b) Illustrate with neat sketch of hands and legs.

PATTERN MAKING – PRACTICAL

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

The Examine should cut and give one question to each candidate from lot.

1. Prepare a paper pattern for men's kurta. State cutting and marker tools.

---------- Cut here ----------

2. Draft a Commercial pattern for girls. State measuring tools.

---------- Cut here ----------

3. Prepare a pattern for ladies shirt. State pressing tools.

---------- Cut here ----------

4. Prepare Temporary stitches. What are the principals of drafting.

---------- Cut here ----------

5. (a) Write the produce for drafting Men's Trouser.

   (b) Explain the parts of sewing machine with a diagram.

6. Prepare a full scale pattern for Men's half sleeve shirt.

---------- Cut here ----------

7. (a) Design a pattern for seam finishes.

   (b) Explain the types of seams.

---------- Cut here ----------

8. (a) Prepare a paper pattern (full scale) for child.

   (b) State fabric folds.

---------- Cut here ----------

9. (a) Prepare a pattern for Boy's T-Shirt.

   (b) What are permanent stitches? Explain.

---------- Cut here ----------

10. (a) Give a drafting for Pattern layout.

    (b) Write about importance of Grains and preparation of fabric for cutting.

TEXTILE SCIENCE

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) List the uses of textile fibres.

Or

(b) What are the fibres are used for textile purpose?

2. (a) How fibres are prepared before spinning?

Or

(b) State the criteria of the fibre selection for spinning process.

3. (a) Why cotton bales required opening process?

Or

(b) When combing process are not required? Why?

4. (a) State the relation between yarn twist and durability.

Or

(b) Why different type of twist is required for yarn spinning?

5. (a) What are the fibres can be prepared by melt spinning process?

Or

(b) Define Open End spinning and state its advantages.

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Explain in detail about the desirable properties of a good textile fibre.

Or

(b) Discuss the properties of plant and animal properties.

7. (a) State the importance of spinning and explain the methods of spinning.

Or)

(b) Explain the process involved in fibre to yarn conversion.

8. (a) With neat sketch explain the combing process.

Or

(b) Explain roving process with neat sketch.

9. (a) Explain the different parameters that affected by yarn twist.

Or

(b) Explain different types of yarns and its structure.

10. (a) Explain in detail about the ring spinning process.

Or

(b) Write short note on dry and melt spinning methods.

HISTORY OF COSTUME DESIGN

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) Name any four costumes of Neolithic age.

Or

(b) Name any four costumes of Indus Valley Civilization.

2. (a) Give the salient features of costumes during Sunga dynasty.

Or

(b) Give any two differences of costumes of Gupta period and Mugal dynasty.

3. (a) Define traditional costume.

Or

(b) Name any four traditional costume of men.

4. (a) Name any two traditional costume of men belongs to Kashmir state of India.

Or

(b) Name two traditional costume of women belongs to Kerala State of India.

5. (a) What is a Patola women structure?

Or

(b) What is Kantnas embroidery?

Part B $(5 \times 10 = 50)$

Answer **all** questions.

6. (a) Enlist the development of clothing during Indus Valley Civilization.

Or

(b) Narrate with suitable illustration the costume development through Vedic Age.

7. (a) Explain with sketches the costumes of Mugal dynasty.

Or

(b) Explain with neat sketch the costumes of Nayaks of Madurai.

8. (a) Illustrate the traditional costumes of Indian men with suitable sketches.

Or

(b) Illustrate the traditional costumes of Indian Women with suitable diagram.

9. (a) Explain with diagram the various traditional costumes of women of Maharashtra of India.

Or

(b) Explain with diagram the various traditional costumes of men belongs to Karnataka state of India.

10. (a) Explain with diagram the Phulkari embroidery of Punjab state of India.

Or

(b) Explain with sketches the Chamba Rumal embroidery work of Himachal Pradesh State of India.

FASHION ILLUSTRATION AND ACCESSORY DESIGN

(Upto 2015 Batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) What is Photo analysis?

Or

(b) Define Photography.

2. (a) Draw any two leg pose of men.

Or

(b) Draw any two pose of arms for men.

3. (a) Draw any two hand pose of men.

Or

(b) Draw any two arm pose of women.

4. (a) What is a Jewellery?

Or

(b) Draw two design of sunglasses meant for women.

5. (a) What is poster colour medium?

Or

(b) What is water colour medium?

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Explain the Natural Scenes photographs application in fashion illustration.

Or

(b) Explain the photo analysis and its applications in Fashion Illustration.

7. (a) Explain different hair styles of men with suitable sketches.

Or

(b) Explain the dressing of male figure with casual wear with suitable illustration.

8. (a) Explain with diagram the dressing of female figure with formal wear.

Or

(b) With suitable sketches explain different head poses of women.

9. (a) Explain with suitable sketches different hat styles meant for women.

Or

(b) Explain with necessary illustration the different hand bag varities meant for women.

10. (a) Explain the rendering of fashion illustration using pastel colour medium.

Or

(b) Explain the rendering of fashion illustration using poster colour medium.

COMPUTER BASICS – PRACTICAL

(Upto 2015 Batch)

Time : 3 Hours Maximum : 60 Marks

The candidate should answer and do practical for each question (a and b).

The Examiner should cut and give ONE question to each candidate from lot system. Each question carry equal marks.

1. (a) How will you classify the computers? Explain.

(b) Create a worksheet consists of the fields Employee Name, Basic Pay (BP), Dearness Allowance (DA), House Rent Allowance (HRA), Medical Allowance (MA), Provident Fund (PF), Insurance (LIC) and Income Tax (IT).

Monthly Salary is calculated as follows :

Dearness Allowance (DA) = 60% of BP

House Rent Allowance (HRA) = 10 % of BP

Medical Allowance (MA) = 5% of BP

Provident Fund (PF) = 12 % of BP

LIC = 3% of BP.

Gross Salary BP + DA + HRA + MA

Deductions = PF + LIC

Net salary = Gross Salary – Deductions

IT = 10% of Annual Income (AI) if AI <= 3,00,000

= 20% of Annual Income if 3,00,000 < AI <= 5,00,000

= 30% of Annul Income if AI> 5,00,000.

(i) Enter 10 records and compute Income Tax for all the employees.

(ii) Draw bar chart for Employee Name and Income tax fields.

2. (a) What are the components of a computer? Explain their functions with neat diagram.

   (b) Design a farewell day invitation in an institution using MS-WORD and save in farewel. DOC. It is required to send this invitation to different addresses using Mail Merge Concept.

---------- Cut here ----------

3. (a) What are the input devices used in Computer based Data processing systems? Explain.

   (b) Prepare a powerpoint slide show with a text and picture expressing the courses offered in your institution with animation effects, Slide number and proper headings. Also set timings to view it.

---------- Cut here ----------

4. (a) Explain various types of computer networks and their advantages.

   (b) Create a MS-EXCEL worksheet with the following data for 10 students.

   Regno, Name, Five subjects Marks, total and average Do the following :

   (i) Find the total and average of each student.

   (ii) Find the highest and lowest scores in each subject.

   (iii) Draw Bar chart for average mark.

   (iv) Declare the result as "PASS" if he secure greater than or equal to 50 in each subject otherwise "FAIL".

5. (a) What is network topology? Explain various network topologies and their advantages and disadvantages.

(b) Prepare five slides about the fashion design course and its scope with the following features and present.

(i) Slide Number, Current date and time

(ii) Headings should be in bold and centered

(iii) Sound effects should also be generated.

---------- Cut here ----------

6. (a) What are the input devices used in Computer based Data processing systems? Explain.

(b) Prepare a powerpoint slide show with a text and picture expressing the courses offered in your institution with animation effects, Slide number and proper headings. Also set timings to view it.

---------- Cut here ----------

7. (a) What are the output devices? Explain.

(b) Prepare a document showing the profile of a company in MS-WORD with a heading. Do the following :

(i) The heading should be centered, bold faced, underlined and green coloured.

(ii) Set margins for left, right, top bottom as 1" and first line indent as 1.5".

(iii) The contents should be in 1.5 line spaces.

(iv) Insert the Heading in every page and footer consists of page number and address of the company.

(v) Take the print out with page number, header and footer.

8. (a) Explain different network communication media available.

(b) Create a worksheet in MS-EXCEL, in the following format.

STUDENT ATTENDANCE REPORT

Course Name : B.Sc. Fashion Design Year : First

Total Number of working days : 85

RegNo.	Name	No. of days Present	No. of days Absent	Percentage of Attendance
—	—	—	—	
—	—	—	—	

(i) Type 10 set of data in the worksheet.

(ii) Use suitable formula to calculate percentage of attendance.

(iii) Sort worksheet table namewise in alphabetical order.

(iv) Draw Line and Bar charts for percentage column.

(v) Convert the attendance report into MS-WORD using OLE concept.

---------- Cut here ----------

9. (a) What is a computer network? Describe its architectures with example.

(b) Prepare an interview letter document for the applicants to attend the interview on the given date at the specified venue. Create an address document to store the addresses and using mail merge facility send the letters to all the applicants.

---------- Cut here ----------

10. (a) Describe the structure a computer with neat block diagram.

(b) Prepare a document with minimum of 3 paragraphs in a page with various page and text formatting features in MS-Word.

HISTORIC COSTUME

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) Name any four costumes of men used in 18th Century.

Or

(b) Name any four costumes used by women of 19th century.

2. (a) What is Punk style?

Or

(b) What is hippe culture?

3. (a) Name any four costumes of Egypt?

Or

(b) List out any four costumes of women in china.

4. (a) Name any four famous costumes of mesapatamia.

Or

(b) List out any four costumes of men in Japan.

5. (a) Write salient features of folk costumes of Malaysia.

Or

(b) What is the speciality of Indonesian folk costume?

Part B $(5 \times 10 = 50)$

Answer **all** questions.

6. (a) Explain in detail with necessary illustration the developments of costumes during the period of 18th century.

Or

(b) Narrate the development of costumes of 19th century with suitable sketches.

7. (a) Explain the various styles in fashion followed by the youth during 1970's in India.

Or

(b) Explain the development of youth culture in British period, in India.

8. (a) Explain with necessary illustration the traditional costumes of Greece.

Or

(b) Explain various traditional costume of Rome using sketches.

9. (a) Explain the traditional costumes of Persia using suitable diagrams.

Or

(b) With necessary illustration explain the traditional costumes of Spain.

10. (a) Explain the folk costumes of New Zealand.

Or

(b) With suitable diagram explain the folk costumes of Mexico.

(Upto 2015 batch)

Time : 3 Hours Maximum : 60 Marks

Part A ($5 \times 2 = 10$)

Answer **all** questions.

1. (a) How yarn selection was made for particular fabric?

Or

(b) Give the importance of weave design.

2. (a) Draw the design of plain weave fabric

Or

(b) Differentiate between hand and power loom.

3. (a) Define picking motion and state its functions.

Or

(b) How wefts are inserted in the singe phage machine?

4. (a) What is the object of sizing? List sizing ingredients.

Or

(b) State the object of bleaching.

5. (a) Explain the vatting process.

Or

(b) Define discharge printing.

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Explain warping process in detail.

Or

(b) Discuss about the sizing machine and its ingredients.

7. (a) Discuss in detail about the passage of yarn through the loom parts.

Or

(b) Explain in detail about the fabric construction particulars.

8. (a) How basic weaves are constructed and list the derivatives of basic weaves?

Or

(b) Discuss in detail about the secondary motions and different types of selvedges.

9. (a) Explain the heat setting of synthetic fibres with neat sketch.

Or

(b) Write short note on fabric bleaching and calendaring process.

10. (a) Discuss about acid and basic dyeing with suitable fibre selection.

Or

(b) Explain the working of roller screen printing machine with neat sketch.

(Upto 2015 Batch)

Time : 3 Hours Maximum : 60 Marks

Part A (5 × 2 = 10)

Answer **all** questions.

1. (a) Mention about the functions of apparel industry.

Or

(b) Write about the different sizes of apparel industry with example.

2. (a) State about worksheet analysis.

Or

(b) Define bifurcated garment. Enlist the various types.

3. (a) Write about the role of spec sheet in apparel production.

Or

(b) Discuss about top pressing method.

4. (a) State about the importance of quality control system in apparel industry.

Or

(b) Enumerate about sampling technique.

5. (a) Give a short note about labels used in apparels.

Or

(b) State about the importance of elastics in garment.

Part B (5 × 10 = 50)

Answer **all** questions.

6. (a) Enumerate in detail about the hierarchy system followed in apparel industry with suitable examples.

Or

(b) Discuss briefly about the role of various departments in apparel industry and its functions with examples.

7. (a) Explain in detail about the production process of ready made garment industry.

Or

(b) Give a detailed account about the classification of garments and its end uses.

8. (a) Describe briefly about the different sewing techniques followed in apparel industry with sequential examples.

Or

(b) Differentiate between manual pattern making and computer aided pattern making.

9. (a) Explain about production planning process and brief about the quality control parameters.

Or

(b) State about the role of cutting department in apparel industry. Discuss about the steps and machineries used in cutting process of apparels.

10. (a) Write briefly about the wadding techniques and its end uses in apparel industry.

Or

(b) Discuss briefly about the factors and quality parameters required for selection of accessories with necessary examples.
