M.B.A. (Tourism) DEGREE EXAMINATION, MAY 2013.

First Semester

MANAGEMENT CONCEPTS

(2006 Onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)
Answer any FIVE questions.

1. Explain the scope of management.
2. Is management is a science? Explain.
3. What are the various kinds of plans?
4. List out the factors influencing policies. Explain in detail.
5. Write the importance of delegation.
6. Enumerate the importance of staffing.
7. What are the devices used for control?
8. Explain the following with suitable example.
   (a) Business process reengineering (4)
   (b) Bench marking. (4)

PART B — (4 × 15 = 60 marks)
Answer any FOUR questions.

9. Describe the characteristics of management with suitable example.

10. (a) What are the steps involved in planning process? (8)
    (b) Write the essential factors for implementing plans effectively. (7)

11. Explain the guidelines and difficulties in setting objectives for a MNC.

12. Enumerate the principle of organisation.

13. What are the factors influencing degree of delegation?

14. Explain process followed in staffing.

15. Explain Juran's triology with an example.

First Semester

ORGANISATIONAL BEHAVIOUR

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What is Organisation behaviour? What is its scope?

2. Explain the different approaches to the study of OB?

3. What are the major factors determining individual behaviour?

4. What is personality? What are its determinants? Which of them you feel, is the most important in shaping personality?

5. What are the barriers to communication?

6. What is power? How does it differ from authority?

7. What is organisational culture? What are its functional and dysfunctional consequences?

8. Why is change resisted? How do you over come the resistance?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. "Behaviour is generally predicable" – Do you agree or disagree? Discuss.

10. Define perception. Explain the steps in perceptual process.

11. Explain the major dimensions of operant, cognitive and social learning theories.

12. Describe the various leadership styles.

13. Define stress. Explain in detail the various types of stress.

14. What are the different approaches, which have been developed to study the organisational effectiveness? Do you agree with the view that it is difficult for an organisation to be effective?

15. Define OD. What are its techniques? Do they really work?

First Semester

MANAGERIAL ECONOMICS

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Differentiate between economics and managerial economics.

2. Explain the process of decision-making.

3. Why does the demand curve slop down? State the exceptions for the law of demand.

4. Explain variable cost, semi-variable cost and fixed cost with its implications.

5. Examine the use of production function in decision-making.

6. Differentiate between profit planning and profit forecasting.

7. Explain the structure of balance of payment.

8. How does valuation of stock influence the profit of a firm?

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. What are the advantages and disadvantages of large scale production?

10. Explain the significance of managerial economics in general.

11. What are the determinants of demand?

12. Explain average cost, marginal cost and total cost and their relationship with the help of cost schedule.

13. What is price discrimination? Illustrate how prices are fixed under price discrimination.

14. How are the following considered while measuring the profit?

    (a) Depreciation.

    (b) Deferred expenses.

    (c) Capital gains and losses.

15. Explain the implications of inflation in managerial decision.

First Semester

QUANTITATIVE METHODS

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Define function and also mention types of functions.

2. Distinguish between uncertainity and sensitivity analysis.

3. Write the procedure for solving LPP using graphical method.

4. What is event? And also differentiate equally likely events from mutually exclusive events.

5. A manufacturing company keeps stock of a special product. Previous experience indicates that the daily demand as given below:

Daily Demand	5	10	15	20	25	30
Probability	0.01	0.20	0.15	0.50	0.12	0.02

Simulate demand for the next ten days. Also find daily average demand for the product on the basis of simulated data.

6. What are the methods used for decision making under certainity?

7. What are the assumptions and advantages of Break even Analysis?

8. Find the probability that in a game of bridge a hand of 13 card will contain all the four aces.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. If the price elasticity of demand for a good is – 0.5 and the price of the goods falls by 10%, what is the percentage change in revenue?

10. A manufactures only two items ceiling fans and table fans. He has Rs.9,00,000 to invest and a space to store at most 75 pieces. A ceiling fan costs him Rs.1,200 and a table fan Rs.1000. He expects to gain Rs.150 on a ceiling fan and Rs.20 on a table fan. Assuming that he can sell all the fans that he manufactures, prepare a mathematical model of the problem stated above.

11. Use graphical method to solve the LPP.

Minimize $Z = 3X_1 + 2X_2$

Subject to the constraints

$5X_1 + X_2 \geq 10$
$X_1 + X_2 \geq 6$
$X_1 + 4X_2 \geq 12$
$X_1, X_2 \geq 0.$

12. A class consists of 100 students, 25 of them are girls and 75 boys, 20 of them are rich and remaining poor, 40 of them are fair complexioned, what is the probability of selecting a fair complexioned rich girl?

13. An automobile production line turns out about 100 cars a day, but deviations occur owing to many causes. The production is more accurately described by the probability distribution given below.

Pdn./day	97	98	99	100	101	102	103
Probability	0.15	0.20	0.10	0.20	0.08	0.17	0.10

Finished cars are transported across the bay at the end of each day a ferry. If the ferry has space for only 101 cars, what will be the number of cars waiting to be shipped and what will be the avg. number of empty space on the ship.

14. You are given the following pay-offs of three acts A_1, A_2, A3 and the states of nature S_1, S_2, S_3.

States of Nature	Three Act		
	A_1	A_2	A_3
S_1	25	–10	–125
S_2	400	440	400
S_3	650	740	750

Probabilities of the states of nature are respectively 0.1, 0.7 and 0.2, calculate and tabulate the EMV and conclude which of the acts can be chosen as the best.

15. Draw the graphs represented by the following functions.

(a) $y^2 = x$

(b) $y = x^2$

(c) $y = \frac{x^2}{x}$

(d) $y = \frac{1}{x}$.

First Semester

BUSINESS ENVIRONMENT

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Discuss the nature of business environment.
2. Explain the salient features of Indian Political system.
3. Write a note on Flow of FDI in India.
4. What are the components of Indian monetary system?
5. What are the objectives of VIIIth Five Year Plan?
6. Mention the merits and demerits of privatisation.
7. What are the elements constitute cultural environment?
8. Examine the Government policies on SSIs.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Distinguish between capitalism and socialism.
10. What are the roles played by the government towards business?

11. How monopolies are controlled in India?

12. Write the major functions of any four Financial institutions.

13. Critically examine the industrial policies of Government of India.

14. Discuss the impact of new economic policy on tourism.

15. What are the factors considered for technology transfer (TT)?

Second Semester

BASICS OF TOURISM

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. Define tourism and mention the significance of tourism.

2. State the tourism regulations.

3. What are the reasons for the increase in quantum of tourist arrivals in India?

4. Write a note on rail transportation in India.

5. "Incredible India" – Give your comment.

6. What are the factors affecting the pricing practices of tourism?

7. Distinguish between domestic and International Tourism.

8. Trace the origin of tourism in India.

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Discuss Individual Vs. Group Tourism.

10. Write a brief note on history of tourism.

11. Compare and contrast domestic and foreign tourism in terms of quantum of tourists and earnings from the tourism.

12. Explain the available hospitality services in Indian Tourism with relevant examples.

13. Discuss the role of state and central Government Organizations for the promotion of tourism.

14. What are the elements considered to attain quality in tourism?

15. Discuss the problems and prospects of tour operators in India.

ECONOMICS OF TOURISM

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain any three economic concepts applied to the tourism business.

2. What are the measures taken by the government to increase earnings from the tourism sector?

3. What are the jobs are generated from rural tourism?

4. Explain the concept of public private partnership in tourism with suitable example.

5. How will you do cross sectional analysis for tourism sector?

6. List out the merits and demerits of employment in tourism industry.

7. How does the tourism helps the government to mobilize more tax revenue?

8. What is elasticity of demand? How does it affects the demand for the tourism business?

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. Describe the tourism sector by the views of an economist.

10. Critically examine the tourism related policies of Government of India.

11. Explain the demand and supply gap of tourism sector in India.

12. How the investments are made in tourism business?

13. Write a note on "the flow of foreign exchange through tourism".

14. Discuss the various classifications of employment in tourism business.

15. "Tourism is for overall economic development" – Command.

SOCIAL ASPECTS OF TOURISM

(2006 Onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the people's perception about tourism.

2. What are the measures taken by the ministry of tourism to enrich social aspects of tourism?

3. How tourism influence the culture of people?

4. What is heritage tourism? and explain the significance.

5. Explain the social events symbiotic relationship and tourism.

6. State any three examples of historical sites in India with tourism potential.

7. Write a short note on :

   (a) Sporting events

   (b) Special events.

8. What is tourism? Explain the significance of social tourism.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Explain the social rites, rituals and their impact on tourism.

10. Describe the role of tourism in protecting the arts and traditions.

11. Explain the issues of invasion of one culture into others.

12. Mention any two popular tourism centres for there artistic works and also describe the nature of the artistic work carved at there.

13. What are the significance of heritage tourism.

14. Write a note on historical tourism in India.

15. How can we protect and preserve our traditions through tourism?

TOURIST BEHAVIOUR

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)
Answer any FIVE questions.
All questions carry equal marks.

1. Briefly examine the preference gaps of tourists of different profiles.

2. Describe the different steps in the decision making process.

3. What are the attractions related factors that influence tourist satisfaction?

4. Explain the basic factors of motivation.

5. What are accommodation related preferences of European Travellers?

6. How status influence decision making?

7. Explain the important skills required to satisfy the tourist.

8. Describe briefly the association between personal behaviour and satisfaction levels of the tourists.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Explain the role of socio-cultural factors in the process of decision making.

10. Write an essay on the preferences of tourists regarding transport related factors and cuisine related factors.

11. Examine the relative importance of tourism mindedness and personality of the tourists influencing the tourist motivation.

12. Elaborate the various aspects of motivational factors which influences to undertake a tour.

13. Write an essay on "Beggars as a social problem in India Causes and remedies".

14. Explain any three core factors of tourist satisfaction through suitable examples.

15. Explain in detail about visa and customs related factors influencing tourist satisfaction.

TOURISM ENTREPRENEURSHIP

(2006 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. Explain the various types of entrepreneur.
2. Distinguish between innovation and creativity.
3. Explain the determinants of success of the venture in accommodation sector.
4. Explain the entrepreneurial opportunities in transportation sector.
5. Write short note on entrepreneurial culture.
6. Explain the nature and scope of tourism attraction development.
7. What are the nature and scope of accommodation sector?
8. Write of your own how an entrepreneur can attract the tourist by their product.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Discuss in detail the qualities of a successful entrepreneur.
10. Explain the determinants of success of the venture in tourism sector.

11. Explain the special programmes for developing entrepreneurship tourism.

12. Discuss in detail the extent of tourist spending on shopping and restaurant.

13. Enumerate the risk and return aspects of the transportation sector.

14. Explain the sources of finance in tourism accommodation sector.

15. Explain the entrepreneurial opportunities in tourism attraction development.
