BASIC FINANCIAL ACCOUNTING

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What do you mean by double entry system? Explain its principles in details.

2. What is Depreciation? Explain Fixed Percentage Method of providing Depreciation.

3. What is the purpose of preparing a manufacturing amount? What are its types?

4. Difference between single entry system and double entry system.

5. Difference between Joint venture and partnership.

6. R owes S the following sums of money due from him on the dates stated.

   Rs.300 due on March 9, 1993.

   Rs.1,000 due on April 2, 1993.

   Rs.4,000 due on April 30, 1993.

   Rs.100 due on June 1, 1993.

   He wants to make the complete payment on 30.6.93. Calculate interest at 5% p.a. with the help of Average due date method.

7. Mr. A started his business on January 1, 2009 with a capital of Rs.50,000. His capital as on December 31, 2009 was Rs.60,000. During the year, he introduced a further capital of Rs.5,000 and withdrew from the business for his private use Rs.8,000. Find out his profit for the year 2009.

8. Discuss the different types of consignment transaction.

PART B — ($4 \times 15 = 60$ marks)

Answer any FOUR questions.

9. What is Accounting? State its advantage and disadvantage Accounting.

10. S owes T Rs. 21,000 on 1st January 2011. He accepts a bill for 3 months for Rs.20,000 in full settlement. On the same due T discount the bill from his banker at 6% p.a. Before the due date, S become bankrupt and T receives first and final dividend of 20 paise in the rupee. Pass journal in the books of T and S.

11. Perumal has accepted the following bill drawn by Velu.

On 8.3.94 Rs.8,000 for 4 months

On 16.3.94 Rs.10,000 for 3 months

On 7.4.94 Rs.12,000 for 5 months

On 17.5.94 Rs.10,000 for 3 months.

He wants to pay the bills on a single day. Find all this date. Interest is charged at 18% p.a. Find out the date on which he has to affect the payment to save interest of Rs.300.

12. A company purchased Machinery for Rs.60,000 on 1st July 2011. It was decided to depreciate at 10% p.a. on diminishing balance method. On 1st January 2009, it was to depreciation at 10% on straight line method and to adjust the difference in depreciation arising from the change of method of Profit and loss a/c for the year 2009. Assuming that the Company closes its amount on 31st December every year show machinery a/c for three years – 2006 to 2009.

13. Differentiate Receipts and Payment.

14. On 1st January 2000 X Ltd. purchased a motor car from Y Ltd, On the hire purchase system. The cash price of which way payable as Rs.12,000 down and the balance in 3 equal annual instalments together with interest @ 10% p.a. the amount of the last instalment including interest was Rs.17,600. Depreciation was to be provided at 20% p.a. on the reducing balance.

    At the end of 3 years of services the motor car was sold for Rs.30,000.

    Show Motor car amount and Y Ltd a/c in the books of X Ltd for the 3 years to 31st December 2002.

15. A and B are partners sharing profit and losses in the ratio 4 : 3 they admit "C" into partnership for $\frac{1}{5}$ the share. Who pay Rs.3,500 in cash for goodwill. A and B decide to share future profit equally a money themselves. No goodwill appear in the book.

    Give necessary journal entries to records the goodwill.

ADVANCED ACCOUNTANCY

(2005 onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

All questions carry equal marks.

1. What are the duties of partners?

2. Explain the characteristics or features of goodwill.

3. What is Joint life policy? Why is it needed?

4. Distinguish between Preference shares and Equity shares.

5. Ram was holding 80 shares of Rs.100 each @5% discount. He paid Rs.20 on application; Rs.30 on allotment (excluding discount), Rs.25 on first and final call. His shares were forfeited for non-payment of his second and final call. Journalise the transactions.

6. A company issued 5000 shares of Rs.200 each. These were underwritten these as follows :

   A – 2,500; B – 1,500 shares.

   The public applied for 4,000 shares which included marked applications as follows :

   A – 600, B – 150 shares. Determine the liability of A and B.

7. A fire occurred at the premises of a treader on May 31, destroying a great part of his stock which at January 1, appeared in the books at Rs.60,000. The value of the stock salvaged was Rs.13,500. The gross profit on sales was 30 percent and sales amounted to Rs.1,53,000 from January 1 to the date of fire, while for the period the purchase amounted to Rs.1,08,500.

   Prepare a statement of claim for submission to the insurance company.

8. G ltd. was incorporated on 1.7.2002 which took over the business of Siva with effort from 1.1.2002. The sales for the period up to 30.6.2002 were Rs.2,50,000 and thereafter upto 31.12.2002 was Rs.3,50,000.

   Gross profit for the year ended 31.12.2002 was Rs.1,80,000. The expenses debited to Profit and loss a/c were as follows :

	Rs.
Rent	9,000
Director fees	13,000
Discount on sales	6,000
Salary	15,000
Interest on debenture	6,000
Bad debts	4,800

   Ascertain the profit prior to incorporation.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

All questions carry equal marks.

9. Define partnership. What are the factors affecting value of goodwill on admission of a new partner?

10. Explain in detail the rule laid down in 'Garner Vs Murray' case and its effect on closing of accounts of a dissolved firm.

11. Explain the accounting system followed when all partners became insolvent.

12. Raman and Laxman were partners sharing profits and losses in the ratio of 4:3 in view of Velan's admission, they decided to revalue the assets and liabilities as indicated follows.

    (a) To increase the value of buildings by Rs.60,000

    (b) Provision for doubt for debts to be decreased by Rs.800.

    (c) To decrease machinery by Rs.16,000, Furniture by Rs.4,000 and stock by Rs.12,000.

    (d) A provision for outstanding liabilities to be created at Rs.800. Show the revaluation account.

13. The balance sheet of Wallace Ltd. as on 31st December 2009 was as under.

Liabilities	Rs.	Assets	Rs.
Share capital		Sundry assets	3,65,000
1,000 redeemable preference		Bank balance	1,40,000
shares of Rs.100 each	1,00,000		
2,000 equity shares of Rs.100			
each fully paid	2,00,000		
General reserve	80,000		
Profit and loss a/c	50,000		
Sundry creditors	75,000		
	5,05,000		5,05,000

On this date, the Preference shares were redeemed at par. Journalise and prepare balance sheet after redemption.

14. Explain the different method of calculation of consideration at the time of amalgamation.

15. S. Ltd. offered application for 10,000 shares of Rs.10 each at a premium of Rs.2 per share. These shares are payable as Rs.3 on applications. Rs.5 on allotment (including premium), Rs.4 on first and final call. The company received application for 2,000 shares.

	Shares applied	Shares allotment
To applicants of	2,000	NIL
To applicants of	10,000	2,000
To applicants of	8,000	8,000
	20,000	10,000

Excess application money received was adjusted towards allotment and on calls. Calculate the excess money returned and Journalise.

COST ACCOUNTING

(2005 Onwards)

Time : Three hours Maximum : 100 marks

PART A — (5 × 8 = 40 marks)

Answer any FIVE questions.

1. What are the essentiale of a good costing system? Compare cost accounts and financial accounts.

2. Calculate cost of production form the following information.

	Rs.
Works overhead	52,000
Works cost	2,70,000
Office overheads	35,000
Selling overheads	13,500

3. The following information is available in respect of material No.30:

Re–order quantity	=	1500 units
Re–order period	=	4 to 6 weeks
Maximum consumption	=	400 units per week
Normal consumption	=	300 units per week
Minimum consumption	=	250 units per week

Calculate:

(a) Re–order level

(b) Minimum level

(c) Maximum level

(d) Average stock level.

4. Following information relating to a type of raw material is available.

Annual demand	2400 units
Ordering cost per order	Rs.4.00
Unit price	Rs.2.40
Storage cost	2% per annum
Interest rate	10% per annum
Lead time	Half month.

Calculate economic order quantity and total annual inventory cost in respect of the said raw material.

5. Bring out the distinction between job costing and process costing.

6. From the following figures show the cost of the three process of manufacture the production of each process is passed on to the next till completion.

	Process A Rs.	Process B Rs.	Process C Rs.
Wages and materials	60,800	24,000	58,500
Works overheads	11,200	10,500	12,000
Production (in units)	72,000	75,000	96,000
Stock (units from preceding process on 1st July)	–	8,000	33,000
Stock (units from preceding process on 31st July)	–	2,000	11,000

7. What is meant by standard costing? State its main objectives.

8. Find out the profit as per costing records and financial accounts from the following information and reconcile the results.

	Process A Rs.	Process B Rs.
Number of units produced and sold	600	400
Total direct materials	3,600	2,800
Total direct wages	3,000	2,400
Selling price per unit	25	30

Works on cost charged at 80% of direct wages and office on cost at 25% of works costs. Actual works expenses amounted to Rs.4,500 and office expenses to Rs.3,900. There were no opening and closing stocks.

PART B — (4 × 15 = 60 marks)

Answer any FOUR questions.

9. Distinguish between:

(a) Direct and indirect costs

(b) Fixed and variable costs

(c) Controllable and uncontrollable costs.

10. From the following information relating to Pune industries Ltd. for the year ending 31st March, 2012. You are required to prepare a statement of cost showing

(a) Prime cost

(b) Factory overhead

(c) Factory cost

(d) Total cost

(e) Profit or loss for the period.

	Rs.
Direct wages	2,40,000
Direct materials purchased	3,22,000
Purchase returns	13,000
Drawing office salaries	3,100
Carriage on direct materials	4,200
Chargeable expenses	2,800
Provision for bad debts	2,400
Office expenses	6,400
Factory rent and rates	14,600
Depreciation on plant	8,600
Showroom rent	3,000
Misc. selling expenses	3,200
Lighting	900
Gas and water	3,400
Power	2,800
Haulage hire	2,000
Travelling expenses	6,000
Showroom telephone expenses	1,500
Labour welfare expenses	4,600
Sales of scrap	450
Factory supervision	3,500
Sales	6,40,000

11. Draw a stores ledger card recording the following transactions that took place in a month under the two methods:

FIFO and LIFO

1st Jan	Opening stock	200 pieces @ Rs.2 each
5th Jan	Purchases	100 pieces @ Rs.2.20 each
10th Jan	Purchases	150 pieces @ Rs.2.40 each
20th Jan	Purchases	180 pieces @ Rs.2.50 each
2nd Jan	Issues	150 pieces
7th Jan	Issues	100 pieces
12th Jan	Issues	100 pieces
28th Jan	Issues	200 pieces

12. After inviting tenders, two quotations are received as under.

Supplier A – Rs.2.20 per unit

Supplier B – Rs.2.10 per unit + Rs.2000 as fixed charges irrespective of the number of unit.

Required:

(a) Calculate the order size for which the purchase price per unit will be the same.

(b) Select the supplier if the purchase order quantity is 15,000 units.

13. On the basis of the following information, calculate the earnings of A, B, C and D Merrick Differential Piece Rate System.

Standard production per hour 12 units

Normal rate per unit Rs.6

In an 8 hour day:

A produced 64 units

B produced 96 units

C produced 84 units

D produced 100 units.

14. Distinguish between estimated cost and standard costs.

15. From the following information determine costing profit and financial profit and then reconcile the two:

	Rs.
Opening stock of raw materials	1,44,000
Opening stock of finished articles	2,88,000
Purchase of raw materials	8,64,000
Stock of raw materials at end	2,16,000
Wages	3,60,000
Stock of finished articles at end	72,000

Calculate the factory on cost at 20% on the prime cost, and the office on cost at 80% on the factory on cost. The actual works expences amounted to Rs.2,27,150 and the file expences amounted to Rs.1,85,950 the selling price was fixed at 20% above the cost price.

First Year

Lab I — MS OFFICE

(2005 onwards)

Time : Three hours Maximum : 100 marks

Candidates have to choose TWO questions, one question from Section A, another question from Section B by Lot system.

Each question carries 50 marks.

SECTION A

1. Type two pages content in MS-WORD.

   (a) Correct any spelling errors displayed in the given text.

   (b) Save the document as <your register no.>_W01.

   (c) Change the layout of the page as given below.

   Page size: A4 (8.27" × 11.69")>Page orientation: Landscape

   (d) Change the page margins as follows:

   >Top: 1.25" >Bottom: 1.25" >Right: 1.25" >Left: 1.25"

   (e) Format the entire document as given below.

   >Line spacing: 1.15" >Font: Times New Roman > Font size: 14

   >Align: Justify

---------- Cut here ----------

2. Write a Letter and send the letter to 10 recipients using Mail Merge in MS-Word.

SECTION B

3. Create a Worksheet in EXCEL with following columns.

   REGNO, NAME, MATHS, ENGLISH, SCIENCE, TOTAL

   (a) Enter 10 records

   (b) Compute the total column

   (c) Filter the candidate who scored > 70 in MATHS

   (d) Filter the candidate who is > 40 in all subjects

---------- Cut here ----------

4. Create a Excel sheet and prepare the Trading and Profit and Loss account and the Balance Sheet.

Opening Balance sheet:	Rs.
Capital	2,00,000
Furniture	50,000
Cash	50,000
Buildings	1,00,000
Transactions:	
Salaries paid	5,000
Rent paid	2,000
Adjustments :	
Outstanding rent at the end of the year	500
Depreciation on buildings	10% p.a.

   Pass adjustment entries and finalize the P and L account and Balance sheet.

---------- Cut here ----------

5. Create STUDENT table with the following fields:

   RegNo, Name, Age, Sex, Degree, Percentage

   (a) Enter 10 records.

   (b) Display the fields RegNo and Percentage alone.

   (c) Display the records whose Degree id is B.COM.

   (d) Sort the table in descending order of Age column.

6. Create a table called "Books" with the following fields.

Field Name	Type	Field size	Constraints
ID	Number		Primary key
Title	Text field	50 characters	
Description	Text field	30 characters	
Category	Number		
No. of copies	Number		

Create a form to enter details about books and save it as "Books Form".

Add following records to the "Books" table using the Books Form".

ID	Title	Description	Category	No. of copies
1	Word	Hard cover	2	2
2	Computers	Hard cover	4	2
3	Access	Paperback	2	2
4	Art	Hard cover	1	1
5	Science	Paperback	3	1

Create another table called "Book Copies" with the following fields.

Field Name	Type
ID	Number
Book_ID	Number
ISBN	Number
Version	Number

Establish the relationship between "Books' and "Book Copies" tables.

DISTANCE EDUCATION

B.Com. (CA)/ B.Com. (CA) (Lateral) DEGREE EXAMINATION, MAY 2014.

LAB III — ACCOUNTING PACKAGE

(2005 onwards)

Time : Three hours Maximum : 100 marks

The Examiner should give one question to each candidate by LOT system.

1. Create the following ledgers under appropriate groups and show the trial balance, profit and loss account and balance sheet.

Violet Auto Spares

Accountant salary	12,000
Proprietor's salary	36,000
Staff salary	24,000
Advertisement	6,150
Drawings	50,000
Electricity	5,572
Printing and Stationary	2,955
Purchases	6,11,625
Rent	25,200
Salary	72,000

Telephone Charges	4,565
Travelling Expenses	1,846
Wages	30,600
Cash at bank	1,599
Cash in hand	3,342
Compressors	34,000
Computers	34,000
Furniture and Fixtures	21,350
Motors	7,000
Stock in hand	21,000
Sales	4,23,155
Service Charges	4,43,550
Additional Capital	35,000
Capital	2,00,000
Sundry Creditors	53,099
Unsecured Loans	1,50,000

2. Create the following ledgers and place under appropriate groups

Name	Group	Opening Balance
Lakshmi Handloom House	Debtors–South	40000 Dr
Radhaswamy Textiles	Debtors–South	0.00
Verma Corporation	Debtors–North	0.00
Nandhitha Textiles	Debtors–North	0.00
Basu Textiles	Debtors–East	0.00
Sakhi cotton Textiles Ltd	Debtors–East	0.00
Mumbai Textiles Ltd	Debtors–West	0.00
Windsor Textiles Ltd	Debtors–International	0.00
Rugby International Ltd	Debtors–International	0.00
Super Textiles Ltd	Debtors–North East	0.00
Citi Bank		2,00,000 Dr
Bank of India		55,000 Dr
Sales-Domestic		0.00
Sales- International		0.00
Purchases		0.00
Motor Car		50,000 Dr
Furniture		10,000 Dr

All Parties enjoy credit limit of Rs. 1,00,000 and normal credit days of 30 days

Customers' ledger balances are maintained bill-wise. Make the necessary changes in the debtors group So that it appears in the following format in reports (Make changes in the sort Position).

Sundry debtors

Debtors–East Debtors–West

Debtors–North Debtors–South

Debtors–International
